

## WETD-FM Issues & Program List – October 10, 2020

As required quarterly by the Federal Communications Commission (FCC), this Issues and Program List will identify the programs aired over WETD 90.7 FM, State University of New York, Alfred, NY 14802 over the preceding quarter. In order to fulfill part 73.3527 of Title 47 Code of Federal Regulations (CFR) regarding non-commercial, educational radio stations, WETD 90.7 FM is required by the Federal Communication Commission (FCC) to submit a Quarterly List reflecting the “licensee’s most significant programming treatment of community issues”. The Issues – Program List must be filed in the Public Inspection File each quarter (On January 10, April 10, July 10, and October 10).

WETD 90.7 FM is owned by The State University of New York (SUNY). Alfred State College’s (ASC) President, Dr. Irby (Skip) Sullivan, and the ASC President’s Counsel currently oversee the daily operations of the radio station. WETD is funded and operated as an ASC Student Senate-funded club.

The WETD Board of Directors (BOD) utilizes community-wide surveys to stay in tune with our audience. WETD leadership works to include music and topics of interest to the community. Student DJs are encouraged to play music matching listener interest and discuss topics of importance to the community.

For this quarter, the Issues & Programming list includes a patriotic and informative series entitled ***The Constitution***, an environmentally friendly program named ***CurrentCast***, and an in-depth but easy to understand look at issues in the scientific community with ***The Loh Down on Science***.

**The Constitution** is a series of informative radio messages designed to improve your understanding of the meaning and history of the U.S. Constitution. Each features a Hillsdale College staff or faculty member explaining a key constitutional principle.

**CurrentCast** highlights the importance of water stewardship and sustainability in our watersheds. The effort includes a media-rich web site by the same name and a syndicated audio program.

**The Loh Down on Science** is the fun way to get your daily dose of science. The program explains the world of science with a dash of humor. Hosted by writer/performer and Caltech alumna Sandra Tsing Loh, it’s a program for those who love science as well as for those who avoid it.

Please find attached the program times aired with each program’s description, as well as the WETD Community Survey identifying the most significant issues facing our listeners.

Sincerely,  
Russ Nunley  
WETD 90.7 FM - Chief Operator & Advisor  
Alfred State College, Alfred, NY 14802

## 2018 WETD Community Survey

In order to identify the most significant issues facing our community, WETD conducts community surveys with multiple choice answers and fill-in-the-blank opportunities for responding 'other.' Based on these results, WETD is committed to providing the best programming to address important topics.

The following is the Significant Topics Chart based on responses to the WETD Community Survey completed at the Hot Dog Day Festival in April. Survey respondents represent communities across Western New York, the Southern Tier, and the immediate local area.

The most popular survey responses for topics of interest are **education, environment, technology, health/mental health, community interest, relationships, and money.**

The WETD Community Survey also asks respondents what types of music they like. WETD programs a variety of musical genres and survey results help to guide decisions regarding programming choices and the acquisition of new music.

The most popular survey responses for music genres are **rock, pop, hip-hop/rap, hard rock, alternative, electronic, and country.**

The WETD Community Survey represents a wide variety of perspectives:

- 66% College Student**
- 34% Not a College Student**
- 76% WETD Listener**
- 24% Not a WETD Listener**

**Listening to the radio was the most frequent answer** for ways in which survey respondents enjoyed music during the past month (respondents could select more than one answer):

- 67% AM/FM Radio**
- 50% Purchased Music**

**47% Pandora**  
**42% Spotify**  
**42% Online Streaming of Radio**  
**25% Other**

In a show of support for the radio station's value, **77% say they are more likely to spend money with a business that is supportive of WETD.**
