Crime  
 Diversity  
 Education  
 Environment  
 Health  
 Housing  
 Transportation

### Programs

| Channel | Issue   | Time | Date | Duration    | Title of Program   | Narrative Description   |
|---------|---------|------|------|-------------|--------------------|---|
| 4.1     | Housing | 5pm  | 10/2 | 60 seconds  | KRON 4 News at 5pm | Severe housing crisis grips Bay Area; San Jose mayor unveils plans to build 25K new housing units in 5 years to include 10K “affordable” units; mayor admits it’s a tough challenge in region where \$1M homes are the norm; at state level Gov. Brown signed 15 bills addressing housing crisis but all require voter approval in 2018   |
| 4.1     | Crime   | 10pm | 10/3 | 120 seconds | KRON 4 News at 8pm | In aftermath of Las Vegas mass shooting, interview with local criminologist and sociology professor on the factors in society that lead to this type of crime; also discussion of whether this type of crime is increasing or whether we are more aware of them because modern weaponry makes the events increasingly dramatic and deadly |
| 4.1     | Crime   | 5pm  | 10/4 | 60 seconds  | KRON 4 News at 5pm | SFPD and SF supervisors announce new steps in combatting car break-ins and property crimes which are increasing problem in SF; doubling officers on foot patrol has not been enough   |

## Quarterly Issues and Program List

|     |                             |     |      |             |                     |  |
|-----|-----------------------------|-----|------|-------------|---------------------|--|
| 4.1 | Crime Health                | 5pm | 10/4 | 110 seconds | KRON 4 News at 5pm  | San Jose taking a different approach to dealing with public intoxication rather than jailing and prosecuting; instead of jail if not suspected of connection to any other crime they will be sent to a “sobering center” where they can sleep it off, get some food and be assessed for mental health status and referral to treatment as needed; city says will eliminate unnecessary paramedic trips, free up space in jails and ERs and improve public safety by freeing up law enforcement resources |
| 4.1 | Diversity / Minority Issues | 5pm | 10/4 | 100 seconds | KRON 4 News at 5pm  | DACA deadline for renewing permits; bipartisan efforts to craft legislation with path to citizenship; analysis of different options currently being discussed  |
| 4.1 | Health                      | 8am | 10/5 | 30 seconds  | KRON 4 Morning News | Latest research on connection between exercise and mental health; any type of exercise that elevates heart rate and gets you sweating has significant positive impact on brain and lessens effects of depression and anxiety; working out as little as one hour a week over a sustained period of time will improve memory   |
| 4.1 | Transportation              | 5pm | 10/6 | 120 seconds | KRON 4 News at 5pm  | MTA opens a new express lane option in the notorious 680 corridor; people have the option to pay to drive in the designated lane; has been successful in other locations; some commuters say they would be willing to pay \$5 a day to alleviate their commute frustrations; MTA spokesperson avoids over-promising, says will relieve but not eliminate congestion  |

## Quarterly Issues and Program List

|     |                             |               |             |             |                     |  |
|-----|-----------------------------|---------------|-------------|-------------|---------------------|--|
| 4.1 | Environment                 | 10pm          | 10/8        | 85 seconds  | KRON 4 News at 10pm | Analysis of legislation in Congress supporters say will help prevent wildfires which they say are the result of unmanaged and mismanaged federal land; bill would facilitate logging on federal lands; supporters also say the increase in wildfires produces ash which pollutes both air and waterways; opponents say more logging is not the answer to a problem caused by climate change; opponents say bill is a gift to logging industry; proponents say it's all about the environment and based on science and best practices in states with healthiest forests |
| 4.1 | Community Service           | All Newscasts | 10/9-10/13  |             | All Newscasts       | Continuous coverage of wildfire disaster that struck Sonoma and Napa Counties  |
| 4.1 | Community Service           | All Newscasts | 10/15-10/20 |             | All Newscasts       | Newscasts primarily focused on ongoing coverage of the wildfire emergency  |
| 4.1 | Diversity / Minority Issues | 5pm           | 10/17       | 30 seconds  | KRON 4 News at 5pm  | Latest iteration of President Trump's travel ban again blocked by federal courts   |
| 4.1 | Health                      | 5pm           | 10/17       | 45 seconds  | KRON 4 News at 5pm  | Update on efforts in Congress to stabilize and maintain current health insurance program   |
| 4.1 | Diversity / Women's Issues  | 6pm           | 10/18       | 90 seconds  | KRON 4 News at 6pm  | #Me Too background on the social media campaign; interview with one victim currently speaking up to address the problem of sexual abuse; "it's not just Holly wood-it's happening everywhere:"   |
| 4.1 | Health                      | 8pm           | 10/18       | 45 seconds  | KRON 4 News at 8pm  | California files suit to force the federal government to continue making healthcare subsidy payments; other states joining suit; claims President is illegally undermining the health care law   |
| 4.1 | Diversity / Women's Issues  | 10pm          | 10/18       | 120 seconds | KRON 4 News at 10pm | #Me Too follow up story with local angle; women at Cal Berkeley discuss rape culture and frequency of abuse on campus; one student says a hash tag isn't enough, won't change things, need men to step up and say this isn't okay, change will only come when people recognize what they've been doing is wrong and try to change; interview with men who support #MeToo movement  |

## Quarterly Issues and Program List

|     |                             |     |       |             |                    |  |
|-----|-----------------------------|-----|-------|-------------|--------------------|--|
| 4.1 | Health                      | 5pm | 10/19 | 30 seconds  | KRON 4 News at 5pm | Social media can be detrimental to people's mental health; especially among young people and most especially among young women; Instagram and Snapchat have the most negative impact, setting unrealistic standards to meet up to; YouTube is the only platform cited with a positive impact   |
| 4.1 | Diversity / Minority Issues | 8pm | 10/19 | 90 seconds  | KRON 4 News at 8pm | Coverage of speech by white supremacist Richard Spencer at Univ of Florida; security cost \$500K for hundreds of police officers; UF president equated security costs to 1K tuitions; Spencer and supporter Mike Enoch claim they've realized "America does not belong to us"; demonstrators said they did not want violence but also claim their city is diverse and welcoming except to Spencer's type of rhetoric   |
| 4.1 | Health                      | 8pm | 10/19 | 105 seconds | KRON 4 News at 8pm | Kids and media consumption; kids under 11 spending more time staring at screens and using more types of screens; children in less affluent households spend nearly twice as much time as those in higher income homes; studies show that screen time in the very young can create developmental problems; in children 6 months to 2 years, more screen time increase likelihood for speech delays  |
| 4.1 | Diversity                   | 8pm | 10/20 | 90 seconds  | KRON 4 News at 8pm | Incidents of hate speech and racist graffiti becoming more commonplace, even in the Bay Area; incident earlier this week at East Bay school; now Financial District dental office; dentist was the first African American dentist to open practice in the neighborhood – 25 years ago; has had no problems until now his front windows were graffitied with a swastika, the n-word and the word die; says it is surprising in San Francisco but+ understandable given current national political climate which has emboldened bigotry; feels sorry for those who do not appreciate the "beautiful diversity of humanity" |

## Quarterly Issues and Program List

|     |                |      |       |             |                     |   |
|-----|----------------|------|-------|-------------|---------------------|---|
| 4.1 | Transportation | 9pm  | 10/23 | 30 seconds  | KRON 4 News at 9pm  | BART extends its new carpool program to two additional stations; program guarantees the driver a designated parking spot; find your own carpool partner or use the scoop app and then register to get a paper permit  |
| 4.1 | Housing        | 5pm  | 10/25 | 105 seconds | KRON 4 News at 5pm  | Already challenging Bay Area housing market made worse by North Bay fires where entire neighborhoods were destroyed; pushing rents to \$10K/15K for some; concern re finding housing for the local service sector, the people who keep local industry going; there aren't enough contractors to do the amount of rebuilding that needs to be done   |
| 4.1 | Transportation | 9pm  | 10/25 | 135 seconds | KRON 4 News at 9pm  | Bike sharing programs expanding throughout Bay Area; but not without some negative reaction; pushback as companies like Ford GoBike move their services into residential neighborhoods; concern from residents that proper procedures and notifications are not in place; GoBike says there was outreach but residents say they did not give their input; residents support biking to help alleviate traffic congestion but are concerned about changes to quality of their neighborhoods and their property values |
| 4.1 | Education      | 9pm  | 10/25 | 30 seconds  | KRON 4 News at 9pm  | New report confirms what most people suspect; college is getting more expensive; costs rose faster than inflation again; tuition up \$300 at public colleges and \$800 at private colleges  |
| 4.1 | Housing        | 10pm | 10/25 | 45 seconds  | KRON 4 News at 10pm | New real estate study shows Bay Area rents are still rising; SF, Mt View and Redwood City are most expensive for one bedroom apartment; in SF average is up \$90 to \$3480/month for a one bedroom; Vallejo is least expensive with average \$1300/month for one bedroom  |

## Quarterly Issues and Program List

|     |                |     |       |             |                    |   |
|-----|----------------|-----|-------|-------------|--------------------|---|
| 4.1 | Transportation | 5pm | 10/26 | 140 seconds | KRON 4 News at 5pm | Status report on BART extension to San Jose; construction completed; now in testing phases; static testing of signaling completed; test trains now on the tracks; public reminded that system is fully electrified and to heed posted warning signs; line expected to open June 2018 and carry 23K riders per day   |
| 4.1 | Housing        | 5pm | 10/26 | 150 seconds | KRON 4 News at 5pm | SF still on top; once again the worst place in US to find affordable housing and has actually lengthened its lead over #2 NYC; before the fires Santa Rosa and Napa boasted the most affordable rents in the Bay Area; but that's likely to change dramatically now; SF \$35K/month for one bedroom' Mt. View has fastest rising rents in the area with one bedroom monthly up \$800 over last year to \$31K/month; on brighter side rents down 10% in Oakland and Berkeley |
| 4.1 | Education      | 5pm | 10/26 | 55 seconds  | KRON 4 News at 5pm | Controversy at East Bay high school; teacher reinstated after what school officials agree was inappropriate and unprofessional behavior with students; however, the behavior was not criminal so he was able to regain his position; the students who filed the original claim have since graduated   |
| 4.1 | Environment    | 5pm | 10/26 | 90 seconds  | KRON 4 News at 5pm | Parents speak up about contaminated water in SF schools; water testing with high lead content; school district maintains the water is not polluted; the problem is in the pipes   |
| 4.1 | Education      | 8pm | 10/26 | 120 seconds | KRON 4 News at 8pm | "If you see something, say something"; police and school officials remind students and their parents after a third student was found brining a gun into a Bay Area school this week,; two were high school students; the third was 8 years old; parents need to address with their kids the need to speak up and to help keep each other safe   |

## Quarterly Issues and Program List

|     |                |      |       |             |                     |  |
|-----|----------------|------|-------|-------------|---------------------|--|
| 4.1 | Transportation | 5pm  | 10/27 | 90 seconds  | KRON 4 News at 5pm  | BART going after fare evaders; says losing \$15-25M/year; effective Jan 1 all riders will have to show proof of payment; fines will be \$75 for adults, \$55 for kids  |
| 4.1 | Education      | 6pm  | 10/27 | 105 seconds | KRON 4 News at 6pm  | Follow-up on controversy at East Bay high school; reinstated teacher resigned his position;  |
| 4.1 | Transportation | 5p   | 10/30 | 90 seconds  | KRON 4 News at 5pm  | San Francisco does not have the worst commute in the country – that honor goes to Washington DC. But SF has the second worst and SF is the only city in US to be Top 5 in both measured categories of commute time and commute stress  |
| 4.1 | Transportation | 10pm | 10/30 | 105 seconds | KRON 4 News at 10pm | Background on gas taxes; number of cars on the road in CA has doubled since last gas tax put in place, but gallons of gas purchased has only gone up by one third due to fuel efficient cars; not enough gas revenue to keep up with increased wear and tear on the roadways; new 12 cent tax will help with that; also will be earmarked for specific major projects split between state and local projects; and also go to support non-auto transportation initiatives |
| 4.1 | Environment    | 5pm  | 10/31 | 100 seconds | KRON 4 News at 5pm  | At start of rainy season PUC announces new program Rain Ready SF to help alleviate flooding in the city, calling on community to adapt to climate change and adopt a new flood resilience strategy to be ready for this rainy season and rainy seasons in years ahead  |
| 4/1 | Health         | 10pm | 10/31 | 95 seconds  | KRON 4 News at 10pm | Changes in breast cancer treatment; new radiation procedures minimize risk of damage to major internal organs which decreases risk of death from heart and lung problems secondary to radiation treatment  |
| 4.1 | Health         | 8pm  | 11/1  | 40 seconds  | KRON 4 News at 8pm  | Health benefits explainer; changes to Covered California for 2018; deadlines; etc.   |

## Quarterly Issues and Program List

|     |             |      |      |             |                     |   |
|-----|-------------|------|------|-------------|---------------------|---|
| 4.1 | Environment | 9pm  | 11/1 | 60 seconds  | KRON 4 News at 9pm  | Rainfall prompts contamination concerns among residents whose houses survived the fire but are surrounded by burned-out hillside and residences; also increased risk of mudslides and flooding;   |
| 4.1 | Health      | 10pm | 11/1 | 105 seconds | KRON 4 News at 10pm | Safety precautions for your next hair salon visit; good hygiene means salons should use fresh drapes and towels for each customer and make sure combs and brushes are sanitized in between customers; dirty towels should be kept in a closed container; hair swept from the floor after each customer; these are the basic steps to protect customers from bacterial and fungal agents; current license should be displayed; officers from state inspection agencies say that dozens of salons in their states fail inspections every year |
| 4.1 | Housing     | 5pm  | 11/2 | 30 seconds  | KRON 4 News at 5pm  | Bay Area housing crunch takes another direct hit due to post wildfire dislocation; more than 6K homes destroyed; temporary block placed on new vacation rentals; use of trailers as homes now permitted on residential lots; measures like these helping to make housing units available in the area to people who have lost everything and have been sleeping on living room floors  |
| 4.1 | Environment | 5pm  | 11/2 | 140 seconds | KRON 4 News at 5pm  | San Jose engineers rushing to finish Coyote Creek flood wall in effort to prevent repeat of last year's disastrous flooding; thousands of tons of earth used to create a 300-foot berm on one side of the creek and a vinyl wall on the other side next to housing; supplemented by removal of fallen trees and invasive vegetation from the creek bed  |

## Quarterly Issues and Program List

|     |                |     |      |             |                    |   |
|-----|----------------|-----|------|-------------|--------------------|---|
| 4.1 | Education      | 5pm | 11/2 | 150 seconds | KRON 4 News at 5pm | (on-going series of feature reports) Teacher of the Week: Jeremiah Clauss at St Mary's School in Los Gatos; teaches religion, language arts, social studies but brings singing and acting to all his classrooms in order to keep students engaged and happy; principal "most teachers stand in the front and read" but Jeremiah does the extras and brings it to life; that gives the kids a rich learning experience; his students are enthusiastic about their subject matter |
| 4.1 | Transportation | 6pm | 11/2 | 25 seconds  | KRON 4 News at 6pm | The new 12 cent gas tax isn't just focused on automobiles; BART also receiving new tax revenue which they will use for more police, station cleaners and car maintenance  |
| 4.1 | Environment    | 9pm | 11/2 | 165 seconds | KRON 4 News at 9pm | Battle to save North Bay drinking water from hazardous pollutants resulting from the firestorm; asbestos, metals, plastics, other toxins could wash into nearby rivers and streams and eventually into Russian River a major supplier of drinking water for the North Bay; hazmat teams combing properties; city working with residents to remove burnt out cars; sandbags and special filters deployed at storm drains to keep pollutants out                                  |
| 4.1 | Environment    | 5pm | 11/3 | 150 seconds | KRON 4 News at 5pm | White House signs off on new climate change report; climate change is happening; caused by human activity; environment close to tipping point; superstorms, super-floods super-fires will be normal; extended droughts and shrinking snowpack – down 89% by end of century; increased frequency and intensity of El Nino/La Nina cycle; White House downplayed significance by saying climate is always changing  |
| 4.1 | Health Crime   | 5pm | 11/6 | 180 seconds | KRON 4 News at 5pm | Live on-set interview with therapist Dr. Tara Fields discussing the connection between mental illness and mass shootings  |

## Quarterly Issues and Program List

|     |                  |     |      |             |                    |  |
|-----|------------------|-----|------|-------------|--------------------|--|
| 4.1 | Housing          | 5pm | 11/6 | 120 seconds | KRON 4 News at 5pm | Controversial rent control measure in Pacifica pitting neighbors against each other; passionate debate ahead of election day; those against say it's costly and doesn't solve the rent increase and eviction problems and suggest building more affordable units is the answer; those in favor say it protects residents who need it the most                  |
| 4.1 | Transportation   | 5pm | 11/6 | 30 seconds  | KRON 4 News at 5pm | Gas prices take a big jump due to new gas tax; San Francisco has highest prices in the state and in the nation; prices increased more than the amount of the gas tax   |
| 4.1 | Housing          | 8pm | 11/6 | 150 seconds | KRON 4 News at 8pm | Impact of North Bay fires on the homeless; advocates warn homelessness in Santa Rosa will worsen; homeless woman says even harder now to survive as shelters and resources formerly available to homeless people are now going to fire evacuees  |
| 4.1 | Crime            | 5pm | 11/7 | 105 seconds | KRON 4 News at 5pm | Local community supervisor asking for crack down on drones due to potential for use in criminal activity; evidence shows that drones have been used to smuggle drugs into local correctional facility; calling for strict new regulations and enforcement of airspace  |
| 4.1 | Health Education | 8pm | 11/7 | 35 seconds  | KRON 4 News at 8pm | New federal education guidelines changing the curriculum for gym class; emphasis is shifting away from team competitions to personal mastery and fitness and activities that students can take with them outside of school (yoga, rock climbing, self-defense, etc.)   |
| 4.1 | Health           | 8pm | 11/7 | 30 seconds  | KRON 4 News at 8pm | New approach to childhood allergies; food allergy cases on the rise while many parents try to keep their kids away from certain foods other parents are participating in trials and therapies aimed at getting rid of the allergies through desensitization; or if not curing the allergy at least lessening it so accidental exposure is not life threatening |

## Quarterly Issues and Program List

|     |             |     |      |             |                    |  |
|-----|-------------|-----|------|-------------|--------------------|--|
| 4.1 | Crime       | 9pm | 11/7 | 135 seconds | KRON 4 News at 9pm | Peninsula town dealing with spike in car burglaries; in 2017 over 100 incidents in the In N Out Burger parking lot alone; police called a town meeting to discuss crime; live coverage from the meeting; police reminders to keep valuables out of sight and place items in the trunk before you get to your destination; also addressed home safety concerns with advice on reinforcing windows and doors   |
| 4.1 | Environment | 5pm | 11/8 | 120 seconds | KRON 4 News at 5pm | North Bay taking precautions to contain polluted rainwater runoff in fire zones; using straw wattles and canvas bags of rocks; both act to filter the water; with vegetation burned off soil's ability to absorb water may be less with more water going into creeks than usual; key concern is heavy metals and impact not only on water quality but fish, animals, birds of the creek ecosystems; also using hydro mulching to stabilize hillsides to protect against landslides |
| 4.1 | Crime       | 5pm | 11/8 | 120 seconds | KRON 4 News at 5pm | Brazen escape by 2 felons from Palo Alto courthouse result of dangerously low staffing levels according to Deputy Sheriff Association; 3 <sup>rd</sup> escape in 2 years; inmate to deputy ratio too high; with staffing down 20% not enough deputies to go around; sheriff's office says 25 new deputies in training will help alleviate staffing crunch  |
| 4.1 | Crime       | 5pm | 11/8 | 105 seconds | KRON 4 News at 5pm | Sen Feinstein trying again for gun control legislation; proponents claim inaction by Congress has cost hundreds of lives; those opposed say the answer is better enforcement not additional laws;  |
| 4.1 | Crime       | 6pm | 11/8 | 30 seconds  | KRON 4 News at 6pm | Warning to East Bay residents about laptop thefts in coffee shops; dozen recent incidents of robbers stealing laptops off coffee shop table tops while customers are sitting at the table  |
