Certification of Continuing Eligibility for Class A Status

In accordance with FCC Rules 73.3526(e)(17) and 73.6001(b), I hereby certify that for the period from April 01, 2022 – June 30, 2022, Class A TV Station WGSC-CD is on the air 24 hours per day. I further certify that the station aired at least an average of three hours per week of locally-produced programming, consisting of the following programs:

WGSC-CD is hyper-local. On average, less than 5% of our content comes from outside sources. Beach TV of South Carolina locally produces virtually 95% of its editorial and commercial content, therefore a complete list of locally produced content in any Quarter would require many, many pages. Our ever-changing hourly current Local News program, alone, satisfies the three hour per week local content requirement.

Program Title	Days of the Week	Time of Day	Duration
Local News	Daily x 24	Top of the hour	10:00

Placed in the station's public file and certified by me this 8th day of July, 2022.
