

California Oregon Broadcasting, Inc.

Established 1933

July 7, 2023

To Whom It May Concern:

While doing a random audit of our FCC Public File, it was noted that, for the 2022 Annual Commercial Limits Certification, the KOTI report had been filed on the K32DY FCC station site. While the reports are identical except for the call letters, the correct Certification has been posted as of this date and the KOTI Certification was removed.
