1	8/15/2018	Provision of training to management	The station's parent company, Quincy Media, Inc., has made available (on a mandatory basis) to the station a series of workplace training courses (video modules) created by Kantola Training Solutions. These modules are intended to educate employees and managers about non-discrimination, harassment, and other workplace-related issues. All personnel at the station are required to participate and complete Kantola modules on a regular basis. Each module is followed by a quiz, which must be completed. Certificates of completion are maintained in personnel files of managers and non-managers alike. During the month of August all managers at the station were required to participate in a session entitled "Harassment and Diversity-Manager Version." In addition, all employees were required to participate in a session entitled "Harassment: Sex, Religion and Beyond-Employee Version." These courses require each employee to individually view an online presentation lasting approximately 20 minutes, followed by a 10 question quiz. The modules provide a different viewpoint depending on whether the individual is a manager or non-manager; in that way both managers and non-managers are provided with training appropriate to their relative position.	90	All staff All staff

2	10/4/2018	Participation in Job Fairs	Roger Staffaroni represented WXOW News19 at a large career fair held at the La Crosse Center. The annual event is co-sponsored by Western Technical college and the Chamber of Commerce. Roger was at the event for the entire day. Over the course of the day Roger ran 8 separate sessions. The attendees were juniors in high school. Each session had an average of 8 to 10 students. The open forum allowed Roger to explain to students a typical day in the life of a reporter at News19. He explained the skills needed, skills taught, and the incredible experience of being a broadcast journalist. The most asked questions generated among the students included: What kind of degree do I need/what kind of classes should I take?, What are the hours like?, Will I work weekends?, What's the best part of being a journalist?, What other jobs are there in broadcasting?, and What does it pay? Roger says it was overall, a very positive experience, the 25-minute sessions allowed for a great exchange of information/taking questions and the students were enthusiastic about what he had to say.	1	Assignment Editor
3	10/6/2018	Participation in events or programs sponsored by educational institutions	On 10/06/18, Dave Solie, traveled to the University of Iowa to attend the University's Speed Networking event. It's a two hour process with a couple of goals. First, it's designed to help primarily juniors and seniors to hone their interview skills. Second, it's an opportunity for them to find internships and employment. It's become an opportunity to find new grads interested in broadcast journalism. On this trip, Dave met three students from whom we're expecting internship applications.	1	Content Manager
