ISSUES AND PROGRAMS REPORT

FOR

STATION KUPT-TV and LP TV
Station KMYL

2rd QUARTER, 2012
(April 01 THROUGH June 30)

**ISSUES OF CONCERN TO HOBBS, NM
ADDRESSED IN RESPONSIVE PROGRAMMING IN THE
2rd QUARTER, 2012
(April 01 THROUGH June 30)**

1. Community: Information on various things happenings in and needs of the community.

2. Sports: Sports are an important part of life in West Texas, New Mexico and the surrounding communities. Whether its high school and showing the connection between athletics and academics or professional sports and showing the connection between athletics and real life, it's important to show all parts of sports.

3. Children: Children are an integral part of our world. Raising and protecting our children are an everyday event for parents in today's society.

4. Bible Study: Daily airing of religious programs enables the community to participate in daily studies. This is most beneficial for our elderly community to be able to study without leaving their house.

5. Agriculture- A critical industry on the South Plains. We focus on advancements and issues that affect the viability of this economic engine

ISSUE: Sports

June 2, 2012 Asco Football classic local All Star Football game benefiting injured area former football players

ISSUE: CHILDREN

Jack Hanna's Animal Adventure Monday – Friday 7:30am

In each episode, Jack Hanna explains about specific animals and their natural habitats. This program presents pro-social values with an environmentally responsible universe

Animal Atlas Classics Sundays 7am

Animal Atlas Classics is an entertaining show that explores the world of animal wildlife. It answers all of your animal questions, and gives you a better understanding of how different animal species live and what they need to survive. This series deals with different topics like "Animal Appetites", "Animal Antics", "Animal Babies", and also has shows which focus solely on certain animals such as elephants, bears, and monkeys. In these shows we go on a thorough and entertaining exploration of the specific animal that takes you into that animal's world as we see where it lives, how it eats, how it plays, how the family unit operates, and what threatens and supports its survival
