Central Oregon Families and Businesses Ready to March for Babies!
March of Dimes Biggest Fundraiser to Help Babies Be Born Healthy Happens April 25th

(March 25, 2015) – On Saturday, April 25th, at Riverbend Park in Bend, hundreds of families and business leaders will join together in the March of Dimes annual March for Babies—the nation's oldest walk fundraiser honoring babies born healthy and those who need help to survive and thrive.

The Shank family is one of many mission affected families walking this year. Laurie and Jeff were so excited to become parents and were looking forward to starting their family. At 20 weeks, Laurie's cervix shortened. She was on home and hospital bed rest for almost 6 weeks. She delivered Audrey at 25-1/2 weeks. Audrey spent 10 weeks in the newborn intensive care unit (NICU) before going home. Today, Audrey is a vibrant 4-year-old little girl, and the Shank family is dedicated to making sure other parents have the same happy ending.

Joining the Shank family, and so many others who know the distress of premature birth or birth defects, are local businesses, including Walgreens, Western Title, Macy's, St. Charles, Selco and PacificSource.

Registration begins at 9:00 a.m. with the 5k walk kicking off at 10:00 a.m. Participation in March for Babies will provide a memorable and rewarding experience for the whole family including the kids' Zone hosted by Home Depot plus other kid friendly activities and music by 41 East. A BBQ lunch will be provided by Moda Health. Join the walk and begin fundraising today at www.marchforbabies.org.

Funds raised by March for Babies in Oregon and SW Washington help support prenatal wellness programs, research grants, information for families experiencing a newborn intensive care unit (NICU) hospitalization and advocacy efforts for stronger, healthier babies. Premature birth is the most urgent infant health problem in the U.S. today. It affects nearly half a million babies each year, including 4,264 in Oregon.

For more than 75 years, moms and babies have benefited from March of Dimes research, education, vaccines, and breakthroughs. Find out how you can help raise funds to prevent premature birth and birth defects by walking in March for Babies at marchforbabies.org. Locally March for Babies is sponsored by First Tech Federal Credit Union, PacificSource, St. Charles Health Systems, Kendall Toyota of Bend, Lifewise Health Plan of Oregon, Moda Health, Big 5, Selco Community Credit Union, KOAK 105.7, Lite 95.7, KRCC, The Peak 104.1, and News Radio KBNW. The 2015 March for Babies is sponsored nationally by the March of Dimes number one corporate supporter Kmart, Famous Footwear, Macy's, Cigna, United Airlines and Mission Pharmacal.

TOPIC: City Walls at City Hall – Art Exhibit
GUESTS: Donna Britt

City Walls at City Hall, an arts initiative of the City of Bend Arts, Beautification and Culture Commission, is pleased to announce a special exhibition featuring the works of Sandy Brooke, Henry Sayre and their students.

The Invitational Juried Show honors Sayre and Brooke as they retire from Oregon State University, most recently at OSU-Cascades. Their instruction in visual arts and art history has influenced many students and artists who now work in the community. Select students and alumni will also be featured in the show.

In his writing and research, Sayre focuses on the arts and their interrelations, particularly on contemporary genres such as performance and installation. Two of his textbooks, both in their sixth editions, are widely used throughout the nation: an art appreciation text, *"A World of Art,"* and a writing guide, *"Writing about Art."*

Since 2010, Brooke has been in 16 juried shows. Three were national juried, twelve were by invitation, and one was a solo exhibition at Dakota State University. DSU purchased two works for their permanent collection. She has written three books, *"Hooked on Drawing," "Hooked on Painting,"* and *"Drawing as Expression."*

The show will begin at a public reception with the artists from 5 p.m. to 7 p.m. on Friday, June 5, at City Hall, 710 NW Wall Street. The show will remain on display through December 2015.

"This is a great opportunity for the City of Bend to showcase such rich and amazing talent. We are privileged to honor their influence contributing to the development of Bend as an arts community," said Bend Arts Beautification and Culture Commission Member and art history alumni Nathaniel Morgan.

The City of Bend Arts, Beautification & Culture Commission aims to inspire the community through art. For more information: www.bendoregon.gov/abc.
