Overgrown Vegetation

Posted Date: 10/14/2014

Overgrown Vegetation

October 14, 2014 – Recent rains have created a nuisance in the form of mosquitoes and overgrown vegetation.

Responsible actions by property owners can help keep our City beautiful as well as combat the pesky problem of disease carrying mosquitoes.

Property owners need to cut grass, weeds and other vegetation that is more than twelve inches tall. It is a violation of City ordinance to have vegetation more than twelve inches tall. To avoid citations, punishable up to \$500, property owners must maintain their property.

Cutting down tall vegetation will also reduce the number of mosquitoes since adult mosquitoes prefer to rest on weeds and other vegetation.

Gas Line Break Near Odessa High School

October 22, 2014 – Odessa Fire Rescue and Atmos Energy are on scene of gas line break near the intersection of 11th and Dotsy.

Atmos has advised it could be four to six hours before the line break is repaired. While crews work to repair the break vehicles cannot be removed from the area (Golder to Graham and Tenth to Twelfth Streets). Once the repair is complete the area will be reopened.

Emergency Personnel were notified at 10:37 a.m. of the break that occurred as a result of a contractor working in the area. Odessa Fire Rescue evacuated students, faculty and staff from the school. Five people were transported.

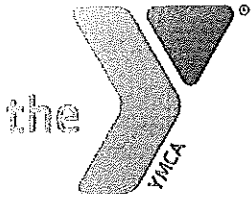

For more information please contact Andrea Goodson, Public Information Coordinator, at 432.238.6097 or Brandi Price, Public Affairs Manager with Atmos, at 432.230.3273.

City Offices Closed for Thanksgiving

Posted Date: 11/24/2014

City Offices Closed

November 24, 2014 – City of Odessa offices will be closed Thursday, November 27 and Friday, November 28 in observance of Thanksgiving. There will not be trash pickup service on those days. Residents with roll out cart service can expect pick up only on Monday and Tuesday.

To avoid an overflowing accumulation of trash and debris in dumpsters, citizens are encouraged to recycle items at the Odessa Recycle Center, 816 West 42nd Street, and the Household Hazardous Waste Facility, 814 West 42nd Street. [Click here for complete recycling information.](#)

Trash, debris and bulky items piled next to the alley dumpsters is illegal and prevents the Solid Waste trucks from being able to pick up the containers when service resumes.

During the holiday period City trash receptacles should be reserved for perishable items only.
