

2016 Q2 HORIZON Quarterly Issues Programs List (04/01/16-6/30/16)

Horizon Broadcasting Group is involved in their communities. Management and staff regularly attempt to ascertain the most pressing issues and needs of the community, and then to present programming which addresses those issues and needs. The following list shows some of the significant issues responded to by the station notes along with examples of programming aired to treat those issues during the quarter noted. The listing is by no means exhaustive and the order in which the issues appear does not reflect any priority or significance

ROUND ROBIN

Monday, April 4th, 2016

Guest: Jamie Christman

director of Leadership Bend & government affairs, Bend Chamber

Topic:

- **Name:** What's Brewing | Bend's Bandwidth
- Should the City of Bend be your Internet provider?
- **Date:** Tuesday, April 5, 2016
- **Time:** 5:00 PM - 7:00 PM PDT

Should the City of Bend be your Internet provider? Bandwidth usage in Bend has doubled in the last year alone. How much bandwidth is enough? Who is impacted by not having their Internet work the way they need? It's not just the tech companies in our community, or the largest users such as our medical industry, it's our small-to medium-sized businesses that count on Internet service. So, what's the solution? If the City of Bend became an Internet provider, would it benefit you?

Co-moderated by:

Ben Hemson, the new City of Bend business advocate

Jamie Christman, director Leadership Bend & government affairs, Bend Chamber

ROUND ROBIN
(Thursday, April 7th, 7am)

GUEST: Wendie Holman, Good Thought Good Action Network

TOPIC: The Good Thought Good Action Foundation of Central Oregon is hosting their 4th annual “Face Your Fears” Open Martial Arts Tournament. Saturday, April 23rd at St. Francis School on NE 27th in Bend, with doors opening at 7:00AM.

This fundraising tournament is open to all Martial Arts Students throughout Oregon. Categories consist of Traditional and Creative Forms and Weapons as well as Sparring and Kicking competitions.

The Good Thought Good Action Foundation is a volunteer based, non-profit organization that raises funds to provide training scholarships to dedicated students who have chosen a path in non-traditional sports, such as Karate, Rock Climbing, Nordic Skiing, Biking, Horseback Riding, etc.

These training scholarships help the young athletes of Central Oregon continue their journey in non-traditional sports. Competition is a healthy part of sports training and requires a great deal of courage on the part of the competitor. It also can require a financial commitment many students and families are not prepared to make for a variety of reasons.

Among other charitable activities, the Good Thought Good Action Foundation also works with other local non-profits to give back to and share skills with the Central Oregon community.

If you wish to participate, would enjoy being a sponsor or to volunteer for the event, please visit the Good Thought Good Action Foundation website for info and registration details at — www.gtgafoundation.org

All donations, through entry fees or sponsorship, are tax deductible and all proceeds go directly toward the missions of the Good Thought Good Action Foundation.

PSA

ISSUE: Emergency Services

TITLE: Deschutes Alert System

Start: 5/9/16

End: 6/9/16

Deschutes County is launching a new emergency notification system to help keep residents safe during emergencies.

Residents can sign up to receive emergency alerts by visiting:
www.deschutes.org/911/alerts.

There is no cost to register for the system or to receive notifications.

++ other info++

When signing up for the new system, residents can specify how they'd like to receive messages, with options ranging from landline and cell phone calls, to text messages and emails.

In order to register, residents need to provide their name, address and at least one phone number. Personal information is not shared with any third party organizations and is confidential.

Deschutes County residents who previously registered with the Citizen Emergency Notification System (CENS) will not need to re-register to receive Deschutes Alerts. All CENS users will receive an email prompting them to update their account information.
