Quarterly Issues/Programs
Q1 2017

KFCO provides for our audience programming and public service announcements that address issues of concern in our local community. The issues of concern to our community that were addressed during the preceding calendar year were:

- **Underprivileged Community Support** – KFCO supported the free dental care event at Risas Dental providing underprivileged children with free dental services, and the Prom Dress Exchange event providing underprivileged youth with discounted prom attire.
- **Auto Theft** – KFCO aired a program addressing the issue of auto theft including the effects on the community and the lives of youth offenders.
- **Drunk Driving** – KFCO aired a program addressing the issue of drunk driving including discussion of the negative effects on the community and prevention.
- **Unemployment** – KFCO aired a program highlighting the employment opportunities with the Denver Police Training Academy, and supported the Job News Job Fair to provide the unemployed community with employment options.
- **Free Family Community Events/Minority Community Support** – KFCO participated in the MLK Marade supporting our minority community members and supported the Denver St. Patrick's Parade – a free family community event.
