To the FCC,

On behalf of my client Brandeis University, the licensee of noncommercial FM station WBRS, Waltham, MA, this is to request an extension of time until February 1, 2024, by which to submit its Biennial Ownership Report with information dated as of October 1, 2023. Additional time is needed as the University is continuing its due diligence in obtaining complete reporting information for the parties to be listed in the Form 323-E.

Respectfully submitted,

Marissa G. Repp, Esq.
