Dear Mr. Wheeler:

We have completed our review of the response of Mel Wheeler, Inc. ("Mel"), licensee of the above-noted stations, to the June 26, 2013 random audit letter sent to it in accordance with the provisions of Section 73.2080(f)(4) of the Commission's Equal Employment Opportunity (EEO) rules. As a result of our review, we find no further action is required. In accordance with Section 73.3527(e)(10), if commercial, or Section 73.3527(e)(11), if non-commercial, of the Commission's rules, Mel must place copies of this letter, our June 26 audit letter, and its audit response in its stations' public inspection files. It must maintain these materials in the files until grant, by final order, of the next renewal application of its license for the station to which the file relates.

Should you have any questions regarding this matter, please contact the EEO Staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,

Lewis C. Pulley
