Responsive Programming:

WKWC airs various public service announcements throughout its programming. With the limited amount of staffing of the station, we must air responsive programming, mostly in the form of PSA's. So we reach out to many non-profit organizations and gather information about their organizations and produce and air these PSA's. These PSA's run within the station's programming on a 24-hour basis at various times.

6. Topic: Toastmasters International Length: 30-seconds Time: Various

Toastmasters International is a nonprofit educational organization that teaches public speaking and leadership skills through a worldwide network of clubs. For information about local Toastmasters clubs, please visit www.toastmasters.org.
