

**Donor Lists for**  
**WAIC, Springfield, Massachusetts**  
**January 2017**

This section includes donor lists for programs broadcast on WAIC that were produced and distributed nationally. A list of local donors is not required because the underwriters who support WAIC do not cover the entire cost of specific programs and do not retain editorial control or influence over specific programs. *See WSKG Public Telecommunications Council, 23 FCC Rcd 1259 (MB 2008); see also 47 C.F.R. 73.3527(e)(9).*

List of NPR Funders for Inclusion in Station Public Files

In a 1999 rulemaking proceeding, the FCC retained the requirement that stations must maintain a list of all program funders, including those underwriting national programs, in their public inspection files for a period of two years from the airing date of the underwritten program.

A simple list of the funders by name is all that is required.

The following list may be put in your public files as a reference for NPR's national underwriting credits.

\*Programs funded through General Support include the following:
