Re: EEO Audit of Station WEWS-TV

Dear Ms. Goldin:

Scripps Broadcasting Holdings LLC (“Scripps”), licensee of television station WEWS-TV, Cleveland, Ohio (Facility ID No. 59441) (the “Station”), through counsel, hereby responds to your EEO Audit letter dated October 30, 2023. WEWS-TV’s most recent license renewal application was granted September 8, 2021 and accordingly, Scripps’s responses relate only to the Station’s current license term, unless otherwise indicated below.

WEWS-TV’s station employment unit employs more than five full-time employees, and as a result responds to each of the numbered paragraphs of Section (b) of the October 30 letter. A declaration by the Vice President and General Manager of the Station that this response is accurate and complete is attached to this letter as Exhibit 1. Certain confidential information has been redacted from the materials submitted with this response.

(i) Copies of the Unit’s two most recent EEO Public File Reports, described in section 73.2080(c)(6).

Copies of the Unit's two most recent EEO public file reports are attached as Exhibit 2.

(ii) For each station in the Unit that maintains a website, the website address. If the Unit’s most recent EEO Public File Report is not posted on each website as required by section 73.2080(c)(6), identify that website and explain why the report is not so posted. If the Unit does not maintain a website, but its corporate site contains a link to a site pertaining to the Unit, identify the corporate website address where the Unit’s most recent EEO Public File Report is linked pursuant to section 73.2080(c)(6).

The website for the station employment unit is:
www.news5cleveland.com. **The Unit's most recent EEO public file report is linked to this website.**

(iii) For each of the Unit's full-time positions filled during the period covered by the EEO Public File Reports noted above, or since acquisition of the Unit (if during that period), provide the date of hire as required by section 73.2080(c)(5)(vi) as well as dated copies of all advertisements, bulletins, letters, faxes, e-mails or other communications announcing the position, as described in section 73.2080(c)(5)(iii). However, to reduce the burden of responding to this audit, if you have sent a job notice to multiple sources, you may include in your response: (1) documentation showing one such notice was sent, (2) a list of the additional sources to which the notice was distributed, and (3) a statement confirming notices to all additional sources used to announce the vacancy were retained, as required by section 73.2080(c)(5)(iii). Include, however, copies of all job announcements sent to any organization (identified separately from other sources) that has notified the Unit that it wants to be notified of the Unit's job openings, as described in section 73.2080(c)(1)(ii).

All available documentation related to the vacancy notices sent out in relation to the positions listed on the two most recent EEO Public File Reports is provided in Exhibit 3.

(iv) As required by section 73.2080(c)(5)(v), the total number of interviewees for each vacancy and the referral source for each interviewee for all of the Unit's full-time vacancies filled during the period covered by the above-noted EEO Public File Reports.

This information is included in the attached Exhibit 4. It should be noted that the licensee directs job applicants to apply for positions with its stations via its online recruiting tool at "scripps.com." Thus, while an applicant may have learned of a vacancy from one of the variety of recruitment sources that themselves utilize the Scripps site as a source for posting vacancies or from one of the Unit's other recruitment contacts as described and documented in this report, the "referral source" often appears to be Scripps.com, as indicated in this exhibit.

(v) Dated documentation of the Unit's recruitment initiatives described in section 73.2080(c)(2) during the period covered by the above-noted EEO Public File Reports, such as participation in job fairs, events with educational institutions, and mentoring or training programs for staff. Specify the Unit personnel involved in each recruitment initiative. In addition, provide the Unit's total number of full-time employees and state whether the population of the market in which any of the Unit's stations operates is 250,000 or more. Based upon these two factors and as required by sections 73.2080(c)(2) and (e)(3) of the Commission's rules, state whether the Unit is required to perform two or four points worth of initiative activities within a two-year period (measured from the date the stations in the Unit file their renewal applications and the second, fourth, sixth and eighth anniversaries of that date). If the Unit performed more than the required number of initiative activities, it may provide documentation for only the required amount in its response, i.e., two or four points worth. If any documentation that you

provide appears inadequate, e.g., it is not dated or does not clearly prove the Unit's participation, the Commission may ask you for additional verification.

Documentation for the four initiatives listed below is contained in Exhibit 5. The documents show that, during the reporting period, the Unit:

- **Participation in at least four job fairs by station personnel who have substantial responsibility in the making of hiring decisions. Attached are documents demonstrating the participation by station staff in 1) a December 6, 2021 Ohio Media School Career Fair; 2) a February 28, 2022 virtual job fair, known as JobExpo.Comm 2022, sponsored by Penn State University; 3) an August 2, 2022 Ohio Media School Career Fair; and 4) John Carroll University's February 2, 2023 Career Exploration Fair**
- **Participation in at least four events or programs sponsored by educational institutions relating to career opportunities in broadcasting. Attached are documents demonstrating the participation by station staff in the following events (participating staff noted parenthetically): 1) the July 6-9, 2022 Ohio University E.W. Scripps School of Journalism Annual High School Journalism Workshop (Digital Director Joe Donatelli); 2) the November 2, 2022 Mayfield High School Career Day (Digital Director Joe Donatelli); 3) a February 16-18, 2022 University of Florida Telecom Advisory Council career event (Vice President and General Manager Steve Weinstein); 4) a station visit on May 6, 2023 by ten local high school students participating in the "Growing Leaders" program (various station staff).**
- **Participation in scholarship programs designed to assist students interested in pursuing a career in broadcasting. The Station established the JoAnne Robinson Memorial Scholarship with the assistance from the Scripps Howard Foundation in April 1999 to assist students who are interested in pursuing a career in broadcasting. The scholarship is open to African American students nationwide. The JoAnne Robinson Memorial Scholarship was awarded in 2023 to a female recipient at Oakwood University in Huntsville, AL; and**
- **Establishment of an internship program designed to assist members of the community to acquire skills needed for broadcast employment. As reflected in the Station's 2023 EEO Public File Report, WEWS hosted two news summer interns in 2022.**

Attached is documentation confirming the employment of those interns.

As reflect in the Unit's annual Public File Reports, station personnel participated in many more events than are reflected in the attached documentation.

As of December 11, 2023, the total number of full-time employees of the Employment Unit is 121, and the population of the Station's market is over 250,000, so it is required to perform four initiatives within a two-year period.

(vi) Any pending or resolved complaints involving the Unit filed during the Unit's current license term(s) before any body having competent jurisdiction under federal, state, territorial or local law, alleging unlawful discrimination in the employment practices of the Unit on the basis of race, color, religion, national origin, or sex. For each such complaint, provide: (1) a brief description of the allegations and issues involved; (2) the names of the complainant and other persons involved; (3) the date the complaint was filed; (4) the court or agency before which it is pending or by which it was resolved; (5) the file or case number; and (6) the disposition and date thereof or current status. Note that you must report all complaints, regardless of their status or disposition.

Two reportable discrimination complaints were filed during the period covered by this response: 1) In June 2022, former employee Cynthia Edwards filed a charge with the EEOC (EEOC Charge No. 532-2022-02013) alleging, *inter alia*, discrimination on the basis of religion arising from Ms. Edwards' termination for refusal to comply with Scripps's vaccination policy. Scripps denied the charges, and the EEOC issued a Determination and Notice of Rights on March 8, 2023. Ms. Edwards filed suit in the U.S. District Court for the Northern District of Ohio (Case No. 1:23-cv-01133) on June 13, 2023. Scripps has denied the claims in plaintiff's complaint and the case remains pending. 2) On November 14, 2023, former employee Courtney Gousman filed a charge with the EEOC (EEOC Charge No. 9BAC311C) alleging discrimination on the basis of race and sex. Scripps's response to the complaint is not yet due.

(vii) In accordance with section 73.2080(b), during the Unit's current license term(s) (or since acquisition of the Unit (if during that period)), describe the responsibilities of each level of Unit management responsible for implementing Unit EEO policies and describe how the Unit has informed employees and job applicants of its EEO policies and program

The Station's Human Resources Business Partner and its General Manager are responsible for implementing the Unit's EEO program. In addition, it is also the responsibility of all employees who make decisions

with respect to the recruitment, evaluation, selection, promotion, compensation, training and termination of employees to ensure that the licensee's EEO policy and program are adhered to and that no person is discriminated against in employment because of race, color, religion, national origin or sex. Employment issues and EEO policies are discussed at management meetings, and managers' performance reviews are based in part upon their ensuring that all personnel actions are consistent with licensee's EEO policy.

The Unit's efforts to ensure that all members of the staff are cognizant of the equal employment opportunity policy and their individual responsibilities in carrying out this policy include:

- The licensee's employment applications offer advice to prospective employees that discrimination because of race, color, religion, national origin or sex is prohibited and that they may notify appropriate local, state or, federal agencies if they believe that they have been the victims of discrimination;**
- Appropriate notices are posted reminding employees that the licensee is an equal opportunity employer, describing licensee's EEO policies, stating licensee's commitment to non-discrimination and equal employment opportunity, and describing employees' rights to notify an appropriate local, state or, federal agency if they believe they have been the victims of discrimination;**
- The Unit's web pages and paid announcements for job openings include a statement that the Unit is an Equal Opportunity Employer;**
- Each employee must certify when hired that he or she has received the Scripps employee handbook which emphasizes the company's commitment to EEO compliance and encourages employees to bring questions or concerns about discrimination to the attention of appropriate management personnel; and**
- The licensee uses a third-party vendor, EthicsPoint, to allow employees to raise employment discrimination or harassment complaints anonymously.**

(viii) In accordance with section 73.2080(c)(3), during the Unit's current license term(s) (or since acquisition of the Unit (if during that period)), describe the Unit's efforts to analyze its EEO recruitment program to ensure that it is effective and to address any problems found as a result of such analysis.

The Unit works with its corporate recruitment arm to ensure that notices of vacancies are widely disseminated. Recruitment and hiring decisions are addressed in regular Unit management meetings where it is emphasized that managers should take into account the value of having diverse voices at the Unit that are representative of its local community. Unit diversity metrics are tracked monthly by the Station's Human Resources Business Partner, and reported each month to the General Manager, as well as the Station's Leadership Team and parent company leadership. The Station's designated Human Resources Business Partner is responsible for ensuring broad local recruitment and reviews each hiring decision to ensure that the hiring process complied with the licensee's EEO procedures.

(ix) As required by section 73.2080(c)(4), during the Unit's current license term(s) (or since acquisition of the Unit (if during that period)), describe the Unit's efforts to analyze periodically its measures taken to examine pay, benefits, seniority practices, promotions, and selection techniques and tests to ensure that they provide equal opportunity and do not have a discriminatory effect. If the Unit has one or more union agreements, describe how the Unit cooperates with each union to ensure EEO policies are followed for the Unit's union-member employees and job applicants.

The Station's General Manager, Human Resources Business Partner and individual department managers regularly review employee pay and benefits and the Unit's promotion practices with the goal of avoiding unlawful discrimination. In periodic meetings with the Station's managers, and with its parent company's officers, the General Manager and Human Resources Business Partner discuss Unit employment practices, including EEO compliance issues and the applicability of EEO policies to the performance, compensation and benefits decisions that affect the company's employees, both individually and collectively. The Station is party to a number of Association Agreements. The Station's EEO policies and the goal of avoiding unlawful discrimination, is practiced across the entire Station Employment Unit, including in relation to employees who fall under those Association Agreements.

(x) If your entity is a religious broadcaster and any of the Unit's full-time employees are subject to a religious qualification as described in section 73.2080(a) of the rules, the Unit should indicate that status in its response and provide data as applicable to its EEO program. For example, for those full-time hires subject to a religious qualification, you must provide only a

record of the hire listed by job title and date filled, the recruitment sources used for the opening, and the source that referred the person hired. No other records are required for those hires. If five or more full-time positions are not subject to a religious qualification, the licensee must maintain and provide all records for such hires and complete the initiatives required under section 73.2080(c)(2). Otherwise, a religious broadcaster is not required to perform these initiatives.

The licensee is not a religious broadcaster.

Please contact the undersigned if you have any questions or require additional information.

[EXTERNAL SENDER]

Dear JobExpo.Comm 2022 Recruiters:

We'd like to take a moment to thank you for joining us today for our 23rd annual JobExpo.Comm 2022 Internship/Career Fair.

As you know, an event of this size simply doesn't happen without the support of a great team but also you, our recruiters. Your commitment to our college, our program, and of course, our students means so much and we are truly grateful for the relationships we have developed with each and every one of you.

At this time, we hope you will take a minute or two to give us your thoughts on the entire event. We'd like to know what you liked and perhaps how we can improve our virtual recruiting event in the future by taking the survey below. Please share the survey with any of your other colleagues who participated today. Should you have any comments you would personally like to share, please do not hesitate to call me directly at 814-863-4674.

We hope you made many positive connections throughout the afternoon with some of the Bellisario College's finest students. We also hope that you will continue to engage our students on the internships and full-time opportunities you have moving forward. And, of course, we would love to hear if you hire any Nittany Lions for the positions you recruited for today.

Once again, thank you for being a part of our (virtual) JobExpo.Comm 2022 Internship/Career Fair and making it an outstanding success!

Best regards,

Hi Moreen,

Thank you for sharing your time with us at the Career Fair. I enjoy your energy and appreciate your commitment to our graduates. It was a pleasure to meet Melissa, as well. I am sorry that I did not get her email. Perhaps you can forward that to me.

I would love your feedback on any standout graduates and opportunities for us to coach up.

I look forward to hearing from you!

Best,

Subject: REVISED: UFTAC schedule this week

Changes highlighted below.

WHAT YOU NEED TO KNOW ABOUT THIS VISIT

- **We have 3 Q&A sessions scheduled** (a couple like Rapid Fire) – they are Wednesday 6:30pm, Thursday 3:30pm, Thursday 4:30pm. The Thursday 3:30pm session we've branded as "Coffee with the Council" – and it's marketed as a "drop-in for one-on-one, in person advice or resume help." The feedback I received: Students really need help with resume review and networking advice. There's also Zoom fatigue. Wednesday 6:30pm and Thursday 4:30pm are panel format like Rapid Fire. I realize I put "all council members" next to these sessions and that can be overwhelming – if the news folks want to go to INC during that time, or visit with faculty – you're welcome to do so. Trying something new here – we'll see how many students show up and go with the flow. Thanks in advance for your patience on this.
- **Classes** – if your name isn't next to a class but you'd like to attend .. you can! We've never had issues with this. Don't look at the schedule and think you're not scheduled for much .. remember, we have 3 Q&A sessions and from what I'm told, students could use one-on-one time. There's time in this schedule to allow for that.
- **Business meeting** – scheduled for Thursday over lunch. I'm working on agenda.
- **Guest** – Steve Weinstein is joining us in person! Steve was our guest last session and his contributions were excellent. He's the Vice President and General Manager of WEWS in Cleveland.
- **Thursday morning** – I'm aware 2 of the morning classes overlap Ryan Vasquez's department update .. I apologize for that. The good news – everyone will be available for the 10:30am update from Dean Hub Brown.

WEDNESDAY, FEBRUARY 16

- **2:45-3:50pm – Management and Strategy** – Amy Jo Coffey (Weimer G030) – VIA ZOOM: Weinstein, Robertz-Schwartz, Bell ((working to get Zoom link))
- **6:30-7:30pm – Q&A and resume/job/networking advice** (Weimer 3032) – all council members available

THURSDAY, FEBRUARY 17

- **9:35-10:25am – Intro to Media & Communications ((aka Intro To Weimer))** – Allicia Bolen (Weimer 1082) – Readout, Robertz-Schwartz, Doerr, Waxler
 - Topics: Speaking about the industry, career search experience post-graduation, advice for experiences to pursue during college
 - Approx 28 students
- **9:35-10:10am – Intro to Media & Communications ((aka Intro To Weimer))** – Geoff Thompson (Norman Hall 1020) – Marsh, Weinstein, Avila, Gomes, Webber ((PLEASE NOTE: Norman Hall is not close to Weimer so allow enough time. Hard out at 10:10am so you can make it to Weimer for Dean Brown's 10:30am update.))
 - Approx 200 students – primarily freshmen and sophomores
- **10:30am-12pm – Department updates** (Weimer 3032) – all council members
 - 10:30am – Dean Hub Brown
 - 11am – Julie Frey / Office of Careers and Corporate Partnerships
 - 11:30am – Ryan Vasquez / Interim Innovation News Center Director
- **12:00-1:30pm – Council business meeting over lunch** – all council members – working on making this available via Zoom for members who can't attend in

person

- **1:45-2:15pm – One-on-one with WUFT anchor Gabriella Mercurio in INC – Doerr ((Gabriella will reach out to you))**
- **1:55-2:45pm – Writing for Electronic Media - Andrew Selepak (Rinker Hall 0110 – this is basically across from Turlington) – Webber, Avila, Waxler, Gomes**
 - What students are interested in: Some want to make movies/TV shows, some interested in sports, the rest interested in social media. No news students.
- **3:30-4:30pm – Coffee with the Council (Weimer 3032 – this is drop in, good for one-on-one advice) – all council members available**
- **4:30-5:30pm – Q&A and resume/job/networking advice (Weimer 3032) – all council members available**
- **7pm (ish) – Dinner -- our social chair, Dawn Rodriguez, is efforting reservation at Spurrier's Gridiron Grille – located in Celebration Pointe at 4860 Steve Spurrier Way. Here's the menu if you'd like a preview: <https://spurriers.com/> [spurriers.com]**

FRIDAY, FEBRUARY 18

- **9:35-10:15am – Electronic Field Producing 2 / Documentary Prep Skills – Houston Wells (Weimer G215) – Aragon, Gomes ((removed Sieron))**

- **10:40-11:30am – Adv Writing – Genevieve Murphy (Weimer 2050) – Doerr, Robertz-Schwartz, Marsh ((removed Avila))**

Hi Aesha and Moreen,

Ten high students ("Growing Leaders") came to visit News 5 on Saturday May 6th. The students got a behind the scenes look at the studio, control room and spoke to various WEWS staff.

Meredith Kieger, Danita Harris, Remi, Murrey, Camryn Justice, AJ Smith, Tara Morgan, Mike Holden and former WEWSer Helen Maynard were on a panel and spoke to the students about positions within the station.

The girls had a blast!
