ISSUES OF CONCERN
ADDRESSED IN RESPONSIVE PROGRAMMING IN THE
2ND QUARTER 2013
(APRIL 1 THROUGH JUNE 30)

1. Community: Information on various things happenings in and needs of the community
2. Sports: Sports are an important part of life in West Texas, New Mexico and the surrounding communities. Whether its high school and showing the connection between athletics and academics or professional sports and showing the connection between athletics and real life, it's important to show all parts of sports.
3. Children: Children are an integral part of our world. Raising and protecting our children are an everyday event for parents in today's society.
4. Health: Health care within the community is of great concern. Beginning with education of basic care to the importance of regular check ups and health education and development for children.
5. Government: The relationship between citizens and its government is of utmost importance to the vitality of the community. Information is gathered and reported to the public to raise awareness of the actions of those who are elected to represent our best interests.
6. Education: Identifying educational needs and issues within our society and the possible solutions is an important part of everyone's life.
7. Economy: The local, national and international economy is in a state of flux. We cover the ongoing efforts to improve financial situations and business environments. We also detail innovations and developments in various area industries and business concerns.
8. Bible Study: Daily airing of religious programs enables the community to participate in daily studies. This is most beneficial for our elderly community to be able to study without leaving their house.
9. Agriculture: A critical industry on the South Plains. We focus on advancements and issues that affect the viability of this economic engine.

ARE YOU WASTING AWAY YOUR HARD-EARNED MONEY AND OVERSPENDING?!
US CHICKADEES ALWAYS JOKE ABOUT IT.
RETAIL THERAPY!!
BUT HERE IS WHEN ALL OF US TEND TO THROW AWAY MORE OF OUR MOOLAH IN TO THE PROVERBIAL CRAPPER.... AND HOW TO FIX IT.
WE TEND TO SPEND MORE FREELY WHEN WE'RE SINGLE.
BUT HERE'S HOW TO FIX THAT PROBLEM.
YOU ALSO TEND TO SPEND TOO MUCH IF YOU'RE GOING ON VACAY.
THIS IS A DOUBLE WHAMMY.
TO KEEP YOURSELF FROM DOING THAT... CREATE A VACATION SAVINGS GOAL.
