Quarterly Programming Statement for the period of
July 1, 2022 - September 30, 2022
Third Quarter, 2022

91.5 WSDH is a non-commercial educational radio station located at Sandwich High School in Sandwich, Massachusetts. With the 2022-2023 school year underway, we have begun a new year of student programming which has included the playing of PSAs as well as one weekly show dedicated to student mental health awareness, a topic that is of great interest and importance to our community. In addition, we have been continuing our partial day simulcast of WKKL, 90.7 FM in Barnstable while we continue to rebuild our own library of content, so we have been airing all of the PSAs and Issues/Programs that they've been airing in addition to our own.
