RE: PROGRAM CONTENT

To Whom It May Concern:

The purpose of this letter is to provide television stations with certified documentation that the producers of the *Calling Dr. Pol* series design the program to educate and inform children 13- 16 years of age.

Litton Entertainment is the producer of the *Calling Dr. Pol* series.

This is a live action, half-hour television program designed to meet the educational and informational needs of children.

In this inspiring series viewers will share the experiences of Dr. Pol. Caring for more than 19,000 patients, Dr. Pol has seen it all. Specializing in large farm animals, Dr. Pol, his family and veterinary staff care for animals of all shapes and sizes and the audience will have a chance to learn about the challenges and rewards of this fulfilling profession. Unstoppable and unflappable, this Doc is a legend in the community.

In order for parents, children, and listing services to clearly identify the programs as ones that fulfill the FCC programming requirements that meet children's educational television needs, each episode is closed-captioned and contains an E/I icon for the duration of the program with the recommended parental rating icon – typically, if not always, TV-G.

Sincerely,

Dave Morgan
