6) **Total # of Interviewees Referred:** For the period from November 23, 2010 to November 23, 2011, this Employment Unit interviewed 32 interviewees for full-time job vacancies

7) **Supplemental Recruitment Initiatives.** List and briefly describe the Supplemental Recruitment Initiatives undertaken during the period covered by this Report.

(a) Initiative: Intern Program

Employment Unit (EU) Promotions Director and two Program Directors supervised an internship program consisting of 13 college students from the University of Alabama, University of Alabama at Birmingham (UAB), Auburn University, Montevallo University, Samford University, and Troy University during the period of January 5, 2011 through November 22, 2011. Internships are for one semester. Students must be enrolled (in good academic standing) at an accredited two-year or four year institution of higher learning at the time of Internship. Candidates are selected through an interview process. Each student gets grade credit upon completion of the program. Evaluations are sent to their instructors. The interns trained to support station remote broadcasts, research content, organize music libraries, manage prizes, website maintenance, operate the control boards, and booking guests for show appearances.

(b) Initiative: Milles College Job Fair

EU participated in a job fair on April 7, 2011 at Milles College from 9:00 a.m. to 12:00 p.m. EU was represented by EU Promotions Director with hiring authority for the EU. He met with job-seeking students and discussed job opportunities at Citadel Broadcasting and accepted resumes for current and future available positions.

(c) WAPI and WJOX Job Bank

All Citadel Birmingham radio stations post broadcast openings for the EU on each of the station websites. The positions are for all departments within the EU. In addition to the EU job openings, WJOX offers a free service on the station website allowing businesses to post job openings as well as allowing visitors to look for employment. This is over-seen by the program director.
