Description:

WTTV/WXIN in Indianapolis, IN is looking for a Weekend/Digital meteorologist with a track record of strong breaking weather, accurate forecasting, and a driven personality for weekend evening newscasts and all digital platforms. Once joining the Weather Authority team, you will focus on producing dynamic weather content both on air and online. This position requires strong digital and social media know-how to produce sharable content to our website, app and social media accounts. But this is not a behind-the-scenes only position. In addition to regular weekend newscasts, you will appear regularly on our digital platforms, and also serve as a primary fill-in meteorologist for the almost 90 hours of news we produce on-air for both stations.

Essential duties & responsibilities:

Produce & present weather content for all WXIN/WTTV digital and social media platforms
Respond to breaking and severe weather events as required to produce content for our digital platforms
Work with the entire Weather Authority team to support and extend comprehensive weather coverage on air and online
Develop interesting and audience engaging ideas to attract users/viewers
Engage with our audience on station-branded digital and social media accounts
Participates in promotional activities on behalf of the stations

Subject: Job Notification from Broadcast1Source

From: contact@broadcast1source.com

Details:

WTTV/WXIN in Indianapolis, IN is looking for a Weekend/Digital meteorologist with a track record of strong breaking weather, accurate forecasting, and a driven personality for weekend evening newscasts and all digital platforms. Once joining the Weather Authority team, you will focus on producing dynamic weather content both on air and online. This position requires strong digital and social media know-how to produce sharable content to our website, app and social media accounts. But this is not a behind-the-scenes only position. In addition to regular weekend newscasts, you will appear regularly on our digital platforms, and also serve as a primary fill-in meteorologist for the almost 90 hours of news we produce on-air for both stations.

Essential duties & responsibilities:

Produce & present weather content for all WXIN/WTTV digital and social media platforms

Respond to breaking and severe weather events as required to produce content for our digital platforms

Work with the entire Weather Authority team to support and extend comprehensive weather coverage on air and online

Develop interesting and audience engaging ideas to attract users/viewers

Engage with our audience on station-branded digital and social media accounts

Participates in promotional activities on behalf of the stations

Requirements:

Proven track record of accurate forecasting

Bachelor's degree in meteorology, or a related field, or an equivalent combination of education and work-related experience

At least 3 years on-air experience in a newsroom setting

Strong command of all social media platforms

Ability to meet deadlines, prioritize assignments, and handle multiple projects simultaneously

Ability to shoot video and perform non-linear editing a plus

Valid driver's license with a good driving record required

Flexibility to work any shift

Experience:

Nexstar Media Group is in search of a dynamic Integrated Digital Specialist in Indianapolis (FOX and CBS) to take our digital revenue initiatives to the next level. Our Broadcast and Digital Divisions are a part of one of the nation's fastest growing organizations, and the largest local media company in the US. We are looking for a leader who will work with our local sales team to continue to foster a positive culture of success. The Integrated Digital Specialist is responsible for directing digital sales efforts for all digital marketing services both closing sales opportunities with Broadcast Account Executives and identifying target accounts to drive digital revenue as a sole contributor.

As a member of the Indianapolis (FOX and CBS) Nexstar team, the Integrated Digital Specialist will be an expert in local digital and cross platform sales, have a solid understanding of the local digital marketplace, and be knowledgeable about how to effectively package our digital assets to maximize our digital advertising and digital marketing services revenue. The successful candidate will identify key target accounts and partner with the Account Executives, and with our local businesses and /or advertising agencies in a consultative, creative, challenger seller focused approach. You will be the digital subject matter expert on the team, working to find new business opportunities, and with the Nexstar Account Executives to provide innovative ideas in digital marketing solutions to help grow our client's businesses. You will be responsible for growing new and existing digital revenue business, and updating the sales team on new product rollouts, best practices, national sales contests, digital industry trends, and vertical specific initiatives in automotive, recruitment, healthcare, home services, legal, etc.

The ideal candidate will have a curiosity to understand client needs by conducting pre-meeting research and using tools provided to help develop a needs-based point of view. Your strong consultative sales skills will build relationships with our clients by listening and providing marketing expertise. You bring value to clients and will help to simplify their digital marketing spend by maximizing their digital footprint and help clients gain market-share.

We offer best-in-class digital & broadcast enterprise solutions including Audience Targeted Programmatic Display, Social Paid & Earned Marketing, Content Marketing Integration Indianapolis (FOX and CBS) FOX59.com and CBS4INDY.com Integrated Sponsorships, SEM, SEO, SMM, Email Marketing, Episodic & Premium Video (OTT / CTV / ATV, Pre-roll, In-Stream, Live Stream, Mobile, App, etc.), Digital Audio, Mobile App & Geo-Fence, Creative Design / Execution and more. You will have a team of digital marketing product experts to support your business. At Nexstar, we craft custom marketing plans for each client.

WE ARE LOOKING FOR:

Self-motivated, enthusiastic, driven digital marketing sales expert.

Develop and execute go-to-market sales strategies by verticals and by accounts, which result in exceeding revenue targets in Digital Revenue.

Drive digital revenue through our suite of audience extension and Core digital products.

Job Notification details between 4/1/2021 to 3/31/2022

Job Notification details between 4/1/2021 to 3/31/2022

We are seeking a dynamic Local Sales Manager that will lead a team of winning Account Executives. 3-5 years of television sales management experience is preferred. 5+ years television sales experience mandatory. Top candidates will have excellent motivational, leadership, and forecasting skills along with a proven track record of winning new business.

A strong Sports knowledge along with experience in selling high profile sports is a must as CBS4 broadcasts AFC Football, March Madness, Indiana Basketball, Purdue Basketball, SEC Football, PGA Golf, and is the Official broadcast partner of the Indianapolis Colts.

As a potential candidate, you should be experienced with Nielsen ratings; Marketron, Matrix, Comscore and Wide Orbit.

We are looking for a leader with the right qualities who creates a positive culture through strong leadership, clear direction, effective coaching, proven recruiting track record, and a vision of long-term success.

Indianapolis has a low cost of living, beautiful urban and suburban charm, and is the home of The Indianapolis Colts, Indiana University, Purdue University, Butler University, The Indiana Pacers, and The Indianapolis 500.

Indianapolis is the capital of Indiana with a rich political history with all State Government activities as well.

The Local Sales Manager will be responsible for leading the day-to-day operations of our Local AE's, including development of new business and achievement of revenue goals **as well as but not limited to:**

- Provides leadership for the broadcast/digital sales teams
- Makes decisions regarding hiring, evaluation, promotion, and termination of account executives and sales assistants.
- Develops and executes sales strategies which result in exceeding revenue targets in local, new business and digital revenue
- Drives new business development
- Manages inventory and revenue forecasting
- Manages recruitment, training, evaluation, and development of sales professionals
- Prepares budgets and approves budget expenditures
- Manages Accounts Receivable
- Develops and cultivates client relationships alongside Account Executives
- Performs other duties as assigned

Requirements & Skills:

- Bachelor's degree in Marketing, Advertising or Mass Communications, or a related field, or an equivalent combination of education and work-related experience
- Minimum five years of media sales experience; management experience preferred.
- Fluency in English
- Excellent communication skills, both oral and written
- Valid driver's license with an acceptable driving record
- Experience recruiting, guiding, directing, and motivating personnel, including setting and monitoring performance standards
- Experience establishing long-range objectives and specifying the strategies and actions to achieve them
- Ability to identify the developmental needs of others and to coach, mentor or otherwise help others to improve their knowledge or skills
- Proficiency with computers, telephones, copiers, scanners, and other office equipment
- Experience with Wide Orbit Traffic, Strata, Matrix, and comScore is preferred

Job Notification details between 4/1/2021 to 3/31/2022

WXIN (FOX59), the Nexstar-owned FOX affiliate in Indianapolis, Indiana, has an opening for an experienced Sales Account Executive. The Sales Account Executive generates advertising revenue by calling on established agencies, cold-calling new prospects and creating partnerships through a consultative selling approach that builds trust through results.

Essential Duties & Responsibilities:

- Responsible for developing new business on all platforms for WXIN-TV Indianapolis.
- Ideal candidate will possess a passion for “selling the sizzle” of the FOX sports suite of products (NFL, MLB, NASCAR and more), as well as the leading local newscasts in Indy.
- Implements strategies to consistently grow revenue and exceed revenue goals.
- Establishes credible relationships with local business community, providing excellent customer service.
- Makes sales calls on existing and prospective clients, cold calling and prospecting is required.
- Maintains assigned accounts and develops new accounts.
- Prepares and delivers sales presentations to clients, which follows the consultative sales approach we streamline with our prospective clients.
- Explains to customers how specific types of advertising will help promote their products or services in the most effective way possible.
- Provides clients with information regarding rates for advertising placement in all media.
- Develops advertising schedules with clients and station personnel responsible for placing advertising into station media.
- Works with clients and station personnel to develop advertisements via our creative resources.
- Performs other duties as assigned.

Requirements & Skills:

- Bachelor’s degree in Marketing, Advertising or Mass Communications, or a related field, or an equivalent combination of education and work-related experience.
- Minimum two years’ experience in sales, preferably in the media field.
- Valid driver’s license with an acceptable driving record.
- Experience achieving long-range objectives, possess self-motivation skills, ability to implement the strategies and actions to achieve success.
- Proficiency with Microsoft Office (Excel, Word, Powerpoint), telephones, copiers, scanners, and other office equipment.

Title: Associate Producer

Experience:

The Associate Producer is responsible for contributing story ideas; writing stories; organizing them within an energetic and memorable newscast or digital content for the web.

WXIN/WTTV is looking for an Associate Producer to join our team.

Associate Producers help the broadcast and digital producers and assignment editors in all areas of their work: writing, tracking down information via phone or online, posting material to our digital platforms, among other duties as assigned. Their work will provide the foundation and training to serve as a fill-in newscast producer and digital producer.

Support newscast Producers and assist in writing stories

- Manage logistics and assign field crews to cover stories
- Demonstrate sense of urgency with breaking news
- Perform other duties as assigned

Associate Producer experience and/or a very strong desire to learn the skillset required to lend your talents to the operation/products

Proficiency with computers, telephones, copiers, scanners, fax machines and other office equipment

Ability to meet deadlines, prioritize assignments and handle multiple tasks simultaneously

Fluency in English

Requirements & Skills:

Bachelor's degree or 1-year previous newsroom experience preferred

- Strong organizational skills
- Ability to work in a rapid, fast-paced environment
- Excellent verbal and written communication skills
- Ability to develop strong news judgment
- Detail-oriented
- Must be able to work a flexible schedule to include nights, weekends and holidays

Title: Digital Data Reporter

Experience:

Job Notification details between 4/1/2021 to 3/31/2022

WXIN-TV and WTTV-TV, Indianapolis is seeking a smart, analytical digital data reporter. Powerful storytelling goes beyond the 75 seconds allotted to a televised story. The ideal candidate will work with our news team to identify, research, and investigate stories through data to craft new and innovative ways of storytelling through analysis and visualizations. Candidate must be able to provide context and additional layers to a story. The Digital Data Reporter will work with the FOX59 and CBS4, Digital First staff.

The Digital Data Reporter can elevate our journalism with his or her passion for digging deeper into a story through public records, FOIAs, court records, and a desire to look beyond the news release to find the truth.

Candidates should have strong grammatical skills with a demonstrated ability to edit and self-edit. Experience writing for an online audience and knowledge of AP style is a plus. The ideal candidate will have familiarity with content management systems and SEO.

This position will be a part of FOX59's and CBS4's new digital staff expansion.

- **Essential Duties and Responsibilities:**

- Reports news stories for digital, describing the background and details of events
- Arranges interviews with people who can provide information about stories
- Reviews copy and corrects errors in content, grammar and punctuation, following prescribed editorial style and formatting guidelines
- Reviews and evaluates notes taken about event aspects to isolate pertinent facts and details
- Determines a story's emphasis, length and format, and organizes material accordingly
- Researches and analyzes background information related to news stories to be able to provide complete and accurate information
- Gathers information about events through research, interviews, experience or attendance at political, news, sports, artistic, social or other functions
- Pitches stories to Digital First managers
- Receives assignments and evaluates leads and tips to develop story ideas
- Discusses issues with Digital First managers to establish priorities or positions
- Checks reference materials such as books, news files or public records to obtain relevant facts
- Revises work to meet editorial approval or to fit time requirements
- Ensures that all content meets company standards for journalistic integrity and production quality
- Interacts with viewers/users on social media sites

Requirements & Skills:

- Bachelor's degree in Broadcast Journalism, or a related field, or an equivalent combination of education and work-related experience
- Fluency in English
- Excellent communication skills, both oral and written.
- Minimum two years' experience in news reporting
- Superior on-air presence
- Proficiency with computers, telephones, copiers, scanners, fax machines and other office equipment
- Expertise with CMS workflow, digital storytelling tools, and the FOIA process
- Ability to meet deadlines, prioritize assignments and handle multiple tasks simultaneously
- Valid driver's license with a good driving record
- Flexibility to work any shift

Title: Digital Weather Anchor

Experience:

The Meteorologist forecast weather conditions and produces and anchors weather reports for all platforms in a manner that is clear, engaging and meaningful to news consumers.

WTTV/WXIN in Indianapolis, IN is looking for a Digital Meteorologist with a track record of strong breaking weather, accurate forecasting, and a driven personality for all branded newscasts and all digital platforms. Once joining the Weather Authority team, you will focus on producing dynamic weather content both on air and online. This position requires strong digital and social media know-how to produce sharable content to our website, app and social media accounts. But this is not a behind-the-scenes only position. In addition to regular newscasts, you will appear regularly on our digital platforms, and also serve as a primary fill-in meteorologist for the almost 90 hours of news we produce on-air for both stations.

Essential duties & responsibilities:

Produce & present weather content for all WXIN/WTTV digital and social media platforms

Respond to breaking and severe weather events as required to produce content for our digital platforms

Work with the entire Weather Authority team to support and extend comprehensive weather coverage on air and online

Develop interesting and audience engaging ideas to attract users/viewers

Engage with our audience on station-branded digital and social media accounts

Participates in promotional activities on behalf of the stations

Requirements & Skills:

Proven track record of accurate forecasting

Bachelor's degree in meteorology, or a related field, or an equivalent combination of education and work-related experience

At least 3 years on-air experience in a newsroom setting

Strong command of all social media platforms

Ability to meet deadlines, prioritize assignments, and handle multiple projects simultaneously

Ability to shoot video and perform non-linear editing a plus

Valid driver's license with a good driving record required

Flexibility to work any shift
