

## NOTE REGARDING CARRIAGE AGREEMENT AND SERVICE AGREEMENT WITH CHARTER COMMUNICATION

The two files, "Carriage Agreement" and "Service Agreement" have been added to clarify that there has been in effect a retransmission consent agreement in place since 2010 that covered a five year period. An extension or new agreement is currently being negotiated between Blue Mountain Broadcasting Association and Charter/Spectrum Communications for continued cable coverage of Blue Mountain Broadcasting Association programming.

James N. Forsyth

Secretary of Board

Blue Mountain Broadcasting Association
