**KPXL-TV**  
**Uvalde, Texas**  
**For**  
**QUARTER ENDING MARCH 31, 2015**

In accordance with Section 73.3526(e)(11)(i) of the Federal Communications Commission's rules, the following, in the opinion of **KPXL-TV**, are the problems and needs of the community for the period noted above. They are not necessarily listed in order of importance. Each is identified by significant public affairs and/or public service programming in response to these needs.

**Issues:**

1. **Spaying & neutering your pets:** There are many reasons to spay or neuter your pet. Many studies have shown that the procedures reduces the risks of various types of cancers, extending the lives of certain breeds. It also lowers the number of unwanted pets in our communities that may be euthanized if they can't be placed in a good home.
2. **Hand-held phones banned:** San Antonio City Council amended its distracted driving ordinance to outlaw talking on a hand-held cell phone while driving. There is a 30-day grace period where police will issue citations, but after that, convicted motorists face a \$200 fine. Exceptions to the law include hands-free devices.
3. **CPS Smart Meters:** The City of San Antonio has begun rolling out new smart meters, which would allow CPS (City Public Service) to take monthly readings (electricity) without having to go to the actual residences. However, if customers decide to opt out, there is a mandatory \$20/month charge, which has many customers upset, because they feel they are being forced to convert to the new meters.
4. **Allergies** – Oak pollen and Mountain Cedar levels have been extremely high for the past few months due making allergy and asthma sufferers at risk. Allergists have seen increased number of patients coming in for treatment.
5. **San Antonio City Parks go green:** BigBelly compactors which are solar trash and recycling compactors have cut down on the number of waste pick-ups because they can hold five times as much refuse and keep squirrels and rodents out. They are divided into two compartments, creating capacity for both trash and recycling.
6. **Volunteerism:** Donating your time is a great way to share your talents and expertise, as well as a great way to build relationships within the community. Everyone has unique gifts to share which can make a positive impact in someone's life.
7. **Fitness in the Park:** San Antonio Parks & Recreation is offering free fitness classes in various local parks around the city as a way to encourage people to improve their physical fitness. Classes include Zumba, walking and running groups and high intensity workout and boot camps – all taught by professional instructors.
8. **Toll Roads:** Construction for toll lanes are currently underway. The funding for the project is coming from sales tax money from the Advanced Transportation District sales tax approved by the voters in 2004. The project should be completed in 5 years.

9. **Property Cleanup** County officials continues to crack down on homeowners who have neglected their properties. Landowners could face a fine for their first offense and possible jail time for subsequent offenses.
10. **Diabetes:** continues to affect the San Antonio community with rates that are twice the national average. Although there has been some improvement due to public awareness campaigns, local agencies continue to offer classes and encourage healthier eating habits to lower the number.

**Living Well** is a one hour community affairs program covering human interest related issues and affairs that are important to the community. **Living Well** provides programming that is dedicated to active lifestyles, wellness & helpful information that leads to a more empowered life. The featured shows in Living Well are “**Downright Domestic**” and “**My Generation**”.

In March, two new featured shows began airing:

*“**Your House & Home**” is a home improvement show that offers straight forward information, inspires new ideas, and empowers knowledge to make your home a better place to live.*

*“**Southern Fried Fitness**” is about blending Old South Tradition with the New South Lifestyle by living clean and healthy 80% of the time, but always saving 20% for guilt free Southern Indulgence.*

These programs aired on Tuesdays and Thursdays from 5:00am-6:00am.

**Inside Northside Video Magazine** is a locally produced thirty minute program that showcases local schools, teachers and achievements in the Northside Independent School District (NISD). These programs aired on February 26, 2015 and March 26, 2015 from 5:00am-6:00am.

“Living Well” is a one hour community affairs program that is dedicated to active lifestyles, wellness & helpful information that leads to a more empowered life. The featured shows in “Living Well” are “Your House & Home” and “Southern Fried Fitness”.

**Description:**

*“Home to Go” is an innovative do-it yourself design series that presents original, easy-to-execute, and inexpensive décor ideas and solutions for people living in temporary spaces. Each week, Peter works with roommates, singles, and young couples to help them make over their spaces into beautiful and functional homes that can be packed up and move on when it’s time to pick up sticks.*

In this episode dancer, Lisa Otto’s apartment is transformed into a personalized, cozy, yet functional space which she can retreat to after a long day of work. Guests, Scott Magee and Mimi Pineau help maximize storage space and bring the room together by using a color scheme throughout.

*In “Anna & Kristina’s Grocery Bag” hosts Anna Wallner & Kristina Maticic put popular cookbooks to the test. In each episode, they try out and review recipes, ingredients, appliances and food preparation techniques to see if the average cook can re-create the beautifully photographed meals.*

In this episode Anna and Kristina are taking recipes from *The Best Light Recipe* to showcase to Chef Julian Bond. They have him taste their light versions of roasted artichoke dip, chicken caesar salad, fettuccini alfredo, oven fried chicken and New York style cheesecake and see how they hold up to their high fat counterparts.
