

FCC IDENTIFICATION OF CHILDREN'S PROGRAMS CERTIFICATION

The station is required to verify for the FCC that it is in compliance with mandatory identification of children's programming that meet their educational/instructional criteria.

This certifies that KJZZ has been in compliance with this requirement during the 4th Quarter of 2017. KJZZ has aired (either contained within the program or originating with KJZZ master control for KJZZ broadcast) the distributor's suggested children's ID at the beginning of each of the following programs (or for the duration of the content of the children's programs) as the current FCC mandate requires.

Great Big World
Zoo Clues
Think Big
Sports Stars of Tomorrow
Made in Hollywood – Teen Edition
Dog Tales
America's Heartland
