

KOZI AM & FM

2023 Issues Program Report, 2nd Quarter

This Quarterly Issues Program Report is a list of non-entertainment programming which, in the opinion of the management of KOZI AM & FM, represents the most significant treatment by the Station of certain issues believed to be of community concern. This list is not intended to be a comprehensive list of all the Station's non-entertainment programming. Nor is it designed to list every program broadcast by the Station that is responsive to the selected issues. Included are only those programs in which the station devoted significant time or depth to the ascertained issues
