| 8.1 | Crime/Law Enforcement | 5PM     | 1/23/2024 | 2:17        | 5PM RUNDOWN      | A Middletown police officer is being inducted into the National Law Enforcement Officer Hall of Fame for her bravery and quick thinking in a situation that quickly turned violent. Det. Karli Travis was attacked in the line of duty last August. Travis was sent to the hospital for her injuries following the attack. She has since been released and has returned to work on a modified schedule.                                                                                                           |
| 8.1 | Community             | 5PM     | 1/23/2024 | 2:00        | WTNH 5PM RUNDOWN | The City of Norwich is taking action to turn a blighted mill into a riverfront park.Over the years", " there have been several fires at the mill", " which sits along the Shetucket River. The fires have greatly contributed to the deterioration of the massive structure. Last week", " the city council passed a resolution showing the city's commitment to redevelop the mill site and a vacant piece of property next to it. This allows the city to work out a deal to take over the blighted properties. |
| 8.1 | Government (Local)    | 5PM     | 1/23/2024 | 1:27        | 5PM RUNDOWN      | The Connecticut League of Conservation Voters hosted its 2024 Environmental Summit at the Connecticut Science Center on Tuesday", " with Gov. Ned Lamont stating that while the state has made progress", " its not enough.The event is where advocates", " leaders and experts discuss environmental policy priorities in preparation for the start of the 2024 legislative session. Lamont told the crowd that the state has made environmental progress in the last decade but that more needs to be done.     |
| 8.1 | Education             | 5PM     | 1/24/2024 | 1:40        | 5PM RUNDOWN      | Some students in Hartford got a valuable lesson about the opioid crisis Wednesday morning.Students at the Greater Hartford Academy of Arts were already researching the issue. Then", " they got an extra lesson from Connecticut Attorney General William Tong.The opioid crisis is something students here have been working on for months. They divided the country up into five parts and created displays full of information about the crisis.                                                              |

| 8.1 | Business & Industry   | 4PM | 3/11/2024 | 00:04:32:17 | 4PM WTNH    | A University of Pennsylvania professor has written a book about department stores in the U.S.," which are disappearing at a rapid pace.                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| 8.1 | Education             | 6PM | 3/12/2024 | 1:50        | 6PM RUNDOWN | A proposed law would let Connecticut municipalities review security camera footage to ticket drivers caught illegally speeding by stopped school buses. The bill comes after the city of Bridgeport released security footage last month of a car blowing past a school bus as people walked into the crosswalk. The city also released a report that found nearly 10", "000 drivers illegally passed a school bus over a six-month period.                                                                                                                                                |
| 8.1 | Crime/Law Enforcement | 6PM | 3/12/2024 | 1:50        | 6PM RUNDOWN | The defense rested its case in the trial of Trooper Brian North. North", " 33", " pleaded not guilty in June 2022 to first-degree manslaughter with a firearm in the death of Mubarak Soulemane. The state inspector general concluded the shooting was not justified.                                                                                                                                                                                                                                                                                                                     |
| 8.1 | Crime/Law Enforcement | 5PM | 3/12/2024 | 1:55        | 5PM RUNDOWN | A now former Middletown day care teacher is facing child endangerment charges after being seen on video throwing a 2-year-old child through the air like a piece of luggage. Kristie Kovarcik", " 47", " of Haddam", " was charged with risk of injury to a minor and second-degree reckless endangerment. She turned herself in on Feb. 26.                                                                                                                                                                                                                                               |
| 8.1 | Government (Local)    | 5PM | 3/12/2024 | 2:00        | 5PM RUNDOWN | A bill on the adoption of electric vehicles is drawing sharp criticism from the state legislature's top Republicans. House Bill 5485 which would establish an entity called the Electric Vehicle Infrastructure Coordinating Council. Republicans say the bill is an attempt to force a phase-out of the sale of new gas-powered vehicles by the year 2035. Previous attempts by Gov. Lamont to pass those regulations", " which were first developed and implemented by California", " failed after some Democrats voiced concerns.                                                       |
| 8.1 | Crime/Law Enforcement | 6PM | 3/13/2024 | 2:40        | 6PM RUNDOWN | The jury is deliberating the case of Connecticut State Trooper Brian North", " who faces a manslaughter charge in the 2020 shooting death of a 19-year-old man. North", " 33", " pleaded not guilty in June 2022 to first-degree manslaughter with a firearm in the death of Mubarak Soulemane. The state inspector general concluded the shooting was not justified. The judge instructed the jury to first consider the first-degree manslaughter with a firearm. The jurors can consider lesser charges of second-degree manslaughter with a firearm and criminally negligent homicide. |
| 8.1 | Business & Industry   | 6PM | 3/13/2024 | 1:20        | 6PM RUNDOWN | An Eversource crew took to the sky on Wednesday to prevent future power outages. Eversource transmission lines are the superhighway of the power grid. To help maintain it", " crews use a helicopter with a tree trimmer dangling from the bottom of it to cut back vegetation. Tree limbs that come into contact with high voltage lines can knock out power to tens of thousands of people. The work is typically done in remote areas. Operators on the ground are in constant contact with the pilot.                                                                                 |
