WODC
Quarterly Issues/Programs List

WODC provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Cancer care:** Michelle Miller of the American Cancer Society talked about how the best cancer care starts with the best cancer information. She offered information about types of cancer, side effects, coping, caregiving, clinical trials and more.
 - **Health & safety/COVID-19 information:** Representatives from the Ohio Department of Health talked about the progress with COVID-19 vaccinations in Ohio and information to get to citizens about availability and how to make an appointment.
 - **Small business challenges during the pandemic:** Representatives from the U.S. Small Business Administration talked about the microbusinesses that have a unique set of challenges during the COVID-19 pandemic.
 - **Organ donation:** Staff and volunteers with Lifeline of Ohio discussed the Ohio Donor Registry and how to sign up.
 - **Public safety during COVID-19:** Officials from Franklin and Pickaway County law enforcement units updated listeners on the Central and Southern Ohio response to the coronavirus pandemic.
-
