1. **Overall Purpose and Term.** In accordance with the terms and subject to the limitations set forth herein: (a) Programmer will provide programming to Owner for the Stations, promote the Stations and their programming and, at Programmer's discretion, sell commercial and other time on the Stations; and (b) Owner will maintain the Stations' transmitting facilities, make such facilities available to the Programmer for the purposes described herein, and utilize its traffic and billing systems to assist Programmer in billing and collecting the payments for time sales on the Stations. Beginning on the Commencement Date, Programmer shall be solely responsible for any expenses incurred in connection with and shall be entitled to all revenue from the sale of advertising or program time on the Stations on or after the Commencement Date. Subject to the terms of this Agreement, each party hereby warrants and covenants that it will fulfill said obligations, and their other obligations specified herein, to the fullest extent permitted or required by law (including the FCC's rules and published policies) in a diligent, reasonable manner. Programmer will begin its local marketing activities with regard to the Stations

m

pursuant to this Agreement at 12:01 AM Central time on November 5, 2019, and such date is referred to in this Agreement as the "Commencement Date." The term of this Agreement will continue for one (1) year from the Commencement Date (the "Initial Term") and may be extended by mutual consent of the Parties for one additional term of one (1) year (the "Extension Term") and collectively, the Initial Term and Extension Term are the "Term", provided that both Parties provide notice of their intent to extend this Agreement sixty (60) days prior to the termination date of the Initial Term, unless earlier terminated by the parties pursuant to the terms herein. The Base Rate for the Monthly Fee shall be increased by five percent (5%) at each renewal.

2. **Stations Facilities.** During the Term, Owner will make the Stations' radio broadcasting transmission facilities available to Programmer for broadcast on the Stations of programs selected by Programmer in accordance with the terms and conditions hereof, and advertising/commercial announcements sold by Programmer, which may originate from the Stations' studios or the Programmer's studios; provided, however, that Owner reserves the right to retain, on one or more of the Stations, two hours per broadcast week during the hours of 7:00 a.m. to noon Sunday for the broadcast of its own regularly-scheduled news, public affairs, and other programming and further provided that Programmer shall deliver programming to the AM radio stations Monday through Friday between the hours of 5:30 a.m. and 10:00 a.m. Central Eastern Time. Owner shall designate the specific time period(s) to be reserved pursuant to the preceding sentence on or before the Commencement Date. Owner may thereafter make a new designation or change such designation only upon no less than fifteen (15) days prior written notice to Programmer. In addition, Owner will make available to Programmer, at no additional cost, during the Term, use (to be shared with Owner's own use for the Stations pursuant to this Agreement) of all of Owner's studio and production facilities and other assets, for Programmer's use in its activities with regard to the Stations pursuant to this Agreement, provided that such use by Programmer shall not interfere with Owner's own use for the Stations pursuant to this Agreement.

3. **Revenue.** Programmer will be entitled to all revenues resulting from the sale of advertising and other time on the Stations during the Term, including, without limitation, all revenue from the sale of advertising and other time during Owner's public service programming or other programming provided by Owner pursuant to Sections 9 and 10. Such revenues shall in no circumstances include rental payments, such as studio rents or tower rents, paid to Owner or parties related to Owner.

4. **Compensation.** As consideration for Owner permitting Programmer to broadcast Programmer's programming on the Stations pursuant to the terms of this Agreement, Programmer will pay to Owner the amounts described on Exhibit A.

5. **Responsibilities.**

(a) **Programmer's Responsibilities.**

(i) Programmer will be responsible for utilizing Owner's employees (to the extent Owner has any employees), under Owner's ultimate supervision to operate and maintain Owner's studio, production and master control facilities and to acquire,

compile, produce, broadcast and sell the Stations' programming and commercial messages.

(ii) In performing its obligations under this Agreement, Programmer will adhere to and fulfill all of the terms, conditions and obligations under all contracts utilized by Owner (as agreed to by Programmer) and listed on Schedule A in the operation of the Stations. Programmer shall not enter into any agreements which cannot be cancelled or terminated upon notice of no more than thirty (30) days and shall not enter into any trade agreements without the prior consent of Owner.

(iii) Any equipment required or expenses incurred to program the Stations by Programmer from Programmer's other locations shall be at Programmer's expense.

(b) **Owner's Responsibilities.** Owner will employ and be responsible for paying the salaries, commissions, payroll taxes, insurance and all other related costs of all employees (to the extent Owner has any employees). Owner will be responsible for all (A) lease obligations in connection with property leased (if any) to Owner, (B) utility bills for utility services at the Stations' main studio/office location(s) and their tower/transmitter sites, (C) telephone system maintenance costs and local exchange and long distance telephone service costs for Owner's telephone system(s) and usage at the Stations' main studio/office location(s) and at the Stations' tower/transmitter sites, (D) costs of engineering and technical personnel necessary to assure compliance with the FCC's rules and published policies and maintenance and repair of the Stations' transmitting and microwave relay facilities, (E) all liabilities and obligations under all contracts to which Owner ~~is~~ a party relating to the business and operations of the Stations and listed on Schedule A, (F) premiums for insurance maintained by Owner, (G) real and personal property taxes, (H) business, license and FCC regulatory fees, and (I) reasonable maintenance and repair costs for the Stations' studio, transmission and production equipment, some of which are subject to reimbursement by Programmer and included in all the Operating Expenses in accordance with the terms set forth on Exhibit A.

(c) **Additional Responsibilities.**

(i) Programmer and Owner will pay their respective expenses owed to third parties with regard to the Stations and in no event will any such payable remain unpaid for more than thirty (30) days after it is due unless such payable is being disputed in good faith.

(ii) Except as otherwise mutually agreed, as between the Owner and the Programmer, Owner ~~is~~ and will continue to be responsible, subject to reimbursement by Programmer in accordance with the terms set forth on Exhibit A, for all its obligations pursuant to any contracts of employment between Owner and the all employees of Owner (to the extent Owner has any employees).

(iii) Owner shall be responsible for and timely pay any fines, forfeitures or other penalties as required by law, rule or regulation, or by order of any government agency or court for the Stations. In the event Owner does not timely make

payment, Programmer in its discretion may pay the fine, forfeiture or other penalties, and deduct such costs and expenses from future payments of the Monthly Fee until Programmer is reimbursed for their costs and expenses in its entirety

(d) **Renewal, Modification and Cancellation of Contracts.** Owner will comply with all reasonable requests of Programmer with respect to the renewal and cancellation of contracts (in accordance with their terms) or the entry into or the modification of contracts which affect the Programmer's local marketing activities with regard to the Stations pursuant to this Agreement. Owner will enter into no new trade agreements during the Term, but Owner may complete the sale of its existing inventory of goods acquired through such trade agreements. Owner shall be responsible for storing and maintaining possession of such goods and of the agreements governing the sale of such goods. Programmers shall honor in accordance with their terms all contracts entered into prior to the Term which provide for spots to be aired during the Term, and all payments for such continuing contracts shall be pro-rated between Owner and Programmer in accordance with the actual dates on which the spots were aired.

6. **Revenues and Deposits.**

(a) **Revenues from Broadcast Time Sales and Uses of the Stations' Studio/Production Facilities during the Term.** Programmer will have the exclusive right to sell, either directly or indirectly through sales representatives, all programs and commercials aired on the Stations during the Term (whether during programming selected by Programmer or programming selected by the Owner), and production fees for uses of the Stations' studio/production facilities during the Term. Programmer shall have access to the Stations' studio/production facilities during the Term.

(b) **Collection of Accounts Receivable.** Programmer shall collect and retain all Accounts Receivable during the Term of this Agreement. Programmers shall be responsible for the payment of all salesperson's, agency, and representative commissions due with respect to the Accounts Receivable and shall defend and hold Owner harmless against any claims for such commissions.

7. **Handling of Stations Communications.** Owner will receive and handle mail, faxes, telephone calls and e-mail from members of the public in connection with the operation of the Stations but shall pass on to Programmer inquiries and other communications concerning Programmer's programming or other activities with regard to any of the Stations.

8. **Owner's Compliance With FCC Rules and Published Policies.** Owner will comply in all material respects with all FCC rules and published policies applicable to the Stations. Without limiting the foregoing sentence, Owner's obligations will include ascertaining the needs and interests of the Stations' service areas, maintaining the Stations' political broadcasting and public inspection files and the Stations' maintenance logs, setting political advertising policies, meeting equal employment opportunity requirements with regard to Owner's employees, preparing the Stations' quarterly issues/programs lists and making all required FCC filings with regard to the Stations.

9. **Programming and the Public Interest.**

(a) **Programming.** The programming selected by Programmer will consist of such materials as are determined by Programmer to be appropriate and/or in the public interest including public affairs programming, public service announcements, entertainment, news, weather reports, sports, promotional material, commercial material and advertising as described on Exhibit B. Programmer may at its option use Owner's traffic system and music automation system.

(b) **Cooperation.** During the Term, Programmer's management personnel will confer at least monthly with Owner's ~~President~~ Managing Member or its management-level employee assigned to the Stations (to the extent Owner has any employees) in order to formalize Owner's oversight over Programmer's activities at the Stations. In the event Owner determine that additional attention should be directed to particular community needs, Programmer will cooperate to assure that the Stations' locally-produced programming serves those needs. Such programs will be aired on the Stations at a mutually agreeable time between 6:00 AM and 12:00 midnight, local time.

(c) **Format.** With Owner's prior consent, which consent shall not be unreasonably withheld, Programmer may change or alter the format of the Stations. Without such prior consent, Programmer may not change or modify the format of any or all of the Stations or change the character of any or all of the Stations' programming.

(d) **Documents.** Programmer will provide Owner promptly with all documents Programmer receives which are required to be placed in the Stations' political or public inspection files. Programmer will provide Owner with information with respect to programs and public service announcements broadcast on the Stations which are responsive to the problems, needs and issues facing the residents of the Stations' service areas, so as to assist Owner in the preparation of required programming reports, and will assist Owner upon request in compiling such other information which is reasonably necessary to enable Owner to prepare other records and reports required by the FCC or other government agencies. Programmer shall furnish to Owner upon request any other information that is reasonably necessary to enable Owner to prepare any records or reports required by the FCC or other governmental entities.

(e) **Control.** Owner will have the full and unrestricted right to reject, delete and not broadcast any material contained in any part of the programming selected and/or scheduled by Programmer which Owner in good faith determines would be contrary to law, the public interest, or the standards set forth on Exhibit C. Owner will retain ultimate control over the Stations' policies and standards and, in that regard, will adopt written standards, generally in accordance with industry standards for a commercial radio broadcast station, in substantially the same form and substance as the attached Exhibit C, for the acceptance of programming material and commercial announcements. Programmer hereby covenants, warrants, and represents that with regard to the Stations it will, at all times during the Term, comply in all material respects with such standards for acceptance of programming material and commercial announcements.

10. **Special Programs.** Owner reserves the right, in good faith, to preempt Programmer's programs for the Stations to broadcast special programs on occasion concerning issues or events of local, regional or national importance in the event that Programmer does not broadcast the same on its own initiative or in the event that Owner reasonably determines in

5
12

good faith that the amount of Programmer's coverage of such issues or events is inadequate; provided that in all such cases Owner will use its best efforts to give Programmer reasonable notice of Owner's intention to preempt programs scheduled by Programmer.

11. **Stations Identification.** Owner will be responsible for the proper broadcast of FCC-required station identification announcements on the Stations. Programmer, while conducting its activities with regard to the Stations pursuant to this Agreement, will broadcast all required station identification announcements in form and content approved by Owner with respect to the Stations in full compliance with FCC rules and published policies.

12. **Stations Facilities.**

(a) **Operation of Stations.** Owner agrees that the Stations will be operated throughout the Term in all material respects in accordance with the authorizations issued by the FCC for the Stations and all applicable FCC rules and published policies. During the Term, Owner will make the Stations available to Programmer for program transmissions, at least at ninety five percent (95%) of the Stations' currently authorized effective radiated power, for the entire time that the Stations is on the air, except for downtime occasioned by required maintenance and other interruptions contemplated by Section 12(b); ~~Section 12(e)~~ and events described in Section 15. Any routine or non-emergency maintenance work affecting operation of the Stations at full power will be scheduled with at least forty-eight (48) hours prior notice to Programmer, and, to the extent possible, will not take place during a rating period; and, to the extent possible, Owner will cause such maintenance work to be performed between the hours of 12:00 AM and 6:00 AM, local time.

(b) **Interruption of Normal Operations.** If the Stations suffers any loss or damage of any nature to its transmission or studio facilities or if the FCC Licenses of any of the stations are forfeited, revoked or cancelled which results in the interruption of service or the inability of the Stations to operate with its maximum authorized facilities, Owner will immediately notify Programmer of such loss or damage, and Owner will undertake such repairs (in consultation with Programmer) as are necessary to restore full-time operation of the Stations with its maximum authorized facilities as expeditiously as reasonably possible following the occurrence of any such loss or damage. If Owner ~~is~~ unable to or do not commence such repairs or seek reinstatement of the FCC License as soon as possible, then Programmer in its discretion may undertake such repairs or reinstatement at its own expense under the supervision of the Owner ~~and deduct such costs and expenses from future payments of the Monthly Fee until Programmer is reimbursed for their costs and expenses in its entirety.~~ If any of the Stations operates with less than its maximum authorized facilities for more than 48 hours, Programmer may terminate this Agreement.

(c) **Studio Location.** Owner will maintain the studio facilities where they are currently located.

13. **Political Advertising.** Owner shall maintain the public inspection file of the Stations pertaining to the broadcast of political programming and advertisements, and to the broadcast of sponsored programming addressing political issues or controversial subjects of public importance. Programmer also shall consult with Owner and adhere to all applicable

statutes and the rules, regulations and written policies of the FCC as announced from time to time, with respect to the carriage of political advertisements and programming (including, without limitation, the rights of candidates and, as appropriate, others to "equal opportunities" and the carriage of contrasting points of view as mandated by any "fairness" rule with respect to such "issue-oriented" advertising or programming as may be broadcast) and the charges permitted therefor. Programmer shall promptly provide to Owner all documentation relating to requests for broadcast or the broadcast of such programming by Programmer on the Stations.

14. **Owner's Responsibility For Compliance with FCC Technical Rules.** Owner's will be responsible for compliance by the Stations with the technical operating and reporting requirements established by the FCC.

15. **Force Majeure.** Each party will carry standard property and casualty insurance for the property and equipment it owns. Owner's policy(ies) for such coverage will have an aggregate policy limit that is not less than the aggregate limit of the policy(ies) normally maintained by Owner for such property and equipment prior to the date hereof. If any failure or impairment of facilities or any delay or interruption in the broadcast of programs, or failure at any time to furnish facilities, in whole or in part, for broadcast, occurs due to causes beyond the control of Owner, then such failure, impairment, delay or interruption, by itself, will not constitute a breach of or an event of default under this Agreement, and Owner will not be liable to Programmer for any such failure, impairment, delay or interruption so long as (if Owner elects to remedy such failure, impairment, delay or interruption) Owner undertakes and continues reasonable efforts to remedy any such failure, impairment, delay or interruption by returning the affected Station(s) to its/their condition prior to such damage. Promptly thereafter, if Owner elects to do so by written notice to Programmer, Owner will obtain any applicable insurance proceeds and apply such proceeds to the cost of remedying such failure, impairment, delay or interruption; provided that, if Owner determines that it will not do so, then Owner will give the Programmer prompt written notice of such determination. If Owner elects not to remedy such failure, impairment, delay or interruption (or if the Owner makes no election prior to the thirtieth (30th) day after such failure, impairment, delay or interruption occurs), then Programmer may (i) elect to obtain such insurance proceeds and effect such remedy by giving Owner written notice to that effect and deduct any costs and expenses for repairs from future payments of the Monthly Fee until Programmer is reimbursed for their costs and expenses in its entirety, or (ii) terminate this Agreement, provided such interruption of service or inability to operate materially and adversely affects the business operations of the Stations as a whole.

16. **Trade Secrets and Proprietary Information.** In the event that: (a) any trade secrets or other proprietary information of Programmer becomes known to Owner in connection with this Agreement, and (b) such trade secrets and/or proprietary information are not otherwise available in the public domain or known publicly, Owner agrees to maintain the confidentiality of such trade secrets and/or proprietary information and not to use or disclose any such trade secrets and/or proprietary information without the prior written consent of Programmer (except as required by law, rule or regulation, or by order of any government agency or court, in which case Owner, prior to disclosure, shall give prompt notice to Programmer so that Programmer may seek a protective order). In the event that: (i) any trade secrets or other proprietary information of Owner becomes known to Programmer in connection with this Agreement, and (ii) such trade secrets and/or proprietary information are not otherwise available in the public

domain or known publicly, Programmer agrees to maintain the confidentiality of such trade secrets and/or proprietary information and not to use or disclose any such trade secrets and/or proprietary information without the prior written consent of Owner (except as required by law, rule or regulation, or by order of any government agency or court, in which case Programmer, prior to disclosure, shall give prompt notice to Owner so that Owner may seek a protective order). The provisions of this Section 16 will survive any termination of this Agreement.

17. **Payola and Conflicts of Interest.** Each of Programmer and Owner agree not to, and to use reasonable efforts to cause its employees who have the ability to cause the broadcast of programs and/or commercial matter on the Stations not to, accept any consideration, compensation or gift or gratuity of any kind whatsoever, regardless of its value or form, including a commission, discount, bonus, material, supplies or other merchandise, services or labor (collectively, "Consideration"), whether or not pursuant to written contracts or agreements between Programmer, Owner and merchants or advertisers, in consideration for the broadcast of any matter on the Stations unless the payor is identified, in the broadcast for which Consideration was provided, as having paid for or furnished such Consideration, in accordance with Sections 317 and 507 of the Communications Act [47 U.S.C. §§ 317 and 508] and the FCC's rules and published policies. Programmer agrees to execute, and to cause each of Programmer's employees to execute, at least once every calendar year, a payola/conflict of interest affidavit in the form of the attached Exhibit D, and Programmer agrees to deliver the originals of all such affidavits to Owner as expeditiously as possible following their execution.

18. **Programmer's Compliance with Law.** Programmer agrees that, throughout the Term, Programmer will comply with all laws, rules, regulations and policies applicable to the functions performed by it in connection with the Stations (collectively, "Applicable Government Regulations"), including meeting equal employment opportunity requirements with respect to Programmer's employees performing duties in connection with the Stations. Programmer knows of no fact or circumstance that would, under the federal antitrust laws, the Communications Act, the FCC's rules and published policies or otherwise, disqualify or preclude Programmer from entering into this Agreement, and Programmer agrees that it will comply with all laws, including but not limited to, federal antitrust laws, the Communications Act and the FCC's rules and published policies, in connection with its operation of the Stations pursuant to this Agreement.

19. **Indemnification.**

(a) **Programmer's Indemnification of Owner.** Programmer will indemnify and hold Owner and Owner's employees, agents, and contractors harmless, including, without limitation, in respect of reasonable attorney's fees, from and against all liability, claims, damages and causes of action ("Losses") arising out of or resulting from acts or omissions of Programmer involving: (i) libel and slander; (ii) infringement of trade marks, service marks, or trade names; (iii) violations of law, rules, or regulations (including the FCC's rules and published policies); (iv) invasion of rights of privacy or infringement of copyrights or other proprietary rights; (v) the broadcast of programming furnished by Programmer; (vi) breaches of this Agreement; or (vii) Programmer's sale of advertising and the operation of Programmer's business relating to the Stations; or the (viii) the Local Marketing Agreement dated September 1, 2018 by and amongst Roy E. Henderson, N Content Marketing, LLC and Programmer. Programmer's obligation to

indemnify and hold Owner and Owner's employees, agents and contractors harmless against the Losses specified above will survive any termination of this Agreement.

(b) **Owner's Indemnification of Programmer.** Owner will indemnify and hold Programmer and Programmer's employees, agents and contractors harmless, including, without limitation, in respect of reasonable attorney's fees, from and against all Losses arising out of or resulting from acts or omissions of the Owner involving: (i) libel and slander; (ii) infringement of trademarks, service marks, or trade names; (iii) violations of law, rules, or regulations (including the FCC's rules and published policies); (iv) invasion of rights of privacy or infringement of copyrights and other proprietary rights; (v) the broadcast of programming furnished by Owner; or (vi) breaches of this Agreement. Owner's obligation to indemnify and hold Programmer and Programmer's employees, agents and contractors harmless against Losses specified above will survive any termination of this Agreement.

(c) **Insurance.** Programmer and Owner each will maintain broadcasters' liability insurance policies covering libel, slander, invasion of privacy and the like, general liability, blanket crime, property damage, business interruption, automobile liability, and workers' compensation insurance in forms and amounts customary in the radio broadcast industry (to the extent commercially reasonable, for example, neither party shall be required to get insurance specifically with respect to property it does not own), and each of the parties hereto will name the other as an additional insured under such policies to the extent that their respective interests may appear and will provide for notice to the other party prior to cancellation thereof. Upon request, each party will provide the other with certificates evidencing such insurance, and will further provide certificates evidencing renewal thereof prior to the expiration of such policies.

20. **Termination.**

(a) **Events of Default.** The following shall, after the expiration of the "applicable cure periods," constitute events of default under the Agreement (each an "Event of Default"):

(i) Programmer's failure to timely pay any consideration provided for in this Agreement;

(ii) Owner's failure to timely pay any consideration provided for in this Agreement; or

(iii) The default by any party hereto in the observance or performance of any material covenant or agreement contained herein in any material respect; provided, however, that any failure of Owner to comply with Applicable Government Regulations shall not be deemed to be a default of a material covenant or agreement by Owner, if Programmer has failed to provide information or cooperation to Owner concerning Programmer's programming on the Stations that would have allowed Owner to avoid such noncompliance, or if any other wrongful act or omission, or any instruction or request to the Stations' personnel, by Programmer is the primary cause of such failure to comply with Applicable Government Regulations.

(b) **Termination Upon Order of Governmental Authority.** A “*Governmental Termination Event*” will occur if any court or federal, state or local government authority (including the FCC) orders or takes any action which becomes effective and which requires the termination or material curtailment of Programmer’s activities with respect to the Stations pursuant to this Agreement; provided that such order or action will no longer constitute a Governmental Termination Event if such action or order is subsequently stayed or ceases to be effective. If any court or federal, state or local government authority announces or takes any other action or proposed action which could result in a Governmental Termination Event, then either Programmer or Owner may seek administrative or judicial relief therefrom (in which event the other of them will cooperate with such effort in any reasonable manner requested) and consult with such agency and its staff concerning such matters and, in the event that this Agreement is not terminated, use their reasonable best efforts and negotiate in good faith a modification to this Agreement which would obviate any such questions as to validity while preserving, to the extent possible, the intent of the parties and the economic and other benefits of this Agreement and the portions thereof the validity of which are called into question. If the FCC initiates any revocation or other proceeding with respect to the authorizations issued to Owner for the operation of the Stations, then Owner and Programmer will each use diligent, reasonable efforts to contest such action and will each be responsible for its own expenses incurred as a consequence of such FCC proceeding. Programmer will cooperate and comply with any reasonable request of Owner to assemble and provide to the FCC information relating to Programmer’s performance under this Agreement. In the event of termination of Programmer’s activities with respect to the Stations pursuant to this Agreement as a result of any Governmental Termination Event, Owner will cooperate reasonably with Programmer to the extent permitted to enable Programmer to fulfill advertising or other programming contracts then outstanding. If a Governmental Termination Event occurs, then the Term will continue until the date upon which the activities of Programmer and Owner ~~is~~ are required to be ceased, as mandated by the agency or authority which brought about such Governmental Termination Event.

(c) **Cure Periods.** An Event of Default under Section 20(a) above shall not be deemed to have occurred until thirty (30) days after the non-defaulting party has provided the defaulting party with written notice specifying the event or events that if not cured would constitute an Event of Default; provided, however, Programmer’s failure to pay any consideration provided for in this Agreement or any amount due under this Agreement shall have a cure period of seven (7) days following the payment due date. Programmer shall pay a penalty of One Thousand and No 00/100 Dollars (\$1,000.00) if Programmer pays any consideration after the cure period. Programmer shall pay a penalty of Twenty Thousand and No 00/100 Dollars \$(20,000.00) if Programmer pays any consideration 30 days after the consideration is due and Owner may terminate this Agreement. The Event of Default which is subject to a cure period hereunder shall not be deemed to have occurred if actions necessary and sufficient to cure are taken during the relevant cure period and continue with reasonable diligence thereafter.

(d) **Right of Termination by Owner or Programmer.** In addition to other remedies available at law or equity, but subject to the requirements and limitations set forth herein, this Agreement may be terminated as set forth below by either Owner or Programmer by written notice to the other upon the occurrence of the following:

(i) this Agreement is declared invalid or illegal in whole or substantial part by an order or decree of an administrative agency or court of competent jurisdiction and such order or decree has become final and no longer subject to further administrative or judicial review;

(ii) an Event of Default by the other party has occurred and the party seeking to terminate is not then in material default or breach hereof;

(iii) the termination of the JSA, provided the party seeking termination is not in material default or breach of the JSA or this Agreement.

(iv) the termination of this Agreement pursuant to Section 20(b) above;

(v) the mutual consent of all parties; or

(vi) there has been a material change in FCC rules, policies, or precedent that would cause this Agreement to be in violation thereof and such change is in effect and not the subject of a timely appeal or further administrative review; provided, however, that in such event the parties shall first negotiate in good faith and attempt to agree on an amendment to this Agreement that will provide the parties with a valid, binding and enforceable agreement that conforms to the new FCC rules, policies or precedent.

(e) **Termination Requirements and Procedures.** Unless otherwise mutually agreed by Programmer and Owner, any termination of this Agreement shall not become effective until thirty (30) days after notice of termination is provided by Programmer or Owner.

(f) **Liabilities Upon Termination.** Upon termination of this Agreement for any reason, Programmer shall be responsible for all liabilities, debts and obligations of Programmer accrued from the purchase of air time and/or transmission services and all Programmer's programming on the Stations, including, without limitation, accounts payable, barter agreements and unaired advertisements, but not for Owner's federal, state, and local tax liabilities associated with Programmer's payments to Owner as provided for herein. With respect to Programmer's obligations to broadcast programming, advertisements and other material over the Stations after termination hereunder, Owner shall air such advertisements and shall be entitled to keep the revenue. Upon termination of this Agreement, the Operating Expenses shall be prorated to the effective termination date of this Agreement. In no event shall Owner be under any obligation to make available to Programmer any broadcast time or broadcast transmission facilities after termination of this Agreement, other than relating to advertisements, and all amounts accrued or payable to Owner up to the effective date of termination which have not been paid shall immediately become due and payable.

~~(g)~~ **Accounts Receivable Upon Termination.** Upon any termination of this Agreement, Programmer shall be responsible for collecting the accounts receivable arising from Programmer's programming of the Stations on or after the Commencement Date and prior to the termination of this Agreement. Accounts receivable collected by either Party for the same advertising client shall be applied first to Programmer's accounts receivable and then afterwards to Owner's

~~(h)~~(g) accounts receivable, unless the advertising client directs otherwise.

(+)(h) **Survival.** Anything to the contrary contained in this Agreement notwithstanding, all obligations under this Agreement accrued or arising prior to or by reason of the termination of this Agreement shall survive such termination and the following provisions shall also survive any such termination.

21. **Authorizations.** Owner owns or holds all material licenses and other permits and authorizations reasonably necessary for the operation of the Stations (including licenses, permits and authorizations issued by the FCC), and Owner will take no action to impair such licenses, permits and authorizations.

22. **Notices.** All notices, demands and requests required or permitted to be given under the provisions of this Agreement will be (a) in writing, (b) delivered to the recipient in person or sent by commercial delivery service or registered or certified mail, postage prepaid and return receipt requested, (a) deemed to have been given on the date received by the recipient (if delivered in person) on the date set forth in the records of the delivery service (if delivered by commercial delivery service) or on the date of receipt (if delivered by certified mail) and (d) addressed as follows:

Programming Standards

Programmer agrees to cooperate with Owner in the broadcasting of programs of the highest possible standard of excellence and for this purpose to observe the following regulations in the preparation, writing and broadcasting of its programs:

I. Religious Programming. The subject of religion and references to particular faiths, tenets, and customs shall be treated with respect at all times. Programs shall not be used as a medium for attack on any faith, denomination, or sect or upon any individual or organization. Requests for donations shall not be made if there is any suggestion that such donation will result in miracles, cures or prosperity.

II. Controversial Issues. Any discussion of controversial issues or public importance shall be reasonably balanced with the presentation of contrasting viewpoints in the course of overall programming; no attacks on the honesty, integrity, or like personal qualities of any person or group of persons shall be made during the discussion of controversial issues of public importance; and during the course of political campaigns, programs are not to be used as a forum for editorializing about individual candidates. If such events occur, Owner may require that responsive programming be aired.

III. No Plugola or Payola. The mention of any business activity or "plug" for any commercial, professional, or other related endeavor, except where contained in an actual commercial message of a sponsor, is prohibited. Neither Programmer, its principals, or its employees shall receive any consideration in money, goods, services, or otherwise, directly or indirectly (including to relatives) from any person or company for the presentation of any programming over any or all Station(s) without broadcasting sponsorship identification.

IV. No Lotteries. Announcements giving any information about lotteries or games prohibited by federal or state law or regulation are prohibited.

V. Election Procedures. At least ninety (90) days before the start of any primary or regular election campaign, Programmer will clear with Owner the rate Programmer will charge for the time to be sold to candidates for public office and/or their supporters to make certain that the rate charged conforms to all applicable laws and the policy of the Stations.

VI. Required Announcements. Programmer shall broadcast (a) an announcement in a form satisfactory to Owner at the beginning of each hour to identify the Stations, (b) an announcement at the beginning and end of each broadcast day (or, if the Stations broadcasts 24 hours per day, once in the morning and once at night) to indicate that program time has been purchased by Programmer, and (c) any other announcement that may be required by law, regulation, or the policy of the Stations.

VII. Credit Terms Advertising. Pursuant to rules of the Federal Trade Commission, any advertising of credit terms shall be made over the Stations in accordance with all applicable federal and state laws, including Regulations Z and M.

VIII. Commercial Record Keeping. No commercial messages (“plugs”) or undue references shall be made in programming presented over the Stations to any business venture, profit making activity, or other interest (other than noncommercial announcements for bona fide charities, church activities, or other public service activities) in which Programmer is directly or indirectly interested without the same having been approved in advance by Owner and such broadcast being announced and logged as sponsored.

IX. No Illegal Announcements. No announcements or promotion prohibited by federal or state law or regulation of any lottery or game shall be made over the Stations. Any game, contest, or promotion relating to or to be presented over the Stations must be fully stated and explained in advance to Owner, which reserves the right in its sole discretion to reject any game, contest, or promotion.

X. Owner’s Discretion Paramount. In accordance with Owner’s responsibility under the Communications Act of 1934, as amended, and the rules and published policies of the Federal Communications Commission, Owner reserves the right to reject or terminate any advertising proposed to be presented or being presented over the Stations which is in conflict with the policy of the Stations or which in the reasonable judgment of Owner would not serve the public interest.

XI. Programming in Which Programmer has a Financial Interest. Programmer shall advise the Owner with respect to any programming (including commercial(s)) concerning goods or services in which Programmer has a material financial interest. Any announcements for such goods and services shall clearly identify the Programmer’s financial interest.

XII. Programming Prohibitions. Programmer shall not broadcast any of the following programs or announcements:

- A. *False Claims*. False or unwarranted claims for any product or service.
- B. *Unfair Imitation*. Infringements of another advertiser’s rights through plagiarism or unfair imitation or either program idea or copy, or any other unfair competition.
- C. *Commercial Disparagement*. Any disparagement of competitors or competitive goods.
- D. *Indecency*. Any programs or announcements that are indecent, profane, vulgar, repulsive or offensive, either in theme or treatment or audio or visual content.
- E. *Defamation*. Any programs or announcements that are slanderous, libelous or defamatory in nature, either in theme or treatment or audio or visual content.
- F. *Price Disclosure*. Any price mentions except as permitted by a licensee’s policies current at the time.
- G. *Unauthenticated Testimonials*. Any testimonials which cannot be authenticated.

H. *Descriptions of Bodily Functions.* Any continuity which describes in a repellent manner internal bodily functions or symptomatic results or internal disturbances, and no reference to matters which are not considered acceptable topics in social groups.

I. *Conflict Advertising.* Any advertising matter or announcement which may, in the reasonable opinion of a licensee, be injurious or prejudicial to the interests of the public, the Stations, or honest advertising and reputable business in general.

J. *Fraudulent or Misleading Advertisement.* Any advertisement matter, announcement, or claim which Programmer knows to be fraudulent, misleading, or untrue.

Owner may waive any of the foregoing regulations in specific instances if, in its reasonable opinion, good broadcasting in the public interest will be served thereby.

In any case where questions of policy or interpretation arise, Programmer shall submit the same to Owner for decision before making any commitments in connection therewith.
