COMMENTARY- RELIGION

WUWG What's Up in west Georgia 07-28-2018 – 8:00 a.m. – 9:16 a.m. (76-minutes)
Subject: Pastor Bro David McKenzie, Pineywoods Baptist Church discussed how the Helping Lazarus Mission seeks to expand into the drug rehabilitation arena. Posits why God put Donald Trump into office. . . to slow down the spread of globalism (Revelation 13) and to prevent the U.S. government from becoming a part of a one world government movement which resonates with the young people who seem to want something other than America being great again. Laws are for those that will break them. The churches of today focus on miracles, which sets up the mindset for the coming of the anti-Christ and the one-world government.
