<p>The Arts of the Matter</p>	<p>Augusta In Review Our Voices</p>	<p>The Arts of the Matter- Christi Jillson the Executive Director (she will bring in people from the art community every month) - Our guest was Barbara Lynne Feldman, Executive Director- This month we talked with StoryLand Theater- Storyland Theatre, Inc., an Augusta nonprofit corporation, has performed for over 630,000 students, teachers, chaperones and families from all over the CSRA since 1988. Our main purpose is to present live quality theatrical productions, performed by adults, for children and families. We dramatize excellent, locally written, original plays and musicals, based on fairytale themes, while incorporating imaginative sets, costumes, lighting, and special effects, to expose the children to the finest theatre available in the CSRA. We know that many students who attend our performances would never see a live play if they did not attend with their schools. We believe that introducing Storyland Theatre performances to a child will teach a love of the theatre, and will encourage attendance at all</p>	<p>Barbara Lynne Feldman, Executive Director</p>	<p>Jan 28-29, 2017</p>	<p>30 min</p>
