The challenges of divorce and blended families can cause children to have feelings they don't have words for and feel disconnected from their parents. Conversation and empathy can help children feel closer and not alone, supported not isolated, loved not forgotten.
FAMILY & CHILDREN	Family Life Blended	Nov 4	6:24 a 4:24 p	60 sec	FM	Ron Deal – Stepfamilies and Adoption. Are stepfamilies and adoptive families similar? In some ways they are, adoptive parents and stepparents alike have to bond with kids by developing trust, learning how to read each other, and sharing life together. And all learn that the pain of the past really can't be avoided.
FAMILY LIFE	Family Life Blended	Oct 6	6:24 a 4:24 p	60 sec	FM	Ron Deal – The game "Hide & Seek" was fun as a kid; not so much as an adult. Technology today allows us to run off in an instant and hide from those we love. One spouse disappears into Facebook while the other one checks work e-mail one more time before bed. Friends go to dinner but text other people while they are sitting there. Single parents Facetime a new dating partner while their children wait off camera. Let's get disciplined, folks. Unhook. Detach. Don't play hide and seek. Get found.

FAMILY LIFE	Life Changers	Oct 18	5:30 a	11 min	FM	Angel McDonald – Mother’s Refuge – A ministry that shelters and educates homeless, pregnant, and parenting young women by individual case management providing tools, guidance and material good to break the poverty cycle for them and their offspring.
FAMILY LIFE	Family Life Blended	Oct 21	6:24 a 4:24 p	60 sec	FM	Ron Deal – Don’t Brag Whether it’s an athlete pounding their chest or someone posting about their latest accomplishment, our world seems to love people who call attention to themselves, for some reason our world calls it swagger. The Bible calls it immaturity.
FAMILY LIFE	Real Family Life	Nov 2	5:24 a 3:24 p	90 sec	FM	Dennis Rainey – The Rough Rider – Moms often deserve special awards. Moms often have to stick it out as they stay committed to raising the next generation even when getting banged and bruised emotionally by ungrateful, unloving children but staying in there is well worth the effort.
FAMILY LIFE	Real Family Life	Nov 24	5:24 a 3:24 p	90 sec	FM	Dennis Rainey – Five Kernels – Many Americans don’t know what Thanksgiving is all about. In his family, they start with five kernels of corn on their plate this reminds them of the daily rations that the Pilgrims had during the lean years. As they toss the kernels into a basket they give thanks for something that they are grateful for that has occurred in the last year. This can develop a sense of gratitude.
FAMILY LIFE	Family Life Blended	Nov 26	6:24 a 4:24 p	60 sec	FM	Ron Deal – Thankful for You – Asks the question, “Ever had someone thankful for you?” It makes you feel special, important, valued, and depending on who it is, loved. And what if they thanked God for you? That really feels good because they see in some eternal sense that God has brought a blessing to them through you.
FAMILY LIFE	Family Life Blended	Dec 7	6:24 a 4:24 p	60 sec	FM	Ron Deal – Everyone Needs a Friend – Clarence, the angel from It’s a Wonderful Life, says, “No man is a failure who has friends.” Someone with friends finds it easier not to be a failure. Everyone needs a friend to hang out with and laugh with, sure, but all of us, at one point or another, need support from friends. Life is hard. We pray and seek God’s wisdom and try to rest in his care, but even then, it’s good to have someone standing beside you when life is tough.
FAMILY LIFE	Family Life Blended	Dec 14	6:24 a 4:24 p	60 sec	FM	Ron Deal – Standing Up for Kids – Asks the question, “Are you standing up...for the kids right next to you?” People fly around the world to stand up for children suffering from war or poverty, but we’ll stand back and do nothing when it’s a kid across the street. Rarely will Christians speak up for someone else’s child caught in ongoing battles between their homes. Respectfully, but assertively ask a parent who is badmouthing the other home and putting their child in the middle as a spy to stop. If it’s about a child, it’s not just “their business,” it’s ours.
FAMILY LIFE	Real Family Life	Dec 10	5:24 a 3:24 p	90 sec	FM	Dennis Rainey – A Holiday Budget – Lower Stress this Christmas by setting and keeping a budget. Spending can easily get out of hand; it can start with good intentions but when the credit bills start coming in after the holidays it can bring stress.
FAMILY & MARRIAGE	Real Family Life	Oct 2	5:24 a 3:24 p	90 sec	FM	Dennis Rainey – Sideways Shuffle – A lot of men start well from adolescent to manhood but then shuffle back to acting like a teenager. This can frustrate their wives, anger their kids, cause broken marriages, and homes lacking dads by not staying stepped up to manhood.
FAMILY & MARRIAGE	Family Life Blended	Oct 5	6:24 a 4:24 p	60 sec	FM	Ron Deal – One way to keep the oxygen flowing to your marriage is to steal a kiss. No, you’re not really stealing anything. You’re drawing on the bank account of your affection. But what you are stealing is a moment. A moment out of a hectic day. A moment out from under stress. A moment away from parenting. You see “the kiss” is a much-needed point of connection.

FAMILY & MARRIAGE	Real Family Life	Oct 9	5:24 a 3:24 p	90 sec	FM	Dennis Rainey – I’d Do It Again – Let your spouse know that you care for them by telling them you’d marry them again. This lets them know how much you are committed to them and gives them a great gift.
FAMILY & MARRIAGE	Family Life Blended	Oct 13	6:24 a 4:24 p	60 sec	FM	Ron Deal – Parent Projections. Sometimes you come home from work frustrated and you kick the dog. Other times, we project our feelings onto other relationships. Say a husband feels disrespected by his wife but avoids speaking up for his need but when she speaks to the children in the same way he comes to their rescue. He assumes they feel the same disrespect he does which may or may not be the case. The point is, he’s fighting their battle because it’s really his own. But you can’t improve your relationship that way. Speak directly to your need, don’t be a projector
FAMILY & MARRIAGE	Family Life Blended	Oct 14	6:24 a 4:24 p	60 sec	FM	Ron Deal – Protecting My Honor. We think our reputation equals our honor. Proverbs 20 flips that logic on its head. “It is to one’s honor to avoid strife, but every fool is quick to quarrel.” (NIV) Apparently elevating your self-control is what brings honor, not other people’s opinions. Is that true of you—at work, in social settings, sporting events, at home? Let me put it this way, it’s better for people to call you “Chicken” than for God to call you a “Fool.”
FAMILY & MARRIAGE	Real Family Life	Oct 15	5:24 a 3:24 p	90 sec	FM	Dennis Rainey – Sowing and Reaping – What are you sowing in your mate and marriage? If you sow time, creativity, encouragement, and understanding you’ll enjoy a harvest in your golden years. There are advantages to sowing good things in your marriage both for the golden years and for the present as well.
FAMILY & MARRIAGE	Real Family Life	Oct 26	5:24 a 3:24 p	90 sec	FM	Dennis Rainey – A Rose For Mom – Acts of love and kindness serve a much bigger purpose. They help build self-esteem. Thinking of something someone would enjoy then go ahead and do it. It says I love you and you deserve it.
FAMILY & MARRIAGE	Real Family Life	Nov 12	5:24 a 3:24 p	90 sec	FM	Dennis Rainey – 1000 Pictures – A picture is worth a thousand words. But could it be that words of praise are worth a thousand pictures? Praising your spouse it takes your eyes off of yourself and focuses on someone else. This not only shows value and gives honor but also encourages them to do more for the family.
FAMILY & MARRIAGE	Real Family Life	Dec 2	5:24 a 3:24 p	90 sec	FM	Dennis Rainey – Alcoholic Spouse – If you’re married to someone who abuses alcohol, do you know what to do? There are some things to do first get counseling, be sure you are surrounded by people who are strong and pray for your spouse and yourself. Beauty can be brought from ashes – alcohol doesn’t have to ruin marriages and families.
