WODC
Quarterly Issues/Programs List

WODC provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Ashville & Pickaway County family health:** Pickaway County Health Department officials discussed the current state of the COVID-19 pandemic and how it has impacted local medical facilities.
- **Ashville-Area Heritage Society winter programs:** Ashville-Area Heritage Society members and volunteers discussed the winter services taking place for seniors and how they are following current COVID-19 protocols in managing these events.
- **Ashville & Pickaway County heart health for women:** American Heart Association Communications Director Brianne Harman talked about women's heart health and the Pickaway County "Go Red for Women" campaign.
- **Military & Veterans:** Cole Lyle, a marine veteran and Executive Director of Mission Roll Call, discussed the work Mission Roll Call does for veterans across the country, from suicide prevention to assistance with health care and benefits.
- **Women and cancer screening:** Dr. Dorothy Fink, Deputy Assistant Secretary for Women's Health talked about women's health as part of Women's History Month. She offered information and advice to women who weren't able to get their mammograms and other cancer screenings done since COVID-19 started.
- **Family health:** Patricia Bell-Miller of the Ohio Department of Health discussed how health programs and other medical services for families are continuing as new COVID-19 variants arise.

Section I
