iHeartRadio Communities: Public Affairs Special **03/147:00-730AM 30 minutes**

Guests & Topics: **Lucy McBride MD, practicing internist, COVID-19 health-care educator and mental health advocate.** McBride talk about FONO, or a Fear Of Normal. Month after month, we have been yearning to be done with enforced distancing, social isolation and life in a more virtual reality. Now that the moment will be arriving - as millions of Americans have been vaccinated and millions more will soon roll up their sleeves for it — the prospect is oddly disconcerting. McBride discussed FONO and reentry into a normal life following over a year of quarantine. **Dr. Sally Zol, CEO of United Through Reading.** Zol talked about how United Through Reading has been connecting military families through video-recorded story time for more than 30 years, making sure parents don't miss reading bedtime stories just because their military service takes them away from home. In 2019, they released a reading app, putting Story Stations in the hand of every military family with a mobile device. They also offer free books to families that use our program, helping military

families maintain strong literacy supports for their children. Zol discussed the importance of UTR and how families can get involved.

iHeartRadio Communities: Public Affairs Special **03/217:00-730AM 30 minutes**
 Guests & Topics: **Dr. LaShawn McIver is Director of the Office of Minority Health for the Centers for Medicare and Medicaid Services.** McIver discussed COVID-19 as it pertains to Medicaid and Medicare and vaccine safety for diverse populations. She talked about the vaccine timeline and how the FDA is monitoring the long-term safety of these vaccines and what we know about long-term side effects of COVID-19 vaccines. **Mayim Bialik is an American actress, neuroscientist, and author.** She played the title character of the NBC sitcom Blossom. With Brain Health Awareness Week (March 15-21) this week, Bialik talked about the importance of brain health (we all think to take care of our skin or our heart or even our hair but often don't even think about our brains) and her holistic approach to staying sharp with a busy lifestyle and throughout a pandemic and beyond.

iHeartRadio Communities: Public Affairs Special **03/287:00-730AM 30 minutes**
 Guests & Topics: **Barney Graham, M.D., Ph.D. Dr. Graham is chief of the Viral Pathogenesis Laboratory at NIAID's Vaccine Research Center.** Graham has led a team that has been studying coronaviruses (among other viruses) for years before SARS-CoV-2 was first identified as a novel coronavirus. The mRNA-1273 vaccine (and pivotal technology used in other COVID-19 vaccines) was not made overnight. Graham addressed why the speed with which these vaccines were developed can make people feel hesitant to get vaccinated and talked about the well-thought-out process of vaccine development. Graham also talked about the differences in the three vaccines and the new COVID-19 variants that are emerging throughout the world. He also talked about treatments on the horizon. **Joi Gordon is the CEO of Dress for Success Worldwide.** She discussed Women's History Month and how Dress for Success has become a globally recognized leader that has empowered more than one million women to become economically advanced in nearly 150 cities in more than 20 countries. In addition to expanding the organization's reach, Joi talked about Dress for Success programming, offering a full continuum of services that help women secure employment, advance in their careers, and achieve financial freedom.
