QUARTERLY ISSUES / PROGRAMS LISTS

Here follows a listing of some of the most significant issues responded to by **DESPIERTA AMERICA**, along with the most significant programming treatment of those issues for the period **07/01/2020 to 07/31/2020**. The listing is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

ISSUE	PROGRAM/ SEGMENT	DATE	TIME	FORMAT/ DURATION	DESCRIPTION OF PROGRAM/SEGMENT
HEALTH: HOW TO STOP SPREAD OF COVID-19	DESPIERTA AMERICA	07/01/20	7:00 am	LIVER 1:30	How to stop the rapid spread of the coronavirus? That's the question being asked this morning by governors of at least 30 states where infections are still on the rise. If immediate action is not taken, we could reach 100,000 cases a day, warns Dr. Anthony Fauci, director of the National Institute of Allergy and Infectious Diseases. In California they are evaluating strict changes right now for the weekend of the independence holiday.
HEALTH: TREATMENT FOR BREAST CANCER			7:30 am	VO 0:22	A new treatment for breast cancer has just been approved by the Food and Drug Administration giving some of the most vulnerable patients a chance to fight the disease from home. The name of the drug is "Phego" and it works by disrupting the signals that promote the growth of cancer cells.
ECONOMY: CHECK PROTECTION PROGRAM			8:00 am	VO 0:25	The Senate approves an extension of the check protection program, which would provide financial assistance to small businesses affected by the coronavirus pandemic. The proposal must be ratified in the lower house before some \$130 billion, which has not yet been used, can be distributed as part of the relief package approved in Congress. The program will remain in effect until Aug. 8.
IMMIGRATION: ASYLUM SEEKERS BLOCKAGE			9:00 am	VO 0:18	A federal judge in Washington, DC, blocks an immigration rule, which denies asylum to applicants who arrive in the United States through a third country. The decision represents a major blow to the Trump administration. The magistrate claims that the rule violates immigration and nationality law.
HEALTH: KIDS TRANSMIT CORONAVIRUS			9:00 am	VO 0:18	A new study warns that children would also be transmitters of the coronavirus. Researchers tested a group of children under age 16 who tested positive and found that all but a couple of them carried the same amount of virus as adults. A fact that allows us to take precautions.
IMMIGRATION:					In the midst of Florida's pandemic, Governor Ron Desantis signs a

<p>FL GOVERNOR SIGNS LAW TO CHECK STATUS FOR A JOB</p>	<p>10:00 am</p>	<p>VO 0:20</p>	<p>controversial law that requires the revision of the immigration status of anyone who applies for a job. The legislation requires businesses to participate in the e-verify program. Various pro-immigrant organizations have rejected the measure, considering it to be in line with the harsh immigration policies of President Donald Trump.</p>
<p><u>HEALTH:</u> US HITS 50K NEW CASES</p>	<p>7:00 am</p>	<p>LIVER 1:30</p>	<p>For the first time, the United States exceeds 50,000 new coronavirus infections in a single day. A situation that forces 40 percent of the country to stop and even backtrack on its plans to reopen. Within the armed forces there have also been almost 4,000 cases in the last three weeks.</p>
<p><u>IMMIGRATION:</u> NEW WAVE OF FAMILY SEPARATIONS</p>	<p>7:00 am</p>	<p>LIVER 1:00</p>	<p>Fears of a new wave of family separations are growing after the White House warned that it is opposed to releasing detained migrants and their children. This, after a federal judge set a deadline for doing so. On the other hand, an appeals court in New York paves the way for the distribution of a revealing book written by one of President Trump's nieces.</p>
<p><u>HEALTH:</u> DRUG USAGE AMID ISOLATION</p>	<p>7:30 am</p>	<p>VO 0:20</p>	<p>They warn of an alarming increase in drug use, amidst the isolation caused by the pandemic. The coronavirus disrupts narcotics trafficking, but emergency calls for overdoses increased by 18% in March, 29% in April and 42% in May, according to ambulance, hospital and police records.</p>
<p><u>SECURITY:</u> PURCHASE OF FIREARMS HITS RECORD</p>	<p>7:30 am</p>	<p>VO 0:24</p>	<p>The purchase and sale of firearms reached record levels last June. According to the FBI, more than 3.9 million background checks were processed in 30 days - an increase of more than 1.5 million from the same period last year. The states with the highest demand were Illinois, Kentucky, Texas, Florida and California. The federal agency has been recording these statistics since 1998.</p>
<p><u>PUBLIC INTEREST:</u> LA POLICE BUDGET CUTS</p>	<p>8:30 am</p>	<p>VO 0:29</p>	<p>Los Angeles city officials vote to cut \$150 million from the police department's budget. The measure will reduce the number of officers to a level not seen in more than a decade. This is in the midst of a national debate about police brutality and racial injustice. Other cities around the country have also reduced their police budgets or are preparing to do so, including an attempt in Minneapolis to restructure the city's police department.</p>
<p><u>HEALTH:</u> CASES OF COVID-19 IN DETENTION CENTERS</p>	<p>10:00 am</p>	<p>VO 0:21</p>	<p>A new investigation reveals that the number of Covid-19 cases among detained immigrants would be 15 times higher than ICE reports. The agency reports that 752 people have tested positive. While the institute estimates that nearly one in five detainees is infected. There are currently just over</p>

<p>HEALTH: METHANOL IN ANTIBACTERIAL</p>	<p>DESPIERTA AMERICA</p>	<p>07/03/20</p>	<p>7:00 am</p>	<p>VO 0:26</p>	<p>23,400 immigrants in detention centers.</p> <p>Attention with this warning! There is "methanol" in some antibacterial hand gels, as just revealed by the food and drug administration, so it asks you to check well what you are using because this ingredient is potentially poisonous. It causes nausea, headaches, dizziness, amnesia, convulsions and even death, if consumed.</p> <p>From next August, Walmart's parking lots will be converted into drive-ins. The chain of stores announces that it will allocate about 160 premises, just when a large number of theatres are closed due to the coronavirus. In addition to watching the movies outdoors, attendees will receive other surprises directly in their vehicles, and even enjoy special appearances by Hollywood directors and stars.</p>
<p>INTEREST: DRIVE-IN THEATERS AT WALMART</p>	<p>DESPIERTA AMERICA</p>	<p>07/03/20</p>	<p>7:30 am</p>	<p>VO 0:25</p>	<p>From next August, Walmart's parking lots will be converted into drive-ins. The chain of stores announces that it will allocate about 160 premises, just when a large number of theatres are closed due to the coronavirus. In addition to watching the movies outdoors, attendees will receive other surprises directly in their vehicles, and even enjoy special appearances by Hollywood directors and stars.</p>
<p>IMMIGRATION: VISA LOTTERY</p>	<p>DESPIERTA AMERICA</p>	<p>07/03/20</p>	<p>10:00 am</p>	<p>VO 0:25</p>	<p>It dispels the American dream for hundreds of lucky people who won the visa lottery. Now that President Trump has extended the ban on granting green cards until the end of the year, of the 55,000 selected in the lottery, there are hundreds who will not receive their cards before the September 30 deadline. The state department says no exceptions will be made for those who don't have them. Already immigration lawyers are considering going to court to try to overturn the government's ban.</p>
<p>TITLE: DESCRIPTION</p>	<p>DESPIERTA AMERICA</p>	<p>07/04/20</p>	<p>7:00 am</p>	<p>VO 0:30</p>	<p>WEEKEND - NO SHOW!</p>
<p>TITLE: DESCRIPTION</p>	<p>DESPIERTA AMERICA</p>	<p>07/05/20</p>	<p>7:00 am</p>	<p>VO 0:30</p>	<p>WEEKEND - NO SHOW!</p>
<p>HEALTH: COVID-19 PSYCHOLOGICAL SCARS</p>	<p>DESPIERTA AMERICA</p>	<p>07/06/20</p>	<p>8:00 am</p>	<p>VO 0:27</p>	<p>The coronavirus is not only taking away siblings, parents and friends, it also creates strong psychological scars for life. Two new studies suggest that people who experience pandemics lose confidence in the authorities in an effect that would extend over decades. Similarly, this research shows that the use of masks not only prevents the spread of the virus but also helps improve the economic situation in both the short and long term.</p>

<p><u>HEALTH:</u> SOVID-19 SPREAD THROUGH AIR</p>	<p>8:30 am</p>	<p>LIVER 1:30</p>	<p>Almost 240 scientists from 32 countries claim that the coronavirus can be spread through the air, which contradicts what the world health organization has said so far. The information comes just as contagion is increasing dramatically in the United States. Florida and Texas are among the most affected states, and in the latter, hospitals are already operating at full capacity.</p>
<p><u>PUBLIC INTEREST:</u> WORK-LIFE DURING CORONAVIRUS</p>	<p>8:30 am</p>	<p>VO 0:23</p>	<p>How do I get back to work if my kids are home? Who's watching them? Those are the complex questions millions of families are asking right now. And they are not alone, almost a third of the population has children at home. In fact, a new study reveals that 10 percent of economic activity will not resume until schools and childcare centers begin to function at full capacity.</p>
<p><u>EDUCATION:</u> DEBATE TO REOPEN SCHOOLS</p>	<p>7:00 am</p>	<p>LIVER 1:09</p>	<p>Attend face-to-face classes or leave the country and thus abandon your dreams. That would be the difficult decision faced by thousands of foreign students, whose universities offer courses over the Internet, due to the pandemic. That's because the immigration and customs control service now threaten to deport students who are already in the United States, as well as not letting in those who plan to come next fall.</p>
<p><u>HEALTH:</u> SLEEPING LESS INCREASE RISK OF DEATH</p>	<p>7:30 am</p>	<p>VO 0:25</p>	<p>Dreaming less would increase the risk of death from multiple causes, with the exception of cancer. This is suggested by one study, according to which a short period of "rem" sleep increases mortality. This is the phase where we dream about vivid images. It stimulates our nervous system, strengthens memory and learning. It also restores the chemical balance of the brain. Lack of REM sleep is linked to diseases such as migraine.</p>
<p><u>IMMIGRATION:</u> ICE SENDS MINORS TO DETENTION CENTERS</p>	<p>9:30 am</p>	<p>VO 0:24</p>	<p>A major victory for unaccompanied minors, they call a federal court ruling in Washington, DC, that "ICE" systematically violates the law by sending migrants who have just turned 18 to adult detention centers. This practice should be revoked, not only because it prevents them from seeking legal advice and fighting their cases, but also because it increases the risk of infection with coronavirus.</p>
<p><u>EDUCATION:</u></p>	<p>10:00 am</p>	<p>VO 0:24</p>	<p>Harvard University and the Massachusetts Institute of Technology are filing a lawsuit against the Department of Homeland Security and Immigration and</p>

<p>HARVARD/MIT FILE LAWSUIT TO DHS</p>	<p>DESPIERTA AMERICA</p>	<p>07/09/20</p>	<p>7:00 am</p>	<p>LIVER 1:45</p>	<p>Customs Enforcement (ICE). The lawsuit calls for a temporary restraining order to suspend the Trump administration's new rule prohibiting international students from staying in the United States while taking online courses.</p>
<p><u>EDUCATION:</u> DEBATE TO REOPEN SCHOOLS</p>	<p>DESPIERTA AMERICA</p>	<p>07/09/20</p>	<p>7:00 am</p>	<p>LIVER 1:45</p>	<p>The debate over whether or not to open schools is intensifying. President Donald Trump insists that classes must begin in August and insists on withdrawing federal funds from campuses that do not. While they are deciding what to do, the number of cases of coronavirus infection has surpassed 3 million and more than 132,000 people have lost their lives. This situation is forcing states like Florida to stop their plans to reopen.</p>
<p><u>IMMIGRATION:</u> FAMILY SEPARATIONS</p>	<p>DESPIERTA AMERICA</p>	<p>07/09/20</p>	<p>7:30 am</p>	<p>INT 3:00 Mins</p>	<p>Fears of a new wave of family separations are rekindled. Activists report at least one attempt by "ICE" to get some 300 mothers to hand over their children in exchange for one of three alternatives: stay in detention, relocate them, or deport them to their home countries alone.</p>
<p><u>HEALTH:</u> CORONAVIRUS STUDY</p>	<p>DESPIERTA AMERICA</p>	<p>07/09/20</p>	<p>8:00 am</p>	<p>PKG 1:30</p>	<p>Results of one of the largest coronavirus studies ever released. It is that after analyzing more than 17 million people doctors conclude who would be more likely to die from the virus. This group includes: the elderly, men, racial and ethnic minorities, and those with pre-existing health conditions among the most vulnerable populations.</p>
<p><u>ECONOMY:</u> UNITED AIRLINES LAYS OFF EMPLOYEES</p>	<p>DESPIERTA AMERICA</p>	<p>07/09/20</p>	<p>8:30 am</p>	<p>VO 0:30</p>	<p>United Airlines announced that despite receiving billions of dollars in federal aid, it would have to lay off up to 36,000 employees. That's almost half of their frontline workforce and they would be out of work as soon as this fall. The company currently operates only a quarter of its flights and at 55% of its aircraft capacity.</p>
<p><u>HEALTH:</u> COVID-19 CLOSING</p>	<p>DESPIERTA AMERICA</p>	<p>07/10/20</p>	<p>7:00 am</p>	<p>LIVER 2:00 Mins</p>	<p>"We need to close again" that's the recommendation health experts make when Texas, California and Florida report record numbers of coronavirus deaths; nationally, more than 133,000 people have died. The epicenter of the pandemic is Florida, but it is also a key state to win the election, and that is precisely where President Donald Trump arrives today.</p>
<p><u>EDUCATION:</u> EXPANDING SCHOOL OPTIONS FOR</p>	<p>DESPIERTA AMERICA</p>	<p>07/10/20</p>	<p>7:00 am</p>	<p>VO 0:25</p>	<p>President Trump signs an executive order that would expand school options for Hispanic students According to the president, the initiative would improve Latinos' access to economic and educational opportunities. The order supports so-called "charter schools," which are attended by the majority of school-age</p>

It would also provide financial support to small, minority-owned businesses.</p> <p>The City of Los Angeles provides temporary relief for tenants and approves a \$103 million package, which would help some 50,000 families. To qualify, beneficiaries must meet certain requirements. Among them, receiving less than 80% of the pre-pandemic median income</p> <p>The World Health Organization recognizes that the coronavirus is airborne. In the United States, the Centers for Disease Control and Prevention announced that they would not change the rules for reopening schools, in clear contradiction to the White House.</p> <p>For the second time in three days, they remove a medication from the pharmacy, which is widely used for type 2 diabetes. At least two manufacturers recognize that their batches of "Metformin" contain carcinogenic impurities, above the levels recommended by the Food and Drug Administration, FDA. These include 500- and 1,000-milligram tablets, used to stimulate insulin production and control blood glucose.</p>

The Los Angeles independent school district, the second largest in the country, as well as San Diego, announce that the new school year will be done on the internet.</p>
<p><u>HEALTH:</u> COVID LATEST DC</p>		<p>7:30 am</p>	<p>LIVER 1:30</p>	<p>In DC this morning, the tensions continue between the white house and doctor "Anthony Fauci", director of the national institute of allergies and infectious diseases. Attempts to discredit the scientist contrast with the public's confidence in their criteria. Further, they occur when coronavirus cases multiply in more than 36 states, and some governors go back to the economic reopening plans.</p>
<p><u>EDUCATION:</u> COVID LATEST RETURN TO SCHOOL NY</p>		<p>7:30 am</p>	<p>LIVER 1:30</p>	<p>The end of July is the deadline that 700 schools in New York have to develop their reopening plans. Governor Andrew Cuomo" affirms that the process would begin in regions that are already in "phase four" and have a rate of infection less than 5-percent. However, it does not clarify whether the classes will be on-site, internet, or a combination of both.</p>

<p><u>IMMIGRATION:</u> VISA DELIVERY</p>		9:00 am	LIVER 1:30	<p>USA consulates will resume the delivery of visas around the world. Although the department of state does not indicate a specific date, the service would begin to provide, despite one of the measures adopted by the "trump" administration, to reduce the entry of migrants, during the Coronavirus pandemic.</p>

<p><u>ECONOMY:</u> UNEMPLOYED LOSE \$600 WEEKLY</p>		7:00 am	VO 0:30	<p>With federal unemployment benefits expiring on Friday a serious blow to millions of Americans who lost jobs due to the coronavirus pandemic — the Senate became bogged down in partisan fighting and left town without a resolution to the crisis. The end of the \$600-per-week federal benefit, when combined with the lapsing of an eviction moratorium, will likely lead to serious financial problems for those hit hardest by the pandemic and economic collapse. More than 1.4 million people filed initial unemployment claims last week, according to the Department of Labor, while the U.S. economy contracted by more than nine percent in the second quarter of 2020, the worst drop on record.</p>

ECONOMY: SECOND ROUND OF STIMULUS CHECKS	DESPIERTA AMERICA	08/03/20	7:00 am	LIVER 1:20	When will the second round of stimulus checks be sent? The answer remains uncertain. Congress has until Friday, August 7 to reach an agreement, otherwise the dialogue will be postponed until September. Republicans and Democrats resume talks, just as millions of families are losing federal subsidies
HEALTH: LESS CASES, MORE DEATHS DUE TO COVID-19	DESPIERTA AMERICA	08/04/20	7:00 am	LIVER 1:20	Coronavirus infections show a slight decrease, while the number of deaths is increasing, all according to the federal emergency management agency, FEMA. The controversy now centers on Dr. Deborah Birx's warning of a "new phase" in the spread of the virus. The president trumped the criticism and doctor Anthony Fauci supported it.
ECONOMY: NEW STIMULUS CHECKS NEGOTIATION	DESPIERTA AMERICA	08/04/20	7:30 am	LIVER 1:20	Negotiators on a huge coronavirus relief bill reported slight progress after talks resumed Monday afternoon in the Capitol, with issues like food for the poor and aid to schools struggling to reopen safely assuming a higher profile in the talks.

<p><u>POLITICS:</u> PRIMARY ELECTIONS</p>		10:00 am	VO 0:18	<p>On Tuesday, voters in Arizona and Michigan, both battlegrounds, are set to finalize two key matchups in November that could determine the balance of power in the Senate. A highly competitive primary between an endangered member of the "squad" -- Michigan Rep. Rashida Tlaib -- and her formal rival, Detroit City Council President Brenda Jones, is set to come to a close in Detroit and its surrounding suburbs.</p>
<p><u>HEALTH:</u> VACCINE FOR COVID-19 UPDATES</p>	<p>DESPIERTA AMERICA</p>	7:00 am	LIVER 1:20	<p>A third US company has released study results showing its coronavirus vaccine is safe and elicits an immune response. Novavax, Inc. released Phase 1 data Tuesday from 131 volunteers showing that after two doses of the vaccine, participants developed neutralizing antibodies at levels more than four times higher on average than the antibodies developed by people who had recovered from Covid-19. Neutralizing antibodies fight off the virus that causes Covid-19.</p>
<p><u>PUBLIC INTEREST:</u> CLOROX WIPES SHORTAGE</p>		7:30 am	VO 0:29	<p>Clorox, the world's biggest maker of disinfectant cleaning materials, said consumers will continue to see a shortage of its wipes and other products into 2021 because of overwhelming demand during the pandemic.</p>
<p><u>ECONOMY:</u> DEAL TO HELP AFFECTED BY PANDEMIC</p>		9:30 am	VO 0:18	<p>The White House and Democratic leaders agreed to try and finalize a deal to address lapsed unemployment benefits and eviction restrictions by the end of this week and hold a vote in Congress next week, suddenly trying to rush stalled talks in the face of growing public and political unrest.</p>
<p><u>HEALTH:</u> COVID-19 CASES IN SCHOOL RE OPENING</p>		9:30 am	VO 0:18	<p>Sixes Elementary in the Cherokee County School district began in-person classes on Monday. A classroom was temporarily closed for deep cleaning and the teacher and 20 other students had been asked to quarantine for two weeks after the second grader tested positive. Parents and officials have debated whether it is safe to send students back into classrooms as virus cases have surged across the country. While health experts are still investigating how children spread the virus, director of the National Institute of Allergy and Infectious Diseases Dr. Anthony Fauci has emphasized that schools need to include safety in their reopening plans.</p>

<p><u>HEALTH/EDUCA TION:</u> CHICAGO WILL ONLY DO VIRTUAL CLASSES</p>			<p>7:00 am</p>	<p>VO 0:15</p>	<p>Chicago, the third largest school district in the country, announces that it will begin the year with only virtual classes and will continue to do so until contagion decreases. The city's decision to abandon its plan to have students attend in-person classes for two days a week once the fall semester starts Sept. 8 followed strong pushback from the powerful union representing Chicago teachers and as districts nationwide struggle with how to teach their children during the coronavirus pandemic.</p>
<p><u>HEALTH:</u> DEATHS RELATED TO HAND SANITIZERS</p>			<p>7:30 am</p>	<p>VO 0:26</p>	<p>There is an important warning about the use of hand sanitizers. The Centers for Disease Control and Prevention confirm at least four deaths after ingesting such products. Other people suffer from dizziness and vision problems. In Arizona, about 15 adults were hospitalized with symptoms of poisoning. Health authorities warn about a hundred antiseptics containing methanol, a substance toxic to the body.</p>
<p><u>HEALTH:</u> COVID-19 VACCINE</p>			<p>9:00 am</p>	<p>VO 0:28</p>	<p>There is excellent news in the search for a coronavirus vaccine. The third American company that is looking for a vaccine, that is "Novavax", has just announced positive results. Volunteers who underwent "phase one" testing developed antibody levels up to four times higher than average, compared to survivors of the disease. This would indicate that it causes an immune response. Now the conclusions will be analyzed by scientists.</p>

Many states and school districts have said they would provide personal-protective equipment to those who need it, but some teachers say they haven't received it yet and aren't sure what will be distributed or when it will arrive.</p> <p>Children might be more vulnerable to Covid-19 than once believed, with new research suggesting that they are able to contract and spread the virus, especially if they don't take precautions such as wearing a mask. Several studies and reports published in recent weeks found coronavirus infections among children of all ages at places ranging from schools to camps to homes. Other research suggested that kids, especially older ones, can be a driving force behind transmission. And some researchers found children carry high levels of Covid-19's genetic material in their upper respiratory tract, which doesn't mean they are transmitting the virus but that they potentially could.</p>
<p><u>ECONOMY:</u> UNEMPLOYMENT BENEFITS</p>	<p>7:00 am</p>	<p>LIVER 1:40</p>	<p>Treasury Secretary Steven Mnuchin on Monday said that states will be able to "execute" new weekly federal unemployment benefits of up to \$400 within two weeks, after the Trump administration repeatedly declined to offer a timeline for the new benefits announced by President Donald Trump over the weekend, following the collapse of coronavirus relief negotiations with Democrats.</p>

This is detailed in a new study focused on the issues that most interest most people now that we face the coronavirus pandemic. If you feel nervous or worried, experts recommend breathing, and thinking positive thoughts. But if these panic attacks recur, you need to call your primary care physician.</p>
<p><u>ECONOMY:</u> UNITED AIRLINES TO CUT JOBS</p>	<p>9:30 am</p>	<p>VO 0:18</p>	<p>As the largest number of unpaid leaves of absence for pilots in its history. This is how they describe the decision announced by the airline "United". The company plans to cut some 2,850 jobs before the end of the year, in the midst of a drastic reduction in flights, due to the coronavirus.</p>
<p><u>ECONOMY:</u> “LORD & TAYLOR” TO CLOSE STORES</p>	<p>9:30 am</p>	<p>VO 0:18</p>	<p>The store chain Lord & Taylor has declared bankruptcy after 194 years in the market. It is the first department store established in the United States, and plans to close its 38 stores. Both physical stores and the website already have liquidation prices.</p>
<p><u>HEALTH:</u> RISK OF HAND SANITIZERS</p>	<p>9:30 am</p>	<p>VO 0:26</p>	<p>Hand sanitizers would be putting our health at risk, especially the health of children. The Food and Drug Administration warns of a 79% increase in cases of poisoning with these alcohol-based products. This is because their manufacturers package them in bags of baby food, as well as bottles of beer, juice, and even vodka. Some add flavors such as chocolate and strawberry.</p>
<p><u>IMMIGRATION:</u> REGULATIONS TO SPEED UP DEPORTATIONS</p>	<p>10:00 am</p>	<p>VO 0:18</p>	<p>The Trump administration issues new regulations to speed up deportations. If it goes into effect, it would authorize the director of the immigration court to change judges' rulings in favor of the White House. Lawyers describe it as a new tool of the "Zero Tolerance" policy.</p>

<u>HEALTH:</u> COVID-19 CASES INCREASE IN UNIVERSITIES	DESPIERTA AMERICA	08/31/20	7:00 am	VO 0:21	New coronavirus cases continuing to rise across the country in the past week, the U.S. has added more than half a million new. The total is nearing 6 million, as college campuses in every state report clusters of new infections. More than 182,000 people have already died from the virus.
<u>HEALTH:</u> STUDY: VIRUS INFECTION			7:00 am	VO 0:09	A new finding could have an impact on the measures that have been taken so far to mitigate Covid-19. According to a new study, the virus ceases to be infectious in fewer days than previously thought.
<u>HEALTH:</u> INVESTIGATION ON HEALTH PROGRAM TO TREAT COVID19 PATIENTS			7:00 am	VO 0:14	The temporary health program offered by the government for those who have faced Covid-19 has generated doubts among patients, hospitals, and medical providers because it has apparently not been clear. This was evidenced by a New York Times investigation.
<u>EDUCATION:</u> PARENTS PROTEST RULE FLU VACCINE REQUIREMENT			7:30 am	VO 0:33	Hundreds of parents and students gathered outside the State House on Sunday to protest Gov. Charlie Baker's mandate requiring children — even those attending classes remotely — to receive the flu vaccine if they want to return to school. The Flu Vaccine Now Required for all Massachusetts School Students Enrolled in Child Care, Pre-School, K-12, and Post-Secondary

The transit authority had suspended fare collection and allowed rear-door boarding in an effort to keep its drivers safe amid the coronavirus pandemic. The move, however, was costly. The MTA faces a massive budget gap exacerbated by a steep decline in subway and bus ridership during the peak of New York's COVID-19 outbreak.</p> <p>United Airlines is eliminating some of its change fees permanently. The new policy will apply to domestic ticket holders in economy and premium cabins. Starting in January they'll be able to fly same-day standby or change flights for free.</p> <p>California Gov. Gavin Newsom and state legislative leaders have reached an agreement on a bill to temporarily protect people from evictions. The bill would ban evictions for tenants who haven't paid their rent between the months of March and August because of the coronavirus. Tenants need to sign a document saying they have a financial hardship because of the virus.</p> <p>Hotels at the Universal Orlando Resort announced more than 800 employees will be losing their jobs as the Florida theme park industry continues to be devastated by the pandemic. The employees at Hard Rock Hotel, Loews Portofino Bay Hotel and Cabana Bay Beach Resort were indefinitely furloughed or permanently terminated, according to a notice filed last week by the company Loews Hotels & Co.</p>

<u>HEALTH:</u> THREE COVID-19 VACCINES ENTER PHASE 3	DESPIERTA AMERICA	09/01/20	7:00 am	VO 0:18	Three vaccines are now in Phase 3 trials in the US. British drug maker AstraZeneca announced Monday its vaccine candidate had entered this phase. AstraZeneca's coronavirus vaccine becomes third to begin Phase 3 trials in the US.
<u>EDUCATION:</u> EDUCATORS WANT COVID-19 PROTECTION			7:00 am	VO 0:18	The New York City teacher's union said delegates could hold a strike authorization vote Tuesday if Mayor Bill de Blasio and the Department of Education fail to take additional steps to protect staff and students from the coronavirus when schools open Sept. 10.
<u>ECONOMY:</u> CA HELP HOUSING CRISIS			7:30 am	VO 0:19	Gov. Gavin Newsom and the state Legislature acted Monday to avert a housing crisis by approving legislation to extend protections against evictions by five months for California renters facing financial hardship because of the COVID-19 pandemic.
<u>PUBLIC INTEREST:</u> SURVEY - POSITIVE CHANGES FROM PANDEMIC			8:00 am	VO 0:30	The survey of 2,000 Americans (aged 21+) looked at the positive changes to come from this challenging time — and the ways in which respondents are re-prioritizing what they value. Results revealed 55 percent of respondents were even a bit embarrassed by some of the things they valued or favored pre-quarantine and this time spent inside gave 70 percent a chance to learn more about themselves.

<p><u>ELECTION:</u> TX DEMANDS MAIL VOTING</p>	<p>9:00 am</p>	<p>VO 0:25</p>	<p>The fight over mail balloting in Texas, one of the few states not allowing more people to vote by mail in November, grew Monday when the state sued to stop more than 2 million registered voters around Houston from receiving applications to submit their ballots by mail.</p>

<p><u>PUBLIC INTEREST:</u> TRAVEL RESTRICTIONS IN COVID TIMES</p>	<p>9:30 am</p> <p>VO 0:27</p>	<p>The pandemic has made travel predictions difficult but roads could get busier with more traffic compared to the summer's holidays. Millions are projected to travel this holiday weekend despite COVID-19 concerns. Labor Day flight bookings are only around a third of what they were last year according to data analysis from travel itinerary app Triplt, but reservations to Florida have jumped 200 percent.</p>
<p><u>PUBLIC INTEREST:</u> INCREASE IN DIVORCE RATES</p>	<p>10:00 am</p> <p>VO 0:22</p>	<p>Divorce filings increased significantly in the second quarter in the United States, months marked by quarantine and working from home, an effect similar to that seen in China and other parts of the world. The LegalTemplates portal, which sells forms and documents for legal proceedings, reported a 34% increase in purchases of divorce applications between March and June, compared to the same period in 2019.</p>

The bill will allow active duty service members to file sexual harassment and assault claims to a third-party agency instead of through their chain of command.
<u>HEALTH:</u> KIDS HEALTH AFFECTED BY QUARANTINE?		8:00 am	VO 0:21	Coronavirus kills far more Hispanic and Black children than White youths, CDC study finds. More than 75 percent of children dying from covid-19 are minorities, a finding that echoes disproportionate death rates among adults. One key factor could be underlying health disparities among minority children and young adults. About 75 percent of those who died had at least one underlying condition, and the most frequent were asthma and obesity — two conditions that disproportionately occur in minority youths.
