Come get Wintergized for women's heart health!

Bend Memorial Clinic is proud to present the 5th Annual Tour for the Heart. This annual fun 5km XC ski or snowshoe tour to raise awareness that heart disease is the #1 cause of death for women. An individual's risk for heart disease can be lowered by over 80% by leading a healthy lifestyle -- and exercise is one of the keys to lowering that risk.

The Tour for the Heart covers a beautiful Oregon Cascades route suitable for participants of all ages and abilities (*and yes, men & boys of all ages are also very welcome!*).

The Tour also features music, yummy treats, and more. Costumes are encouraged, with prizes for the most creative ensembles. Participate alone or recruit your friends, coworkers and family to sign up for the Group Challenge to enjoy for a great day on the snow and qualify for an extra special drawing.

Special thanks to all event sponsors and partners: Bend Memorial Clinic; The Center for Orthopedic & Neurosurgical Care/Research; Therapeutic Associates; Mt Bachelor Nordic Center; Mt Bachelor Sports Education Foundation; and numerous ski/snowshoe retail/industry partners. The Tour for the Heart is produced by the non-profit XC Oregon race team as a gift to the health and well-being of our community. A portion of the course is located in the Deschutes National Forest.

Fatback Bikes and Pine Mountain Sports are rolling out our 2016 Central Oregon Trail Alliance Movie Night @ McMenamins series with a new fatbike film! We'll kick off the new year with OFF THE BEATEN PATH at COTA Movie Night on Thu Jan 21!

Off The Beaten Path shows that fatbiking is somewhat of a natural progression of mountain biking. Early mountain bikers were looking to create bikes that allowed them to ride on terrain and in conditions they otherwise wouldn't be able to. Many now look to fat bikes for the same reason.

Produced by First Track Productions, Off The Beaten Path features a unique cast of characters and imagery of huge-tired bikes riding in places bicycles have never been. Shot in lots of beautiful locations, their riding surface includes snow, ice, sand, water, rock, pavement and... lots of big air!

Run time: 70 minutes.

Link to teaser: https://www.youtube.com/watch?v=enE4_0orWMQ

Come join us at McMenamins! We'll have Fuzzy John Myline in attendance and Bend-based Fatback fatbikes on display in the theater.

Movie Night at McMenamins raises funds and awareness for Central Oregon Trail Alliance. This January Movie Night will designate all funds from the door be used for fatbike-specific trails in Central Oregon!
