

2014 Q1

HORIZON Quarterly Issues Programs List

(04/01/2014-06/30/2014)

Horizon Broadcasting Group is involved in their communities. Management and staff regularly attempt to ascertain the most pressing issues and needs of the community, and then to present programming which addresses those issues and needs. The following list shows some of the significant issues responded to by the station notes along with examples of programming aired to treat those issues during the quarter noted. The listing is by no means exhaustive and the order in which the issues appear does not reflect any priority or significance
