This is State Representative Barry Fleming asking you to vote Republican today.

Our Conservative nominee for Governor, Brian Kemp, will cut your taxes and keep Georgia #1 for business. That means jobs for Georgians - not government handouts.

His Democrat opponent on the other hand, has already tried to raise our taxes and confiscate firearms from law-abiding Georgians.

She even said it's time to sandblast Stone Mountain.

We don't need her destructive politics. We need a positive leader like Brian Kemp who supports President Trump and will keep Georgia great.

This is State Representative Barry Fleming asking you to cast an early ballot for Republican Candidates, and make sure your family, co-workers & neighbors do too.

Our freedoms depend on your vote now.

Paid for by People for Barry Fleming.
