**EXCLUSIVE: PRESIDENT OBAMA ON "MEET THE PRESS WITH DAVID GREGORY"**

This Sunday: At a critical time for the fiscal cliff negotiations, David Gregory sits down exclusively with President Barack Obama in the final hours before the deadline. Where do things stand and is a compromise even possible? Plus, David will talk to the President about other key issues facing the country as he prepares to begin his second term in office.

This will be his 11th appearance on "Meet the Press" and his second time as the Commander-in-Chief. His most recent appearance was on September 20, 2009, during the health care reform fight.
