Quarterly Issues and Program List

Programs

| Channel | Issue | Time | Date | Duration | Title of Program | Narrative Description |
|---------|---|------|------|----------|--------------------|--|
| 4.1 | Health | 5pm | 4/2 | 30 sec | KRON 4 News at 5pm | Link between medications and allergies according to new study; medications kids take now impact likelihood of allergies later in life; antacids and antibiotics increase risk for allergies, asthma and hives; some medications are predictors for later food allergies; study also cited dosage size and duration as key variables; the longer the medication is taken the higher the risk of later allergies |
| 4.1 | Health | 5pm | 4/2 | 105 sec | KRON 4 News at 5pm | Understanding the coffee/cancer connection; roasting coffee beans (or roasting anything) produces a compound called acrylamide which in extremely high doses is linked to cancer in mice; California law says public must be notified of presence of carcinogens, no matter how small the amount; roasting coffee produces tiny amounts of acrylamide; consumers would have to drink very large quantities of coffee to begin to replicate the conditions of the laboratory study with mice; in the meantime results of recent studies have shown health benefits from drinking coffee |
| 4.1 | Minority & Women's Issues/ Social Justice Issues | 6pm | 4/2 | 120 sec | KRON 4 News at 6pm | The impact of Dr. Martin Luther King, Jr. then and now; interviews with people who worked with Dr. King and students today who are inspired and influenced by him; "begin your legacy now"; King talked about issues and debates that America still struggles with today |

Quarterly Issues and Program List

| | | | | | | |
|-----|---|-----|-----|---------|--------------------|---|
| 4.1 | Education | 6pm | 4/2 | 90 sec | KRON 4 News at 6pm | Coverage of teachers strike in Oklahoma and Kentucky; still striking after legislature authorized a pay raise; on strike for improving the quality of education; funding for classrooms, adequate number of textbooks and textbooks that are not 20 years old; desk and chairs that aren't broken; pension protection; organizer of teachers strike in West Virginia says one result of their successful strike was to spread belief across the nation in the ability to stand up and making a change |
| 4.1 | Minority & Women's Issues/ Social Justice Issues | 5pm | 4/3 | 105 sec | KRON 4 News at 5pm | Local reaction to online hate crime threat referring to April 3 at "Punish a Muslim" day; mosques and schools increased security; concern but not wanting to be intimidated; "we want people to be vigilant but we don't want people living in fear"; some online advice to not wear hijabs; reporter sees little evidence of that in Bay Area; counter-measure on social media promoting April 3 as Love a Muslim Day encouraging people to acts of kindness in the face of the message of hate |
| 4.1 | Health | 8pm | 4/3 | 30 sec | KRON 4 News at 8pm | CDC reports Antibiotic-resistant bacteria is confirmed in 27 states; names of states have not been released; CDC strategy is to contain spread of the bacteria; advises public to protect themselves by washing hands and disinfecting cuts; 23K Americans die from antibiotic resistant germs every year |
| 4.1 | Crime | 8pm | 4/3 | 105 sec | KRON 4 News at 8pm | Warning on new money app scam; mobile pay apps being targeted by scammers; convenience of fast easy payment with PayPal, Venmo, etc comes with risk of vulnerability to scammers and crooks; BBB suggests never use a debit card on a payment app and use the transfer section just for friends/relatives – people you know personally |

Quarterly Issues and Program List

| | | | | | | |
|-----|---|-----|-----|---------|--------------------|---|
| 4.1 | Transportation | 9pm | 4/4 | 135 sec | KRON 4 News at 9pm | Transportation Commission testing new camera systems designed to spot carpool lane cheaters; studies show 1 in 3 cars in HOV lanes shouldn't be there; removing the violators would speed up traffic in the HOV lanes; carpool lane regulations state they should be operated at 45mph or greater at least 90% of the time; Bay Area currently not hitting that mark; testing camera systems to see if they can accurately determine the number of occupants in a vehicle; most drivers in favor of the program if it helps stop abuse of HOV lanes |
| 4.1 | Minority & Women's Issues/ Social Justice Issues | 9pm | 4/4 | 105 sec | KRON 4 News at 9pm | MLK Jr. anniversary; remembering Dr. King's final Sunday sermon on the 50 th anniversary of his death; interview with someone who was at the National Cathedral and heard the final sermon given 4 days before his assassination; a call to action, urging people to participate in the struggle; legacy lives on; "Everyone I know was changed one way or another" by Dr. King |
| 4.1 | Health Education | 8pm | 4/6 | 180 sec | KRON 4 News at 8pm | Educators grappling with new problem posed by vaping among middle and high school students; use among high school students is up 900% in recent years; 2016 survey showed 500K middle schoolers and 1.7M high school students had vaped within 30 day period preceding survey; pervasive epidemic with students vaping in hallways and classrooms; students unaware of dangerous chemical components including diacetyl, chromium, nickel, zinc and lead in addition to nicotine; FDA wants improved self-enforcement from the industry regarding targeting youth |

Quarterly Issues and Program List

| | | | | | | |
|-----|--|-----|------|---------|--------------------|---|
| 4.1 | Minority & Women's Issues/ Social Justice Issues Education | 8pm | 4/6 | 105 sec | KRON 4 News at 8pm | Mother recounts discrimination her kids experienced after school threatened to suspend her son for afro hairdo; Office for Civil Rights ruled the school had discriminated against her son; the school agreed to issue an apology and modify dress code; but school continued to cite her kids for various handbook violations; in the end mother decided to put her kids in a different school; says she's not looking for publicity or personal gain just wants public to know what kind of school Paramount Academy is and what kind of environment it offers |
| 4.1 | Crime | 5pm | 4/9 | 90 sec | KRON 4 News at 5pm | Moraga police warning of upsurge in credit card skimming at local gas stations; currently checking every gas station for skimmers; vendors trying new security systems; police explain new twist is that typically stolen credit card information is used relatively quickly in Bay Area but in recent cases information has turned up being used a month or more later in Southern California; skimmers are collecting information and selling to out-of-area third parties; advise check statements frequently and to be safer pay inside the gas station not at the pump |
| 4.1 | Environment | 5pm | 4/10 | 105 sec | KRON 4 News at 5pm | Follow up on falsified soil sample tests at naval shipyard clean up location; 50% of results deemed questionable at that time; new documents reveal more troubles; now EPA says remaining level of radioactivity at the site is considered unknown due to suspect test results of 90% of samples in Parcel B and 97% of samples from Parcel G; accusations of fraud, falsification and deliberate misconduct affecting 12 years of testing; retesting the site pushes back development timetable meaning lengthy delays for critical jobs and affordable housing |

Quarterly Issues and Program List

| | | | | | | |
|-----|-------------------|-----|------|---------|---------------------|--|
| 4.1 | Housing Education | 6pm | 4/11 | 120 sec | KRON 4 News at 6pm | SF school proposes innovative program to assist students (and their families) who are homeless; the “Stay Over” program would allow homeless and housing insecure students/parents to spend the night in the school gym; enough space for 20 families which only meets about 1/3 of the need; 64 of 600 school families are without stable housing; educators know stress of unstable housing weighs on students and impacts classroom performance; pending approval and funding from city, program could start in October |
| 4.1 | Housing | 9pm | 4/11 | 90 sec | KRON 4 News at 9pm | East Bay community struggles with solutions for homelessness; serving abatement notice to break up homeless encampment in one area due to residents’ complaints; but concern camp dwellers will simply move to another neighborhood; City admits not a solution for anyone homeless and residents alike |
| 4.1 | Housing Education | 7am | 4/12 | 60 sec | KRON 4 Morning News | East Bay school district partnering with SF start up for innovative solution to help retain teachers by addressing teacher housing shortage; Landed will help teachers put down payments on homes, paying half the amount up to \$120K; teachers are responsible for the rest of the payment and have 10-30 years to repay Landed; if the teacher sells the house Landed gets 25% of the sale |

Quarterly Issues and Program List

| | | | | | | |
|-----|--|-----|------|---------|--------------------|--|
| 4.1 | Crime | 5pm | 4/12 | 100 sec | KRON 4 News at 5pm | Car break-ins at epidemic levels in SF (31K in 2017); mayor and SFPD Chief claim 17% drop so far this year and announce new tactics to further curb break-ins; training additional officers in all precincts on how to dust for prints which will go into a database and lead to more arrests; SFPD encourages victims to get their cars fingerprinted; new park smart public awareness campaign with slogan “if you love it don’t leave it” to remind people not to leave valuables in cars |
