

COX Media Group-Houston

2nd Quarter 2015

Public Service Report

KHPT-FM 106.9

Conroe, Texas

Prepared and Submitted By:

Suzi Hanks

July 10, 2015

July 10, 2015

The following is a report of public service programming for the 2nd quarter of 2015. During which time, the top issues of community interest & concerns were found to be:

- Community Events and Services
- Youth
- Education
- Health
- Safety
- Economy
- Environment
- Crime

In order to meet these issues, KHPT-FM airs a locally produced 60-minute public affairs program on Sundays called "FYI". Additionally, KHPT-FM helps meet community issues through daily programming.

Thank you,

Suzi Hanks

Community Events and Services, Youth, Health, Economy

Program Name	Date and Time Aired	Description of Discussion	Duration Of Discussion
FYI	04/05/15 @ 5:00a.m.	Guest was Gina Hide and Jeff Armbruster with the MS Society. We talked about the upcoming BPMS150, a 150 mile bike race from Houston to Austin to raise funds for the MS Society. We talked about Jeff's experience after being diagnosed with MS, and the advancements in treatment thanks to research funded by the MS Society.	:30
FYI	04/05/15 @ 5:30a.m.	Guest was Laura Pettit and Meghan Stahling with the Lone Star Chapter of the Pulmonary Hypertension Association. Pulmonary hypertension (PH) is a rare, debilitating disease in which high blood pressure in the arteries of the lungs can lead to heart failure. We talked about how the Pulmonary Hypertension Association (PHA) has joined PH patients, caregivers, family members and medical professionals, to help to find ways to prevent and cure PH through support, education, research, advocacy and awareness. We discussed support groups, medical networks, care centers and an upcoming fundraiser	:30
FYI	04/12/15 @ 5:00a.m.	Guests were Chad Muir, Chairman of the Board, San Jacinto Museum of History Association. Ron Brown, Colonel in the Texas Army and Captain in the San Jacinto Volunteers, and Curt Osborne, Commander, The Tom Toby Squadron, Texas Navy; President San Jacinto Chapter, The Sons of the Republic of Texas. We talked about the San Jacinto Day Festival and Battle Reenactment. We talked about the history of the battle for independence. We talked about the festival, reenactment, monument, and museum.	:30
FYI	04/12/15 @ 5:30a.m.	Guests were Frida Villalobos and Christina Cave with Neighborhood Centers Inc., a community-based center providing programs for people at every stage of life – from infants to seniors. We talked about free tax preparation services, providing low income family's advice from IRS certified tax preparers to make every cent count. We talked about the challenges this year because of the Affordable Care Act, and how sound financial advice, and access to the Neighborhood Centers Credit Union can help families on the way to financial security. We also talked about other Neighborhood Centers programs like Adult Literacy and leadership classes, Workforce Solutions, Choices in Education, and the Sheltering Arms Senior Services, and how communities need	:30

		opportunity for everyone who is trying to build a better life.	
FYI	04/19/15 @ 5:00a.m.	Guest was Dave Milich, CEO, UnitedHealth Care South Texas, and Ride 2 Recovery. Ride 2 Recovery provides financial, in-kind and volunteer support to help America's injured veterans by promoting a seven-day, 490-mile rehabilitative ride from Houston to Fort Worth. We also talked about the 100,000 Jobs Mission, a coalition of major U.S. corporations that share the goal of hiring 100,000 transitioning service members and military veterans by 2020.	:30
FYI	04/19/15 @ 5:30a.m.	Guest was Genevieve Keeney with the National Museum of Funeral History. We talked about the newest exhibit celebrating the life and legacy of President Abraham Lincoln. The exhibit commemorates the 150 th anniversary of his assassination. We also talked about the Funeral Museum's other exhibits including Popes, Thanks for the Memories, Day of the Dead, History of Embalming, 19 th Century Mourning, Tomb of the Unknown Soldier, Coffins and Caskets, and Historical Hearses. We talked about how the museum has over 35,500 sq. ft. of exhibition space, making it the largest educational center on funeral customs in the United States.	:30
FYI	04/26/15 @ 5:00a.m.	Guest was Dr. Saira George, a dermatologist at MD Anderson in Sugar Land and the Texas Medical Center. We talked about skin cancer. We discussed the importance of sunscreen, risk factors, and how to decide if a mole or freckle needs to be checked. We talked about the different types of skin cancer: basal cell vs. squamous vs. melanoma and how they are treated. We talked about prevention and the dangers of tanning beds, the increase in melanoma in children in recent years and how common it is in adults. We also discussed the upcoming free citywide skin screening day.	:30
FYI	04/26/15 @ 5:30a.m.	Guest was June Christensen and Karen Wassick with the Society for the Performing Arts Houston. We talked about how the SPA brings a broad selection of performing artists and companies from around the world to complement Houston's own theater, dance, and music offerings. The goal of the organization is to present a wide range of the highest quality national and international caliber of classical performing artists and companies, ranging from traditional to contemporary, large orchestras and dance companies to recitalists and solo performers, new artists and art forms to multi-cultural attractions. We discussed the new season	:30

		schedule, and the upcoming programs open to the public, as well as specialized programs for students and educators.	
FYI	05/03/15 @ 5:00a.m.	Guest was Dr. Lois Ramondetta with MD Anderson Cancer Hospital. We talked about HPV (Human Papilloma Virus) We talked about how people get it, what it is, how common it is and how you can find out you have it. We talked about cancers caused by HPV, how it affects men and women. We also discussed the HPV vaccine, the controversies surrounding it, who should be getting it, how big of an impact the vaccine could have on eliminating HPV-based cancers. We discussed why more children are not getting the vaccine and the barriers to getting the word out about HPV. We also discussed an upcoming HPV summit in Houston.	:30
FYI	05/03/15 @ 5:30a.m.	Guests were April Day, President of the Women's Business Enterprise Alliance, and Angelica Garcia Dunn, President of AIM Global. The WBEA serves women owned businesses and entrepreneurs by offering counseling and training to help launch businesses, access funding and create jobs. We talked about programs offered by WBEA including scholarships and mentoring, networking activities, and educational opportunities designed to spark growth and new business opportunities. We talked about the women's business center, and the resources available to help women owned business enterprises get certified. A designation that is not only recognized but required to do business with most major corporations and governmental agencies. We talked about the upcoming WBEA Convention, with special workshops to help women in business get federal contracts, market their business, and make it grow.	:30
FYI	05/10/15 @ 5:00a.m.	Guest was Rebecca Wagner, PhD, a Psychologist at the Menninger clinic. We talked about motherhood, the value of mothers, and the importance of having a mother figure. We talked about the different forms of motherhood, and mothers model healthy relationships with family, friends and others. We talked about the mother daughter relationship, as well as how becoming a mother changes a woman's relationship with her own mother. We talked about Baby Blues, guilt and the importance of having support from family and friends and sometimes a mental health professional.	:30

FYI	05/10/15 @ 5:30a.m.	Guest was Dr. Saira George, a Dermatologist at MD Anderson in Sugar Land and the Texas Medical Center. We talked about skin cancer. We discussed the importance of sunscreen, risk factors, and how to decide if a mole or freckle needs to be checked. We talked about the different types of skin cancer: basal cell vs. squamous vs. melanoma and how they are treated. We talked about prevention and the dangers of tanning beds, the increase in melanoma in children in recent years and how common it is in adults. We also discussed the upcoming free citywide skin screening day.	:30
FYI	05/17/15 @ 5:00a.m.	Guest was Dr. George Guillen, Executive Director of the Environmental Institute of Houston, University of Houston Clear Lake. We talked about the History and organization of EIH, current research and educational programs and environmental issues facing the Houston and Gulf Coast region. We talked about educational and training needs, and the role of science.	:30
FYI	05/17/15 @ 5:30a.m.	Guest was Dr. Lois Ramondetta with MD Anderson Cancer Hospital. We talked about HPV (Human Papilloma Virus) We talked about how people get it, what it is, how common it is and how you can find out you have it. We talked about cancers caused by HPV, how it affects men and women. We also discussed the HPV vaccine, the controversies surrounding it, who should be getting it, how big of an impact the vaccine could have on eliminating HPV-based cancers. We discussed why more children are not getting the vaccine and the barriers to getting the word out about HPV. We also discussed an upcoming HPV summit in Houston.	:30
FYI	05/24/15 @ 5:00a.m.	Guests were Mat Williams and Jackie Reyes with the Houston National Cemetery, and Peggy Slay with Wreaths Across America. We talked about Memorial Day and how the Houston National Cemetery traditionally observes the day of commemorating military personnel who have died. We talked about burial benefits, and who qualifies to be buried at the HNC. We talked about the history, the monuments and memorials at the cemetery, and the notable people buried there. We talked to Peggy Slay, one of the Gold Star Mothers whose son was killed in Iraq, and a movement to place wreaths on every grave at the cemetery.	:30
FYI	05/24/15 @ 5:30a.m.	Guests were Mark Chambers, CEO, Dave Gorham with StormGeo. We talked about Hurricane Season, specifically planning and preparation for business and industry. Hurricane season runs June 1st through the end of November. We talked about the upcoming hurricane symposium for business and industry,	:30

		meteorology/science, and business continuity best practices. We discussed the importance of preseason planning, and testing the plan using drills. We also talked about what to do after the storm so businesses can open and recover.	
FYI	05/31/15 @ 5:00a.m.	Guest was Toy Wood, CEO with The Greater Houston Builders Association. We discussed the ins and outs of hiring a contractor to repair or rebuild homes damaged in recent storms, or during the upcoming hurricane season. We talked about laws that apply to contractors after the declaration of a disaster, how to avoid unscrupulous scam artists who descend on neighborhoods immediately after a disaster, and what to look for in a contractor. We talked about water and mold damage, building codes and regulations, as well as the importance of documentation and insurance coverage.	:30
FYI	05/31/15 @ 5:30a.m.	Guest was Robert B. Johnson Director, Continuing Legal Education University of Houston Law Center. We talked about how thousands in Texas are dealing with insurance in the aftermath of floods, and now on top of that, Hurricane season is beginning. We discussed the nuances of insurance policies, and understanding the laws that protect Texans before and after the storm. We talked about flood, windstorm and homeowners insurance, and the different requirements depending on where you live. We talked about renter's rights, price gouging, and other legalities involving damages after a storm.	:30
FYI	06/07/15 @ 5:00a.m.	Guest was Toy Wood, CEO with The Greater Houston Builders Association. We discussed the ins and outs of hiring a contractor to repair or rebuild homes damaged in recent storms, or during the upcoming hurricane season. We talked about laws that apply to contractors after the declaration of a disaster, how to avoid unscrupulous scam artists who descend on neighborhoods immediately after a disaster, and what to look for in a contractor. We talked about water and mold damage, building codes and regulations, as well as the importance of documentation and insurance coverage.	:30
FYI	06/07/15 @ 5:30a.m.	Guest was Harris County Judge Ed Emmitt. We talked about Hurricane season, and the recent storms that flooded Harris County. We talked about how important it is to prepare for hurricane season, including making a plan, building a kit, and staying informed. We talked about registration for people who need assistance evacuating. We talked about the difference between weather "watch" and "Warning" advisories, as well as what evacuation zones, and how to decide if you should stay or go. We discussed the recent expansion of Houston Transtar, the emergency management building.	:30

FYI	06/14/15 @ 5:00a.m.	Guest was Harris County Judge Ed Emmitt. We talked about Hurricane season, and the recent storms that flooded Harris County. We talked about how important it is to prepare for hurricane season, including making a plan, building a kit, and staying informed. We talked about registration for people who need assistance evacuating. We talked about the difference between weather “watch” and “Warning” advisories, as well as what evacuation zones, and how to decide if you should stay or go. We discussed the recent expansion of Houston Transtar, the emergency management building.	:30
FYI	06/14/15 @ 5:30a.m.	Guest was Charles Spain with The Trust for Vexillology. We talked about Flag Day. We discussed how flags tell us much about the origins, values and culture of our society. We talked about What flag day is, the history of flags, and why people are so passionate about them. We talked about the US flag, the Texas flag and the centennial this year of the Houston flag. We talked about the US flag that NASA planted on the moon.	:30
FYI	06/21/15 @ 5:00a.m.	Guest was Dan Parsons with the Better Business Bureau. We talked about consumer fraud after the recent storms, certified customer reviews through the BBB, cyber fraud, vacation scams and scholarship/student fraud.	:30
FYI	06/21/15 @ 5:30a.m.	Guests were Megan Gust and Sarah Aguirre with the Depression and Bipolar Support Alliance. We talked about depression and bipolar disorder, and the difference between the two. We discussed the symptoms and treatment of both, and the support groups available for people who suffer from mental disorders, as well as their families and friends. We talked about the stigma of mental disorders, and the possibility of self-harm or suicide.	:30
FYI	06/28/15 @ 5:00a.m.	Guest was Dr. Henry L. “Sonny” Presnal, Director of the Stevenson Companion Animal Life-Care Center, College of Veterinary Medicine & Biomedical Sciences at Texas A&M University. The Stevenson Center provides the physical, emotional, and medical needs of companion animals whose owners are no longer able to provide that care. Clients of the center include pet owners who want to assure their pet's future prior to entering a retirement home, being hospitalized for an extended period, or predeceasing a pet. We talked about how graduate students live and work there during their studies, and the latest resident, Reveille VIII, the retired mascot for Texas A&M University. Reveille was the First Lady of Aggieland and now she is a First Lady of the Stevenson Center.	:30

FYI	06/28/15 @ 5:30a.m.	Guest was Dr. George Guillen, Executive Director of the Environmental Institute of Houston, University of Houston Clear Lake. FYI	04/12/15 @ 5:30a.m.	Guests were Frida Villalobos and Christina Cave with Neighborhood Centers Inc., a community-based center providing programs for people at every stage of life – from infants to seniors. We talked about free tax preparation services, providing low income family’s advice from IRS certified tax preparers to make every cent count. We talked about the challenges this year because of the Affordable Care Act, and how sound financial advice, and access to the Neighborhood Centers Credit Union can help families on the way to financial security. We also talked about other Neighborhood Centers programs like Adult Literacy and leadership classes, Workforce Solutions, Choices in Education, and the Sheltering Arms Senior Services, and how communities need opportunity for everyone who is trying to build a better life.	:30
FYI	04/19/15 @ 5:00a.m.	Guest was Dave Milich, CEO, UnitedHealth Care South Texas, and Ride 2 Recovery. Ride 2 Recovery provides financial, in-kind and volunteer support to help America’s injured veterans by promoting a seven-day, 490-mile rehabilitative ride from Houston to Fort Worth. We also talked about the 100,000 Jobs Mission, a coalition of major U.S. corporations that share the goal of hiring 100,000 transitioning service members and military veterans by 2020.	:30
FYI	05/03/15 @ 5:30a.m.	Guests were April Day, President of the Women’s Business Enterprise Alliance, and Angelica Garcia Dunn, President of AIM Global. The WBEA serves women owned businesses and entrepreneurs by offering counseling and training to help launch businesses, access funding and create jobs. We talked about programs offered by WBEA including scholarships and mentoring, networking activities, and educational opportunities designed to spark growth and new business opportunities. We talked about the women’s business center, and the resources available to help women owned business enterprises get certified. A designation that is not only recognized but required to do business with most major corporations and governmental agencies. We talked about the upcoming WBEA Convention, with special workshops to help women in business get federal contracts, market their business, and make it grow.	:30
