Are Josephine County taxpayers getting their money's worth? We elect just three people who have no experience to run a \$200 million dollar service industry and pay them close to 100 thousand dollars to learn the job. We can fix this by expanding the board to five part-time commissioners and hiring a county manager. The manager would take over the day-to-day business and commissioners, paid by stipend, would spend their time working in their district, listening to their citizens, and working with the other commissioner in setting policy benefitting all in Josephine County. Vote yes on Measure 17-116. Yes, it is a big change, but needed for a flourishing Josephine County. Learn more at jococrg.org

Just what are the Commissioners over at the Josephine County Courthouse trying to hide? Two of them act like Measure 17-116 is the biggest threat to the county since the flood of 1964. That's a good enough reason to vote yes on the Measure right there. We might finally find out whether or not there are skeletons in the courthouse closets. Of course, Measure 17-116 does a lot more than that. It expands the board from three to five, paying them with a modest stipend instead of 6-figure salaries. It gives people in the rural areas a chance to vote for someone from their neighborhood. It also provides for something sorely needed in this age of complex grant funding and economic development, a county manager who would take over the day-to-day business. Vote Yes on Measure 17-116 and set the county right again! Learn more at jococrg.org.
