Dear Ms. Canterbury:

The Investigations and Hearings Division of the Federal Communications Commission (FCC) recently completed its review of the response of Noalmark Broadcasting Corporation, licensee of KPZA(FM), Jal, NM (Fac ID No. 31594), and the other above-referenced stations in the employment unit to the February 25, 2021 random audit issued in accordance with the provisions of 47 C.F.R. § 73.2080(f)(4) of the FCC's Equal Employment Opportunity (EEO) rules. As a result of our review, we find that no further action is required.

Pursuant to Sections 73.3526(e)(10) (commercial) and 73.3527(e)(11) (noncommercial) of the FCC's rules, this letter, our February 25, 2021 audit letter, and the audit response must be posted to the online public inspection file belonging to each station in the above-referenced employment unit. These materials must be retained in the public file until the stations' next license renewal applications are granted by final order.

Should you have any questions concerning this matter, you may contact EEO staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,

/s/ Elizabeth Goldin
