## PRE-FILING ANNOUNCEMENT

[To be broadcast on the first (1st) and sixteenth (16th)  
of the two (2) months immediately prior to filing renewal application.]

On September 13, 2011, Station WCOV-TV was granted a license by the Federal Communications Commission to serve the public interest as a public trustee until April 1, 2013.

Our license will expire on April 1, 2013. We must file an application for renewal with the FCC by December 1, 2012. When filed, copies of the application will be available for public inspection during our regular business hours. The application will contain information concerning the station's performance during the last eight years.

Individuals who wish to advise the FCC of facts relating to the renewal application and as to whether the station has operated in the public interest should file comments and petitions with the FCC by March 1, 2013.

Further information concerning the FCC's broadcast license renewal process is available at [*location of station public inspection file*] or may be obtained from the FCC, Washington, D.C., 20554.
