Re: Tower Lights

March 24, 2003

Per CFR 47 Part 73.1213 of the Federal Communications Commission rules, a single licensee may be responsible for obstruction light conformity.

As per Section 5.01 of the lease agreement the tower owner, KMSP-TV a Fox/UTV Holdings Company, is responsible for conforming to the requirements of CFR 47 Part 17 pertaining to painting and tower light monitoring, maintenance and FAA notification.

Sincerely,

A handwritten signature in black ink, appearing to read 'M. Majerus', with a long horizontal line extending to the right.

Marc E. Majerus, V.P of Engineering
KMSP-TV & WFTC-TV
