### **A Night to Shine Boise 2019:**

A Night to Shine is an unforgettable prom night experience for special needs persons ages 14 and older. This event is organized by the Tim Tebow foundation.

This beautiful evening focuses on love and support to all people, and begins with a limo ride and a walk to the venue on a red carpet. All of the guests for the evening are pampered with hair and makeup, catered dinner, photos, activities, and room to dance the night away.

Impact Radio Group supported this event with promotion through recorded & live media mentions, as well as social media. Staff members from Impact Radio Group volunteered at this event and were able to see first hand how much it meant to this community. A Night to Shine was held on February 8th, 2019 and was promoted by our radio group beginning in January 2019.
