News 4 This Morning @ 6	9.9.2016	6:13:03	2:02	<p>AND NOW, IT'S TIME ONCE AGAIN FOR TODAY'S "FITNESS FIRST FRIDAY." My name is Virginia Flowers and I'm a trainer here at Xtreme Health and Fitness and today I'm going to talk about motivation. Here are 3 tips to stay motivated to your workout all backed by scientific research. The first tip is to give yourself a real reward. There are many benefits to maintaining regular fitness routines - better health, weight control, better sleep, even making new friends. If these factors aren't motivating you, try putting a physical reward in your hands after working out</p>

				<p>to make the benefits more tangible. For example, maybe after going to the gym, you get to watch an episode of Netflix in bed. Maybe you get a relaxing bubble bath as a treat. Stay away from rewarding a good workout with bad food. Instead, find a protein shake you like or a healthy smoothie to reward yourself after going to the gym.</p> <p>The second tip is to make a commitment contract. We can make promises to ourselves all day long, but research shows we're more likely to follow through if we make our promise in front of friends. Tell your friends about your fitness goals. Let them keep you accountable. And if you really want to up the ante, make a bet with a friend. Maybe I have to buy someone lunch if I skip my workout session.</p> <p>Our final tip is to rethink positive thinking. Sure, you've heard that phrase before, but what does it actually mean? Don't focus on the negative experience during exercise - the burpees, the sweating. Instead, focus on what you do like about it. Before going on a run, remind yourself how nice it will feel in the fresh air, and how accomplished you'll feel after sticking to your fitness plan.</p> <p>Thanks for watching and always remember to keep fitness first.</p> <p>FITNESS FIRST, BROUGHT TO YOU BY XTREME FITNESS!</p> <p>AND... JUST A REMINDER... "YOU CAN FIND FITNESS FIRST FRIDAY ON WTVY DOT COM."</p>

DANIELLE NOTTINGHAM REPORTS.</p> <p>Millions of women worldwide use hormonal contraceptives. Now a new study published in JAMA Psychiatry finds a these birth control methods such as pills or implants may increase the risk of depression.</p> <p>they found that there was about a 23 percent increase compared to non-users of hormonal contraception in terms of depression diagnosis or use of antidepressants</p> <p>Researchers looked at data on more than a million girls and women ages 15 to 35 in Denmark. The study found adolescents were at the greatest risk.</p> <p>Dr. James Liu I think for the adolescents the cognitive development is not as mature as women who are older and relationship issues may be more prevalent in the population so I think that sort of reflects that trend Doctors say the study doesn't change whether hormonal contraceptives should be prescribed to women, but the link is something clinicians and *patients* should be aware of.</p> <p>Dr. James Liu women if they do develop signs of mild depression should interface with their provider</p>

News 4 @ 5	7.12.2016	17:03:43	1:44	<p>SUMMER IS THE MOST COMMON TIME FOR LIGHTNING FATALATIES ESPECIALLY WITH THE DAILY THUNDERSTORMS THAT WE SEE. METEOROLOGIST CAROLINE RITTER SPOKE WITH OUR LOCAL NATIONAL WEATHER SERVICE IN</p>

				<p>TALLAHASSEE FOR SOME LIGHTNING SAFETY TIPS.</p> <p>OUT OF 50 STATES, ALABAMA IS RANKED NUMBER 7 IN LIGHTNING FATALITIES, WITH 12 IN THE PAST DECADE. LIGHTNING WILL TYPICALLY TAKE THE PATH OF LEAST RESISTANCE SO IT IS IMPORTANT TO TAKE IMMEDIATE ACTION.</p> <p>YOU HAVE PROBABLY HEARD THE SAYING: WHEN THE THUNDER ROARS, GO INDOORS! LIGHTNING CAN STRIKE AROUND 10 MILES OUTSIDE OF AN ACTUAL THUNDERSTORM. IT CAN CAUSE DAMAGE TO HOMES, POWERLINES, AND UPROOT TREES THAT WILL THEN CAUSE FURTHER DAMAGE.</p> <p>SO WHAT DO YOU DO IF LIGHTNING STRIKES WHEN YOU ARE OUTSIDE?</p> <p>"stay away from taller objects like trees for example, um yeah you don't want to lie down on the ground because if the lightning strikes nearby it could travel up through your body that way so you want to minimize the amount of contact area you have with the ground."</p> <p>GETTING IN A CAR IS ALSO A GOOD IDEA BECAUSE METAL IS A GOOD CONDUCTOR OF ELECTRICITY. IF THE CAR IS STRUCK BY LIGHTNING, THE ELECTRICITY WILL BE ROUTED AROUND THE METAL PART OF THE OUTSIDE OF THE CAR. ONE PLACE YOU DON'T WANT TO BE IS ANY BODY OF WATER.</p> <p>"if you are swimming at the pool or at the beach you definitely want to get out of the water. Water is an excellent conductor of electricity and you do not want to be in there if lightning happens to strike that body of water."</p> <p>IN FACT, FLORIDA IS THE NUMBER ONE STATE FOR LIGHTNING DEATHS.</p> <p>YOU SHOULD MAKE EVERY EFFORT TO GET INDOORS WHEN YOU SEE THAT NEXT LIGHTNING STRIKE, AND WAIT AT LEAST 30 MINUTES AFTER YOU HEAR THE LAST CLAP OF THUNDER BEFORE YOU BACK OUTSIDE.</p> <p>REG?</p>

Cab companies have come and gone, but I'm still here. I welcome competition. But, I don't think Dothan is big enough for Uber."</p> <p>THE COMPANY'S MOVE TO DOTHAN ISN'T SET IN STONE, BUT THERE ARE A DOZEN ONLINE JOB LISTINGS FOR DRIVERS IN THE CIRCLE CITY. I like Uber because it looks like a job that you could make some extra money on. And I already do a lot of driving, so I thought about signing up with Uber."</p> <p>IT'S THE NEWEST WAY OF TRANSPORTATION. THE SMART PHONE APP ALLOWS USERS TO REQUEST A RIDE FROM A NEARBY DRIVER... BUT THAT HAS SOME PEOPLE CONCERNED. I personally do not like them. They wouldn't be something that I prefer." "The taxi industry has more credentials. You'd be able to trust them a lot more. And if something were to go wrong then you'd have something to fall back on. With Uber driver, it's just any old person- you never know." BUT STILL SOME PEOPLE ARE SOLD ON THE CONVENIENCE AND COST OF UBER If it's half as cheap, I would rather do that than taxis. Plus the background checks make it safer." "Taxi's have been around for a long time, and I think they'll continue to be around for a long time. You know, we need to save some money, if Uber can do that, why not? Taxi? Move over." FROM DOTHAN. WRGX News @ 5:30PM	7.20.2016	17:32:06	2:22	<p>A SHORTAGE... IS CAUSING MANY HOSPITALS NURSES TO WORK IN OVERDRIVE. W-R-G-X's SHARIFA JACKSON TELLS US HOW ONE DOTHAN HOSPITAL IS LOOKING TO MAKE UP THE SHORTFALL. SHARIFA? AMANDA...</p> <p>THE SHORTAGE IS NOT BECAUSE PEOPLE AREN'T INTERESTED IN THE HEALTH CARE FIELD... BUT, BECAUSE OF THE HIGH DEMAND OF PATIENTS BEING ADMITTED INTO HOSPITALS... IT'S BEEN A SLOW SNOWBALL EFFECT OVER THE LAST 3 TO 5 YEARS AS BABY BOOMERS GET OLDER.. AND THE SHORTAGE IS NOT ONLY IN DOTHAN, BUT NATIONWIDE.</p> <p>NATS OF NURSES WALKING DOWN THE HALLWAY.</p> <p>NURSES.... THE HEARTBEAT OF EVERY HOSPITAL. "There is never a dull moment. I think it's a really good field to go into."</p> <p>A PASSION THAT IS HOPED TO SPREAD INTO GENERATIONS TO COME.</p> <p>"Our community is growing older, we have more retired nurses who have made the shortage, and our patients are getting older, and need more care." ANOTHER FACTOR LISTED AS A MAIN REASON FOR</p>

WRGX News @ 4PM	8.24.2016	16:22:02	2:19	<p>GROWING ANGER AND OUTRAGE NOW AMONG THE MILLIONS OF PEOPLE WHO RELY ON AN EMERGENCY EPIPEN.. THIS IS A MEDICINE THAT MANY STATES REQUIRE SCHOOLS TO STOCK, IN CASE A CHILD SUFFERS A POTENTIALLY DEADLY ALLERGIC ATTACK. BUT THE COMPANY THAT MAKES THE EPIPEN HAS A NEAR MONOPOLY. AND NOW, MEMBERS OF CONGRESS ARE CALLING FOR A FEDERAL INVESTIGATION INTO PRICE GOUGING. THE COMPANY THAT MAKES THE DRUG HAS HIKEED THE PRICE MORE THAN 4-HUNDRED-PERCENT OVER 8 YEARS, WHILE ITS EXECUTIVES' COMPENSATION IS UP MORE THAN 6-HUNDRED PERCENT! NBC'S TOM COSTELLO HAS MORE. IT'S CALLED ANAPHYLACTIC SHOCK: ...A FAST, LIFE THREATENING ALLERGIC REACTION.</p> <p>MILLIONS OF AT-RISK AMERICANS AND SCHOOLS KEEP Epi-Pens CLOSE-BY IN CASE OF JUST SUCH AN EMERGENCY.</p> <p>9-year-old JOSHUA FERNANDEZ IS ALLERGIC TO NUTS.</p> <p>BUT OVER 8-YEARS, THE PRICE OF AN EpiPen 2-pack, HAS SKYROCKETED, FROM \$100 to \$600.</p> <p>AND THE PENS MUST BE REPLACED YEARLY.</p> <p>NOW, NBC NEWS HAS FOUND THAT OVER THAT SAME PERIOD, MYLAN PHARMACEUTICALS RAISED EXECUTIVE PAY AND COMPENSATION BY MORE THAN 600%! "I'm struggling to just provide basic life-saving medication for my child, and the money that I pay for this medication is going to somebody's paycheck or some crazy profit margin!"</p> <p>IN CONGRESS, BOTH REPUBLICANS AND DEMOCRATS ARE ALLEGING PRICE GOUGING. CALLING FOR AN INVESTIGATION.</p> <p>SENATOR AMY KLOBUCHAR'S DAUGHTER, ABIGAIL, HAS RELIED ON AN EpiPen SINCE SHE WAS A CHILD.</p>

				<p>"How can you explain that this very same item, made by an American company, is hundreds of dollars cheaper in Canada?"</p> <p>(graphic/statement) THE COMPANY THAT MAKES THE EpiPen, MYLAN PHARMACEUTICALS, TELLS NBC NEWS THE PRICE CHANGE: "...better reflect(s) important product features and the value the product provides."</p> <p>AND IT OFFERS COUPONS TO HELP CUSTOMERS WITH HIGH INSURANCE DEDUCTIBLES.</p> <p>BUT MYLAN IS NOT TALKING ABOUT CEO HEATHER BRESCHKE'S TOTAL COMPENSATION: GOING FROM \$2.4-million TO NEARLY \$19-million DOLLARS OVER 8 YEARS.</p> <p>"It's coming at a time when there's almost never been more scrutiny on the drug industry for its pricing practices." THAT WAS TOM COSTELLO REPORTING. THERE IS AN ALTERNATIVE FOR PATIENTS - THOUGH IN AN EMERGENCY, IT'S NOT IDEAL. INSTEAD OF AN EPIPEN, KEEPING A SYRINGE AND VIAL OF EPINEPHRINE CLOSE BY. IT'S FAR LESS EXPENSIVE, BUT TAKES TRAINING AND A COOL HEAD TO USE IN AN EMERGENCY.</p>

WRGX News @ 5:30PM	7.11.2016	17:40:04	:43	ALABAMA SCHOOL SYSTEMS CAN NOW INSTALL CAMERAS ON THE STOP ARMS OF SCHOOL BUSES. THE GOAL IS TO MONITOR CARS THAT ILLEGALLY PASS THE BUS. ACCORDING TO THE ALABAMA DEPARTMENT OF TRANSPORTATION ... THERE WERE ONE-THOUSAND 361-ILLEGAL PASSINGS LAST SCHOOL YEAR. PROGRAM COORDINATOR OF PUPIL TRANSPORTATION KEVIN SNOWDEN SAYS ... THE CAMERAS SHOULD CUT DOWN ON STOP ARM VIOLATIONS ... AND MAKE IT SAFER FOR STUDENTS. A LAW PASSED IN APRIL ... ALLOWS SCHOOL SYSTEMS TO ENTER INTO CONTRACTS WITH THIRD-PARTY PROVIDERS. THOSE PROVIDERS WOULD SEND CITATIONS TO VIOLATORS. REVENUE FROM CITATIONS WOULD BE SPLIT 40-40 BETWEEN THE COUNTY, CITY AND SCHOOL SYSTEMS. THE REMAINING 20-PERCENT WOULD GO TO THE DEPARTMENTS OF EDUCATION AND PUBLIC SAFETY.
WRGX News @ 4PM	7.12.2016	16:08:52	1:01	WHAT CAN YOU DO TO GET YOUR CHILDREN TO READ MORE? LUCKILY THE DOTHAN HOUSTON COUNTY LIBRARY HAS A SOLUTION FOR YOU. THE LIBRARY HAS A SPECIAL RESIDENT NAMED RUSSELL. RUSSELL THE HEDGEHOG IS A YEAR OLD. HE'S BEEN LIVING AT THE LIBRARY SINCE AUGUST OF 2015. THE LIBRARY USES HIM AS A QUOTE ON QUOTE LEARN-IMAL. HE'S AN ATTRACTION THAT DRIVES KIDS INTO THE DOORS AND TOWARDS THE BOOKS. CHILDREN NORMALLY GO OVER TO HIS TANK TO HAVE A PEEK. THEY NOT ONLY FIND RUSSELL BUT A BUNCH OF BOOKS. RUSSELL GRABS A KID'S INTEREST AND ENGAGES THEM TO LEARN MORE BY READING. THIS CAN BE ABOUT HEDGEHOGS, HISTORY, OR JUST FOR FUN. KIDS OF ALL AGES ALSO HAVE THE CHANCE TO PET AND FEED RUSSELL WHILE AT THE LIBRARY. JUST ASK THE LIBRARIAN TO SEE HIM. "My favorite thing about the hedgehog is playing with it and petting it." THE LIBRARY HAS A BUNCH OF ACTIVITIES GOING ON. THE LATEST IS THE UNVEILING OF THE LITTLE FREE LIBRARY. THE LITTLE FREE LIBRARY WILL BE THE SECOND ONE IN DOTHAN. THE EVENT WILL TAKE PLACE AT KIWANIS PARK AT 9 A-M THIS FRIDAY.

"it is our plan this year to impress upon parents that any day that is missed from school, is too many."</p> <p>AFTER CONTINUOUSLY FALLING SHORT OF STATE EXPECTATIONS FOR SCHOOL ATTENDANCE... OZARK CITY SCHOOLS DECIDED TO TRY THIS CHALLENGE.</p> <p>"if we can establish those patterns with those very young children, the expectation to be in school every day, that pattern stays with them through middle school, where it's really tough in middle school, and especially in high school where students are making a lot more decision on their own."</p> <p>THIS NEW CHALLENGE COUNTS ALL ABSENCES ...FROM TARDIES AND LEAVING EARLY...</p> <p>EXPECTING STUDENTS TO BE IN SCHOOL EVERY DAY... ALL DAY.</p> <p>"anytime you miss anything... you are getting a little bit behind... and that just means you are constantly in catch-up mode, and that makes school harder than it has to be."</p> <p>AND MISSING MORE THAN THE 10-DAYS CAN LAND YOU AND YOUR CHILD IN BIG TROUBLE....</p> <p>"the parents are liable if that student is not in school and can have court action against them in those cases."</p> <p>SOMETHING DR. WRGX News @ 5:30PM	8.23.2016	17:36:00	1:47	<p>DOTHAN CITY COMMISSIONERS CONTINUE TO SEEK ANSWERS TO LOCAL ENVIRONMENTAL PROBLEMS... THE LATEST... ASSOCIATED WITH THE CITY'S WASTEWATER TREATMENT FACILITIES. AS WRGX'S CAROLINE RITTER TELLS US ... ON TOP OF THAT... THE CITY FACES ON-GOING LEGAL BATTLES CONNECTED TO THE ISSUES COMMISSIONERS ARE CONCERNED ABOUT 70 FLOOD PRONE AREAS.</p> <p>"the next big infrastructure cost that we're going to work on uh but it's essential that we do this get started" UNDER CONSIDERATION ARE TWO PROPOSALS--- ONE WOULD INCREASE THE SIZE OF UNDERGROUND PIPING AND CHANNELS. THE OTHER INVOLVES RETENTION PONDS. DOTHAN HAS FACED ITS SHARE OF ENVIRONMENTAL ISSUES RECENTLY. A FEW YEARS AGO... FEDERAL AGENTS RAIDED THE CITY'S WASTEWATER TREATMENT PLANTS. COMMISSIONERS AGREED WITH THE ENVIRONMENTAL PROTECTION AGENCY... TO BRING THOSE PLANTS UP TO FEDERAL STANDARDS. IN FACT-THE COMMISSION RECENTLY APPROVED 41-MILLION DOLLARS FOR THE OMAHA WASTEWATER PLANT ALONE. BUT-NOW THE STATE HAS FILED A LAWSUIT. THE ALABAMA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT OR ADEM--- CLAIMS THE CITY'S SEWER SYSTEM IS OPERATED IN VIOLATION OF STATE LAW. COMMISSIONERS BELIEVE THEY CAN RESOLVE THE SEWER ISSUES BY SPENDING 100-MILLION DOLLARS. NOW THE QUESTION IS WHAT TO DO ABOUT WHAT'S CALLED STORMWATER---FLOODING. I think the plan to uh to increase the piping size uh and the channels or the open ditches um is probably the more feasible plan uh than Detention ponds uh due to the fact that you've got to purchase people's homes and people might not want to sell their home." AN ENGINEERING FIRM WILL LOOK OVER THE PLANS AND GIVE COMMISSIONERS AN OVERVIEW. IN DOTHAN, CAROLINE RITTER WRGX YOUR HOMETOWN NBC. WRGX News @ 5:30PM	7.19.2016	17:39:58	3:41	<p>OPENING YOUR OWN BUSINESS IS DREAM FOR SO MANY PEOPLE, BUT IT TAKES A LOT OF HARD WORK.</p> <p>WRGX'S LISA SACASSIO JOINS US WITH A SPECIAL REPORT ABOUT WHAT IT TAKES TO JUST GET THE DOORS OPEN FOR A NEW BUSINESS IN DOTHAN.</p> <p>AMANDA.... THERE ARE A LOT OF STEPS YOU HAVE TO TAKE BETWEEN YOUR BIG IDEA AND YOUR END GOAL.</p> <p>FIRST YOU HAVE TO GET A BUSINESS LICENSE.</p> <p>FOUND INSIDE DOTHAN'S CIVIC CENTER ON THE THIRD FLOOR IS THE BUSINESS LICENSE OFFICE.</p> <p>"In a way, we're kind of like the door keepers"</p> <p>BUSINESS LICENSES ARE BROKEN DOWN INTO TWO MAIN CATEGORIES - THE FIRST CATEGORY: A BUSINESS RUN OUT OF YOUR HOME.</p> <p>"It's qualified to be a home operation. What we do is - they have a little form they have to fill out and they sign it. They understand it has a whole list of conditions that are attached to that agreement. Once they agree to it, we'll sign off on it and they can take it back across the hall and issue them a license"</p> <p>IF IT IS NOT A HOME BUSINESS...THE NEXT STEP IS ZONING.</p> <p>"The #1 rule is to make sure where you want to go supports the business that you want to do"</p> <p>LANDSCAPE, SIGNAGE, AND PARKING REQUIREMENTS ARE ALL CONSIDERED.</p> <p>"It basically says this business is classified as this, and it gives us a description, and that part transcripts over to zoning"</p> <p>IF YOUR BUSINESS DOESN'T FIT WITHIN THE GUIDELINES... DON'T WORRY.</p> <p>"The board of zoning adjustment does just that. It adjusts the zones"</p> <p>OVERALL, THE PROCESS CAN TAKE UP TO TWO MONTHS.</p> <p>"Six to eight weeks. It depends where it falls in the</p>

				<p>calendar. The City Commission meets the first and third Tuesdays of the month. If it's a month with five weeks in it then there's three weeks between meetings"</p> <p>IF YOU GET APPROVED YOU CAN MOVE FORWARD. IF NOT, YOU NEED TO FIND ANOTHER LOCATION. THAT COULD COST YOU, SO THE LICENSING OFFICE SAYS GET APPROVED FIRST!</p> <p>"There's nothing worse than someone coming in, and they already spent thousands of dollars to do something when they can't do it " (McDonald)</p> <p>THEN YOUR SPACE NEEDS TO BE INSPECTED AND APPROVED BY THE FIRE MARSHALL, UTILITIES, AND THE HEALTH DEPARTMENT.</p> <p>" We try to caution people to give themselves enough of time to do those inspections before they sign across the dotted line"</p> <p>ALSO KEEP IN MIND YOU MAY NEED MORE THAN ONE BUSINESS LICENSE.</p> <p>"You could have a complicated business like Walmart. They are going to have six different activities, but they are paying for six different things."</p> <p>YOU ALSO NEED TO GET YOUR LICENSE RENEWED EVERY YEAR.</p> <p>"First notices go out in December. Second notices go out in February. We basically say here is your renewal, send us your money and we'll send you your license."</p> <p>YES, IT CAN BE A COMPLICATED PROCESS. SO HERE ARE SOME WORDS OF ADVICE ABOUT STARTING A BUSINESS FROM SOMEONE WHO'S BEEN WORKING IN BUSINESS DEVELOPMENT HERE FOR NEARLY A DECADE. "Be consistent and persistent. It's not going to be easy. It's going to take years to establish yourself. Make sure you're prepared for it and make sure you're passionate about it." (Jansen)</p> <p>IF *YOU* SUCCEED, SO WILL YOUR COMMUNITY.</p> <p>"If they are doing well then some of that comes back to the city- and when I say the city I mean us. We are all the city." (McDonald)</p> <p>THE MINIMUM COST FOR A LICENSE IS SIXTY TWO DOLLARS, BUT IT CAN ALSO COST OVER A THOUSAND DEPENDING ON YOUR BUSINESS. ALSO, OPERATING A BUSINESS WITHOUT A LICENSE IS A CRIME. YOU WILL BE FINED, AND YOUR BUSINESS ACTIVITY CAN BE SUSPENDED. THERE'S EVEN A POSSIBILITY OF BEING BROUGHT UP ON CRIMINAL CHARGES.</p> <p>THANK YOU LISA. TOMORROW SHE WILL SHOW US HOW LOCAL ENTREPRENEURS KEEP THE DOORS OPEN TO THEIR BUSINESSES.</p>

				<p>DRASTICALLY.</p> <p>FOR INSTANCE--TRUCK DRIVERS IS THE MOST IN-DEMAND JOB TODAY.</p> <p>BUT--DOWN THE ROAD---TRUCKS WILL LIKELY DRIVE THEMSELVES AND DRIVERS NO LONGER NEEDED.</p> <p>SHOUPE SAYS WE MUST MAKE SURE JOBS ARE AVAILABLE FOR OUR CHILDREN. YOU KNOW WE LIKE TO MAKE FUN OF OURSELVES ABOUT BEING 10 YEARS BEHIND THE REST OF THE WORLD. YOU KNOW ITS KIND OF FUNNY BUT WE CAN'T CONTINUE TO DO THAT BECAUSE THE PACE OF CHANGE IS ACCELERATING.</p> <p>SHOUPE SAYS A SUMMIT WILL BE HELD IN OCTOBER TO GET PUBLIC INPUT ON HOW TO PREPARE THE JOB MARKET FOR THE FUTURE.</p> <p>MORE INFORMATION WILL COME LATER.</p>
