2nd Quarter 2017

Public Service Report

KHPT-FM 106.9

Conroe, Texas

Prepared and Submitted By:

Suzi Hanks

July 6, 2017

July 6, 2017

The following is a report of public service programming for the 2nd quarter of 2017. During which time, the top issues of community interest & concerns were found to be:

- Community Events and Services
- Youth
- Education
- Health
- Safety
- Economy
- Environment
- Crime

In order to meet these issues, KHPT-FM airs a locally produced 60-minute public affairs program on Sundays called "FYI". Additionally, KHPT-FM helps meet community issues through daily programming.

Thank you,

Suzi Hanks

| Program Name | Date and Time Aired | Community Events and Services | Duration Of Discussion |
|---------------------|----------------------------|--|-------------------------------|
| FYI | 04/02/17 @ 5:00a.m. | Guest was Linda Li, MD with Kelsey-Seybold and the American Diabetes Association. We talked about the joint initiative between Cox Media Group, The American Diabetes Association, and the Ad Council Houston Leadership Committee, to raise awareness about Pre diabetes, a precursor to Type 2 Diabetes. We talked about the different types of Diabetes, and how early detection of pre diabetes can prevent Diabetes type 2. We talked about the risk factors and symptoms, as well as the damage caused by the disease, and how to treat it. | :30 |
| FYI | 04/02/17 @ 5:30a.m. | Guest was Brenda Myers, Executive Director, Hug-A-Tree-&-Kiss-A-Fish (HAT&KAF), who told listeners about some of the services and activities their organization provides, including “care backpacks” with blankets, food, for the homeless; cover cost of utilities for indigents; and their upcoming event based out of Conroe, HAT&KAF for special needs children. HAT&KAF is a three-day event for young people and their parents where expenses (food, drinks) are covered in an outdoor mini-camp with fishing, swimming, movies at night, campfires, music, First Nation dancers. Families need to provide their own tents although some are available through Academy. Also many celebrities such as Termite Watkins, Dan Pastorini, Booker T, Lance Dunbar, Texans Cheerleaders will be there to sign free autographs. | :30 |
| FYI | 04/09/17 @ 5:00a.m. | Guests were Kelly Kline and Lauren Brennan with Easter Seals of Greater Houston. We talked about the services and community resources Easter Seals provides for the disabled, their caregivers and veterans. We talked about the educational, economic, social and developmental needs, and what more can be done. We also talked about the Caroline School, a school and medical facility for children with disabilities. | :30 |

| | | | |
|-----|---------------------------|---|-----|
| FYI | 04/09/17 @ 5:30a.m. | Guest was Laura Frnka-Davis with LifeGift. We talked about Apple's recent announcement to register organ and tissue donors through the health app on the iPhone. We talked about the need to register as a donor, and a push to get information to minority donors. | :30 |
| FYI | 04/16/17 @ 5:00am | Guests were Andrea and Scott Davidson with Chance for Hope. http://chanceforhopefoundation.org/ We talked about their son Chance, who died from brain cancer at the age of 12, and the charity they began in his name that helps families with pediatric cancer. We talked about how their experience led them to find ways to help families with housing, food, transportation during treatment. We also talked about educating people about brain cancer, and raising fund for research. | :30 |
| FYI | 04/16/17 @ 5:30a.m. | Guests were MS Society Development Director Mindy LeBlanc, and BP MS 150 top fundraiser Rita Joubran. http://www.nationalmssociety.org/ We talked about the upcoming BP MS 150 fundraising bike ride, and the importance of funding to beat MS. We talked about new research and drugs to treat, prevent and restore function to people with MS. We talked about what MS is, what services are available for people with MS, as well as the importance of education, and research. | :30 |
| FYI | 04/23/17 @ 5:00a.m. | Guests were C. A. "Charlie" Vazquez, Assistant Chief, Houston Police Department, and Officer Jesse Medina. We talked about the shortage of officers, and how the department is turning towards recruiting veterans. http://www.hpdcareer.com/ We talked about the American Law Enforcement Heroes Act, and how the proposed law would help attract veterans to HPD. We talked to Officer Jesse medina, a Marine, wounded in Afghanistan, who recently completed the academy despite being an amputee with a prosthetic leg. We talked about the requirements to get into the Academy, as well as the opportunities | :30 |

| | | | |
|-----|---------------------------|--|-----|
| FYI | 04/23/17 @ 5:30a.m. | <p>Guests were Harris County Crime Lab Director Dr Roger Kahn, and Harris County Deputy Chief Medical Examiner Dr Dwayne Wolf. We talked about the new \$75 million dollar Harris County Institute of Forensic Science.</p> <p>https://ifs.harriscountytexas.gov/Pages/default.aspx</p> <p>We talked about the integration of both the Harris County medical examiner and crime laboratory services into one facility enabling seamless flow between administrative, clinical, laboratory, public and teaching/training areas.</p> | :30 |
| FYI | 04/30/17 @ 5:00a.m. | <p>Guest was Dr. Eric Sandberg with Kelsey-Seybold Clinic. We talked about allergies, and how Houstonians are affected by seasonal airborne allergies, as well as allergies to food and pets. We talked about allergy symptoms, testing, desensitization, shots and immunotherapy. We talked about how allergies can affect asthma, and the difference in prescription vs over the counter drugs.</p> | :30 |
| FYI | 04/30/17 @ 5:30a.m. | <p>Guests were MS Society Development Director Mindy LeBlanc, and BP MS 150 top fundraiser Rita Joubran.</p> <p>http://www.nationalmssociety.org/</p> <p>We talked about the upcoming BP MS 150 fundraising bike ride, and the importance of funding to beat MS. We talked about new research and drugs to treat, prevent and restore function to people with MS. We talked about what MS is, what services are available for people with MS, as well as the importance of education, and research.</p> | :30 |
| FYI | 05/07/17 @ 5:00a.m. | <p>Guests were Jen Torres, Executive Director Arthritis Foundation, and Volunteer Ashley Seippel, who is on the Arthritis Foundation Leadership Board and has struggled with arthritis since she was a child. We talked about the types of arthritis and different kinds of auto immune diseases. We talked about the misconception that arthritis only affects the elderly, as well as the treatments, research and coping skills needed to live with arthritis.</p> | :30 |
| FYI | 05/07/17 @ 5:30a.m. | <p>My guest is Amy Reagan, spokesperson for the Houston Community Food Bank and the nationwide National Letter Carriers' Stamp Out Hunger Food Drive. It benefits people in Conroe and Montgomery County who need food-stuff assistance. She told listeners of the May 13 non-profit food drive which asks all who can place any non-perishable food items in bags and leave them next to their mailbox this Saturday for their letter carrier to pick up. The Houston Community Food Bank will serve to disburse it to local food distribution organizations in 18 East Texas counties, including Conroe and Montgomery Co.</p> | :30 |

| | | | |
|-----|---------------------------|--|-----|
| FYI | 05/14/17 @ 5:00a.m. | Guests were Shane Bonnot, Advocacy Director of the Coastal Conservation Association Texas, and Thomas Hilton. We talked about the 2017 Texas Snapper season being cut from 9 days, to only 3, making it the shortest in history. We talked about the controversy around the federal management of fishing quotas, and the division between commercial, charter and recreational sectors. We talked about the measurement of fish, and the support for state control of snapper fishing in Gulf waters. | :30 |
| FYI | 05/14/17 @ 5:30a.m. | Guests were C. A. "Charlie" Vazquez, Assistant Chief, Houston Police Department, and Officer Jesse Medina. We talked about the shortage of officers, and how the department is turning towards recruiting veterans. http://www.hpdcareer.com/ We talked about the American Law Enforcement Heroes Act, and how the proposed law would help attract veterans to HPD. We talked to Officer Jesse Medina, a Marine, wounded in Afghanistan, who recently completed the academy despite being an amputee with a prosthetic leg. We talked about the requirements to get into the Academy, as well as the opportunities | :30 |
| FYI | 05/21/17 @ 5:00a.m. | Guest was Jonathan Beitler with The Orange Show. The Orange Show Center for Visionary Art focuses on the ability to make basic elements of art tangible and accessible to the public. We talked about the Beer Can House, the Houston Art Car Parade, the Orange Show Center for Visionary Art, and how it's become the Houston hub of folk art activity. We talked about Orange Show opportunities for at-risk youth to engage in enriching art projects such as mural painting and Art Car building, and cultural Eye-opener Tours that explore amazing art environments throughout the city. | :30 |

We talked about Orange Show opportunities for at-risk youth to engage in enriching art projects such as mural painting and Art Car building, and cultural Eyeopener Tours that explore amazing art environments throughout the city.</p> | :30 |
| FYI | 06/18/17 @ 5:00a.m. | <p>Guest was Jim Ray, Ph.D., head of Neuroscience at MD Anderson. We talked about the work being done to find a cure for Alzheimer's disease through the Neurodegeneration Consortium (NDC) of MD Anderson, Baylor College of Medicine and the Massachusetts Institute of Technology. The NDC is the first collaboration of three such prominent research groups seeking a cure. And, the first time a cancer center of MD Anderson's stature is involved in such a study. It was established through a \$25 million donation to MD Anderson from the Belfer Family Foundation.</p> | :30 |
| FYI | 06/18/17 @ 5:30a.m. | <p>Guest was Ashley Tompkins with Moody Gardens. We talked about the \$37 million dollar Aquarium renovation, including several new, interactive exhibits highlighting the Gulf of Mexico, South Atlantic, South Pacific, North Pacific and Caribbean. Improvements also were made to the South Atlantic Penguin Habitat and South Pacific Biome. We talked about the new Humboldt Penguin Habitat, the Gulf of Mexico Rig Exhibit, a 19th-century rum-runner shipwreck replica based on Galveston pirate Jean Lafitte's ship. We talked about conservation, and the importance of artificial reefs.</p> | :30 |

| | | | |
|-----|---------------------------|---|-----|
| FYI | 06/25/17 @ 5:00am | Guests were Dr. Mara Antonoff, and Dr. Myrna Godoy, with MD Anderson Cancer center. We talked about prevention, detection and the treatment of Lung Cancer. We talked about the breakthroughs in treatment in the last 4 years thanks to research, and a new cancer screening clinical trial for smokers at MD Anderson Cancer Center. | :30 |
| FYI | 06/25/17 @ 5:30a.m. | Guest was Texas Department of Public Safety Sergeant Stephen Woodard. We talked about Motorcycle safety. The Motorcycle/ATV Safety Unit is assigned to the Texas Department of Public Safety Education Training and Research Bureau and administers two statewide training programs, the Motorcycle Operator Training and Safety Program and the All-Terrain Vehicle Education and Certification Program. We talked about the importance of proper safety equipment, helmet laws, and drinking and driving. | :30 |

We talked about the Beer Can House, the Houston Art Car Parade, the Orange Show Center for Visionary Art, and how it's become the Houston hub of folk art activity. We talked about Orange Show opportunities for at-risk youth to engage in enriching art projects such as mural painting and Art Car building, and cultural Eyeopener Tours that explore amazing art environments throughout the city.</p> | :30 |
| FYI | 06/18/17 @ 5:00a.m. | <p>Guest was Jim Ray, Ph.D., head of Neuroscience at MD Anderson. We talked about the work being done to find a cure for Alzheimer's disease through the Neurodegeneration Consortium (NDC) of MD Anderson, Baylor College of Medicine and the Massachusetts Institute of Technology. The NDC is the first collaboration of three such prominent research groups seeking a cure. And, the first time a cancer center of MD Anderson's stature is involved in such a study. It was established through a \$25 million donation to MD Anderson from the Belfer Family Foundation.</p> | :30 |
| FYI | 06/18/17 @ 5:30a.m. | <p>Guest was Ashley Tompkins with Moody Gardens. We talked about the \$37 million dollar Aquarium renovation, including several new, interactive exhibits highlighting the Gulf of Mexico, South Atlantic, South Pacific, North Pacific and Caribbean. Improvements also were made to the South Atlantic Penguin Habitat and South Pacific Biome. We talked about the new Humboldt Penguin Habitat, the Gulf of Mexico Rig Exhibit, a 19th-century rum-runner shipwreck replica based on Galveston pirate Jean Lafitte's ship. We talked about conservation, and the importance of artificial reefs.</p> | :30 |

| | | | |
|-----|---------------------------|---|-----|
| FYI | 06/25/17 @ 5:00am | Guests were Dr. Mara Antonoff, and Dr. Myrna Godoy, with MD Anderson Cancer center. We talked about prevention, detection and the treatment of Lung Cancer. We talked about the breakthroughs in treatment in the last 4 years thanks to research, and a new cancer screening clinical trial for smokers at MD Anderson Cancer Center. | :30 |
| FYI | 06/25/17 @ 5:30a.m. | Guest was Texas Department of Public Safety Sergeant Stephen Woodard. We talked about Motorcycle safety. The Motorcycle/ATV Safety Unit is assigned to the Texas Department of Public Safety Education Training and Research Bureau and administers two statewide training programs, the Motorcycle Operator Training and Safety Program and the All-Terrain Vehicle Education and Certification Program. We talked about the importance of proper safety equipment, helmet laws, and drinking and driving. | :30 |

| Program Name | Date and Time Aired | Health | Duration Of Discussion |
|---------------------|----------------------------|---|-------------------------------|
| FYI | 04/02/17 @ 5:00a.m. | Guest was Linda Li, MD with Kelsey-Seybold and the American Diabetes Association. We talked about the joint initiative between Cox Media Group, The American Diabetes Association, and the Ad Council Houston Leadership Committee, to raise awareness about Pre diabetes, a precursor to Type 2 Diabetes. We talked about the different types of Diabetes, and how early detection of pre diabetes can prevent Diabetes type 2. We talked about the risk factors and symptoms, as well as the damage caused by the disease, and how to treat it. | :30 |
| FYI | 04/09/17 @ 5:00a.m. | Guests were Kelly Kline and Lauren Brennan with Easter Seals of Greater Houston. We talked about the services and community resources Easter Seals provides for the disabled, their caregivers and veterans. We talked about the educational, economic, social and developmental needs, and what more can be done. We also talked about the Caroline School, a school and medical facility for children with disabilities. | :30 |

| | | | |
|-----|---------------------------|---|-----|
| FYI | 04/09/17 @ 5:30a.m. | Guest was Laura Frnka-Davis with LifeGift. We talked about Apple's recent announcement to register organ and tissue donors through the health app on the iPhone. We talked about the need to register as a donor, and a push to get information to minority donors. | :30 |
| FYI | 04/16/17 @ 5:00am | Guests were Andrea and Scott Davidson with Chance for Hope. http://chanceforhopefoundation.org/ We talked about their son Chance, who died from brain cancer at the age of 12, and the charity they began in his name that helps families with pediatric cancer. We talked about how their experience led them to find ways to help families with housing, food, transportation during treatment. We also talked about educating people about brain cancer, and raising fund for research. | :30 |
| FYI | 04/16/17 @ 5:30a.m. | Guests were MS Society Development Director Mindy LeBlanc, and BP MS 150 top fundraiser Rita Joubran. http://www.nationalmssociety.org/ We talked about the upcoming BP MS 150 fundraising bike ride, and the importance of funding to beat MS. We talked about new research and drugs to treat, prevent and restore function to people with MS. We talked about what MS is, what services are available for people with MS, as well as the importance of education, and research. | :30 |
| FYI | 04/23/17 @ 5:30a.m. | Guests were Harris County Crime Lab Director Dr Roger Kahn, and Harris County Deputy Chief Medical Examiner Dr Dwayne Wolf. We talked about the new \$75 million dollar Harris County Institute of Forensic Science. https://ifs.harriscountytexas.gov/Pages/default.aspx We talked about the integration of both the Harris County medical examiner and crime laboratory services into one facility enabling seamless flow between administrative, clinical, laboratory, public and teaching/training areas. | :30 |
| FYI | 04/30/17 @ 5:00a.m. | Guest was Dr. Eric Sandberg with Kelsey-Seybold Clinic. We talked about allergies, and how Houstonians are affected by seasonal airborne allergies, as well as allergies to food and pets. We talked about allergy symptoms, testing, desensitization, shots and immunotherapy. We talked about how allergies can affect asthma, and the difference in prescription vs over the counter drugs. | :30 |
