

WAPW-CD
Class A Programming Quarterly
Certification

WAPW-CD hereby certifies that the station has met the FCC's eligibility and service requirements for Class A television status (except as noted below) under Section 73.6001 of the rules of the Federal Communications Commission during the 1st quarter of 2020. The station broadcast at least 18 hours a day and broadcast the following three hours of locally produced programming: What Does The Bible Plainly Say (1/2 hr.), Harvest Time with Rick Quillen (1 hour), A Closer Look (1/2 hr.), Direction Northeast (1/2 hr.), and Diane & Mildred's Gospel Music Arts (1/2 hr.). During the weeks of January 5 through March 20, 2020, we aired only 2.5 of the 3 hours due to an oversight of our late Program Director, Fred Falin. Mr. Falin had been ill during First Quarter 2020 and passed away on March 10, 2020. He had failed to notice our network COZI TV had moved its Children's (E/I) programming up ½ hour preempting a ½ hour of our locally produced show "Direction Northeast" for 12 weeks during the First Quarter 2020. After Fred's death, I discovered this issue and corrected it putting us back in compliance as of March 29, 2020, airing the complete 3 hours weekly of locally produced programming. I will now monitor it weekly to assure we stay compliant.

I hereby declare under penalty of perjury, that the foregoing is true and correct. Executed this 6th day of April 2020.
