<u>ISSUE</u>	<u>DESCRIPTION</u>	<u>DATE</u>
Political	A piece of land along Washington Avenue will be rezoned after a vote by city council today. The property will go from being zoned as single family residential, to high density residential.	10/1/13
Economy	Major economic news tonight as the Public Utilities Commission of Ohio has made a decision regarding Ormet's request for a special rate reduction from AEP. The PUCO decided to approve a modified rate arrangement for Ormet.	10/2/13
Healthcare	It was a fun night as Weirton Medical Center and Athena's Closet teamed up for the first annual Breast Fest. The educational but also fun event will benefit cancer patients and honor those who are fighting breast cancer.	10/3/13
Economy	The addition of a half percent sales tax went into affect this month in the city of Wheeling. That mean's that as of October 1 st , you are paying just a tad bit more for items you purchase in the city. Except for cars, gasoline, and unprepared food.	10/7/13
Healthcare	The Ohio Valley's first and only pediatric walk-in clinic opened its doors today. Kids Only Care in St. Clairsville, accepts any pediatric patient from any practice here in the Ohio Valley.	10/8/13
Political	The Ohio Senate has begun considering a measure that would ban authorities from using cameras to determine whether drivers run red lights or violate speed limits. The Senate started its hearings yesterday after The House passed the measure in June.	10/9/13
Crime	Shattered windows are being covered with plywood, two days after a former policeman fires nearly 20 shots at the Federal Courthouse in Wheeling. The scene is still blocked from traffic, as FBI Agents continue their investigation.	10/11/13
Economy	Tomorrow stakeholders in the Wheeling Economy can get an analysis and forecast of the region's economic landscape at the Wheeling Economic	10/14/13

Program Title: FOX OV NEWS**Duration: 10PM-11PM**

<u>ISSUE</u>	<u>DESCRIPTION</u>	<u>DATE</u>
Crime	The special grand jury investigating the Steubenville rape case will be back in session Monday. Sources say they are considering whether anyone broke any laws or covered up any information.	10/18/13
Economy	The Wheeling Planning Commission voted to approve a site plan that will allow the Hampton Inn on National Road to go forward with their expansion project. The plans include adding parking spaces and two stories to the existing building.	10/21/13
Education	There's only one week left to get your nominations in for the Students of Excellence Scholarship Program. It's open to all high school seniors who live in West Virginia and are enrolled at a public or private school, or are home schooled.	10/22/13
Crime	We have just learned a 2 nd indictment has been handed down by the grand jury to 20 year old Hannah Rhinaman of Mingo Junction related to the Steubenville rape case. She was indicted on two counts of receiving stolen property, a 5 th degree felony and one count of grand theft, also a 5 th degree felony.	10/23/13
Political	Ohio's Attorney General makes a visit to Barnesville to see how his efforts are keeping a company efficient and safe for everyone. Dewine toured Dickinson Cattle Company to talk to business owners and see how well his efforts have worked to create a legal, healthy and safe environment for the company and Ohio families.	10/25/13
Crime	The Pennsylvania man who allegedly traveled to Jefferson County to have sex with a 13-year-old boy appears in a Jefferson County courtroom.	10/29/13
Political	Election time is almost here and school officials in the Switzerland of Ohio district are asking voters to say yes to an emergency operations levy on election day.	10/31/13
Political	On Tuesday, voters in Ohio will be heading to the polls to cast their ballots in the general election. They will cast votes in Municipal, Township, and School District Elections.	11/1/13
Economy	November marks the beginning of the season to give thanks and few give more than the House of the Carpenter. Today they partnered with Kroger to help stuff the truck with food donations for their pantry.	11/2/13

Program Title: FOX OV NEWS**Duration: 10PM-11PM**

<u>ISSUE</u>	<u>DESCRIPTION</u>	<u>DATE</u>
Economy	There's talk of a possible merger between Orrick, Herrington and Sutcliffe and Pillsbury. And the bottom line is it could mean good things for Orrick's Global Operations Center in Wheeling.	11/7/13
Economy	The United Steelworkers plan to launch a campaign to save the hundreds of jobs lost when Ormet shutdown. This is happening on the same day AEP is expected to announce how the shutdown will affect next year's sales.	11/11/13
Health/Economy	The Wheeling Water Warriors and FACT OV presented what they call strong evidence connecting the gas drilling industry to health problems effecting people who live near them. They were hoping it was enough to convince the Ohio County Board of Health to take a stand against a proposed frack water treatment plant in Warwood.	11/12/13
Healthcare/Political	About the same time that former President Clinton suggested some changes to Obamacare, US Senator Joe Manchin offers some similar advice. The West Virginia Senator says this should be a transition year. He says we shouldn't be forcing people to buy something when the product is not perfected.	11/13/13
Healthcare	New in Ohio County tonight a jury has returned a verdict of close to \$900,000 against an area doctor. The case concerned the wrongful death of Dan Kilgore, who died of a stroke in the wake of a procedure performed by Dr. Maninder Bedi.	11/15/13
Political/Economy	The United Steelworkers are hoping to convince Ohio's governor and others to stand up and fight for the 1,000 jobs at stake. Today we caught up with Ohio Senator Lou Gentile who has spoken to Governor John Kasich directly asking him to step up and save all those jobs that are at stake.	11/18/13
Education	Marshall County's Board of Education met to see architectural studies of how a renovated John Marshall High School might look. Those plans include redesigning the entrance with a "man trap" and enclosing the bridge that connects the performing arts center to the rest of the school.	11/19/13
Economy	The glow from the Oglebay Winter Festival of Lights has caught the attention of the nation. Recently the light show was named one of the must see light shows in the nation along with Disney Land, Rockefeller Center and the National Tree Lighting Ceremony in D.C.	11/20/13
Crime	From Harrison County right now following days of undercover work	11/22/13

Program Title: FOX OV NEWS**Duration: 10PM-11PM**

<u>ISSUE</u>	<u>DESCRIPTION</u>	<u>DATE</u>
Crime	The search continues tonight for the masked man who fled the scene after an armed robbery in Warwood this morning. The 911 call came in shortly after 10 this morning.	11/26/13
Economy	Many people are looking forward to diving into some turkey and watching football, but others are waiting for those Black Friday deals. One of the busiest places to shop will be here in Ohio County at the Highlands. Stores like JC Penney, Kohls, and Best Buy will all be offering deals. Another spot will be the Ohio Valley Mall, for many of these stores, Black Friday will actually start on Thanksgiving.	11/27/13
Economy	The shopping continues tomorrow on Small Business Saturday. Stores in Centre Market will once again be offering discounts and specials.	11/29/13
Economy	The Neffs Fire Department is in bankruptcy. According to court documents, their liabilities range from \$1 million to \$10 million. Fire department officials say they are simply seeking protection from their creditors, but are still open and responding to as many calls as ever.	12/2/13
Education	Board members hired a replacement for William Rhinaman, who was previously indicted by the grand jury, and retired in November. Byran D'Aurora will now be the School's director of technology. They then voted to enter into executive session to review the status of employees placed on paid administrative leave.	12/3/13
Crime	Park officials are fed up with criminals threatening the safety of their guests. Poaching is against the law, and it's happening at two local recreation areas. Oglebay Park and Grand Vue Park. The Grand Vue Manager has partnered with the DNR and the Marshall County Sheriff's office to patrol the park and installed additional security camera's to try and combat the problem.	12/4/13
Economy	A few weeks ago we told you about a merger being eyed by Orrick, Herrington & Sutcliffe and Pillsbury Winthrop Shaw Pittman. Today we have learned that merger will not be happening.	12/5/13
Political	The new Belmont County Commissioner took his seat at the desk today. As we first told you, Mark Thomas is now officially a Belmont County Commissioner again. The St. Clairsville attorney was sworn in this afternoon in Common Pleas Court by Judge John Solovan.	12/9/13

Program Title: FOX OV NEWS**Duration: 10PM-11PM**

<u>ISSUE</u>	<u>DESCRIPTION</u>	<u>DATE</u>
Political	West Virginia House Delegates Erikka Storch and Ryan Ferns along with Dave Evans hosted a town hall meeting full of state-wide issues. Some of the biggest topics included deteriorating roadways, lease integration in the oil and gas industry, possible car insurance increases, and the legalization of medical marijuana.	12/14/13
Economy	The United Steelworkers held a Holiday Food and Toy Distribution in Clarington today for laid off Ormet workers and their families. There were bags of groceries, tables loaded with toys and treats, and Santa was on hand for the children to talk to.	12/16/13
Healthcare	A report by two health advocacy groups states WV is lagging in its approach to handling infectious disease threats. The report released by Trust for American's Health and the Robert Wood Johnson Foundation says West Virginia met only four of ten indicators of preparedness.	12/17/13
Crime	Wheeling Police are looking for the suspect of an armed robbery that happened last night. Police say it happened around 8pm at the Gumby's on River Road and the suspect got away with a large amount of cash.	12/18/13
Political/Crime	In Jefferson County today, United States Congressman Bill Johnson met with key stake holders in Steubenville to follow up on the violence and drug problems that have plagued the city. Since their last meeting in August, Representative Johnson says they're making progress and that progress begins with developing trust between residents and the various agencies.	12/19/13
Crime	The sentencing for the owner of Bob's Cheap Smokes in Bridgeport has been continued to next month. Robert K. Grimmatt is facing 18 months in jail for selling synthetic marijuana.	12/23/13
Economy	Areas of the city of Wellsburg could be getting a facelift if a grant that they applied for is accepted. Today Brooke County commissioners announced their support for Wellsburg's application to receive US EPA Community Wide Hazardous Assessment Grant, which means money will go to cleaning up areas of the city that could use some touching up.	12/24/13
Political/Health	They were introduced as a safe alternative to tobacco cigarettes but now electronic cigarettes are coming under fire from the US Government. A group of Senate Democrats including Sherrod Brown from Ohio called for a federal probe into the marketing tactics being used to sell e-cigarettes.	12/25/13
