12-04-22 Jason Knight, Master Bladesmith | Knight Forge Studio (12:00)

Jason Knight's passion for knives developed at an early age while growing up in the hinterlands of Charleston, South Carolina. Jason was inspired as a child by stories that his father read to him by Edgar Rice Burroughs, costumes his mother made him, and backyard adventures through the brush with old knives and machetes. His passion led him to attend the Bill Moran School of Bladesmithing in Old Washington, Arkansas, in 2001, where he trained under Master Bladesmith Jay Hendrickson. Jason turned his childhood passion into a 20-year career in Bladesmithing. In 2007, he received his ABS Mastersmith rating along with the B.R. Hughes Award for the best knife by a Mastersmith candidate. His technique and recognizable style have made his blades some of the most sought-after in the industry.

12-04-22 Linore Huss, Director of The Inventor Center (12:00)

The Inventor Center is a community-focused space for makers, artists, and thinkers to create, collaborate, and improve our region. We provide a safe opportunity for members and the wider community to engage through our many available classes, tools, and workspaces.
