**Re: KCAL-TV, Los Angeles, CA**  
**Retransmission Consent Election**

Dear Mr. Stern:

CBS Corporation, the ultimate owner of television station KCAL-TV Los Angeles, CA ("Station"), is in receipt of your notification letter sent on behalf of Google Fiber Inc. ("GF") stating GF's intent to provide IPTV service in the Los Angeles designated market area. Pursuant to Section 76.74 of the FCC rules, this is to notify GF that Station elects the retransmission consent option with respect to carriage of Station's signal on GF's IPTV system serving the Los Angeles designated market area for the 2015-2017 election period.

We look forward to negotiating GF's retransmission of Station on mutually-satisfactory terms and providing great programming for our shared viewers to enjoy.

Sincerely,

A handwritten signature in black ink, appearing to be "J. Sarrow".
